MEMORANDUM.

The sentence of a Court-Martial, placing an Officer at the bottom of the list of his rank, involves the loss of previous time of service in that rank; so also, when the sentence of a Court-Martial takes away any seniority from an Officer, it thereby affects his Full and Half-pay, in cases where the same depend upon seniority; and it carries with it the loss of the benefit of the service, included in the seniority forfeited, in cases where the Full and Half-pay depend upon actual service.

CIRCULAR No. 38.—A.G.

HALF-PAY.

Admiralty, 14th June 1871.

1. My Lords are pleased to direct that in future every Officer entitled to Half-pay shall, without application on his part, be placed on the Half-pay List as soon as his full-pay ceases, and his accounts are clear.

2. Commanding Officers of Her Majesty's Ships are to transmit to the Accountant-General of the Navy and Comptroller of Navy Pay, immediately that either they or any of the Officers under their command, are discharged to Half-pay, one of the returns herein-after specified, and headed respectively "(A) Foreign Service," "(B) Home Service."

3. The Form already required to be furnished, and specified at page 175 (Appendix) of the Addenda (1868) to the Admiralty Instructions, will suffice for Officers returning to Half-pay from Foreign Service, amended as per specimen annexed and marked A.

4. Whenever an Officer is discharged abroad to return to England, who will be entitled to Leave of Absence on Full-pay after arrival, the Forms headed "(A) Foreign Service," directed to be forwarded to their Lordships, the Commander-in-Chief, and the Accountant-General, are to be handed to him with his pay documents for delivery; but if he will not be entitled to such Full-pay Leave, it will only be necessary to furnish him with the Forms for their Lordships and the Accountant-General. The date of his leaving England, and also the circumstance under which he is returning home, are to be filled in previously; and should he take passage in a Ship of War, the date of arrival is to be inserted and certified by the Commanding Officer of the Ship in which he takes passage; should he return to England in any vessel not belonging to the Royal Navy, then the date of arrival is to be inserted and certified by the Commander or owners of such vessel.

5. The new Form marked "B," for Officers employed on "Home Service," will be immediately supplied to ships on the Home Stations.

6. Application for payment of Half-pay may be made to Her Majesty's Paymaster-General, at Whitehall (either personally or by letter), so soon as the first monthly or quarterly instalment thereof shall become due after the date of ceasing Full-pay. But in the case of Commanding or other Officers who are required by the Regulations to render accounts or other documents, this application should not be made until such accounts have been duly rendered and passed in Office.

By command of their Lordships,
VERNON LUSHINGTON.

In making out this List, the following Directions are to be carefully observed:—
1. The List to be made out in triplicate, for their Lordships, the Commander-in-Chief, whose Flag-Ship Officers are to be borne, and the Accountant-General, when Officers are entitled to Full-pay Leave; otherwise it is to be made out, in duplicate, for their Lordships and the Accountant-General.

II. Foreign Service in a Ship commences on the date of leaving England, and ends upon her arrival home, the time employed fitting out at home and dismantling after arrival not being reckoned as Foreign Service. If a Ship returns to England and proceeds again to a Foreign Station, the time in England is not to be reckoned as Foreign Service.

III. The Actual Foreign Service only is to be specified in red ink against each Officer. If the Foreign Service of any Officer falls short of *two* years it may be entered in black ink, inserting "nil" in the column for "No. of Weeks' Leave." If an Officer has been checked on leave to England during his service, the period should also be stated.

IV. An Officer taking passage out in a Mail Packet or Private Ship will reckon Foreign Service from date of embarkation for passage out.

V. An Officer returning to England, if entitled to Full-pay Leave after arrival, is to be borne on the books of the Flag-Ship at whichever port is most convenient to him. The name of such Flag-Ship should be inserted in the left-hand corner on the other side of this Form before the Officer embarks for passage to England.

VI. The Full-pay only of the respective ranks will be allowed while on leave, *excluding* Command Money to Lieutenants and Staff-Commanders in Command, Senior and Gunnery Allowances, and all other additions to Full-pay.

VII. No Advance or Payment on Account is to be made by the Paymasters to an Officer while on Full-pay Leave under the Circular; the Pay Tickets are to be forwarded from the Flag-Ship to the Accountant-General, by whom only the time on leave can be investigated, and the amount due paid, when the Officer's leave expires.

VIII. By Her Majesty's Orders in Council, it is directed that the leave is only allowed at their Lordships' discretion, on return from Foreign Service, as follows:—

For every complete six months service abroad, provided the absence

has not been less than one year One week.

For every month served beyond the last period of six months One day.

This scale to extend to a period of five years absence from England.

2. Cases in which the absence from England is less than one year, or more than five years, will be specially dealt with by their Lordships when circumstances, in their opinion, warrant the extension of some special indulgence to an Officer returning to England after such absence.

3. Officers serving abroad, who have official residences allotted to them, or are in receipt of allowance for house rent, and whose appointments are subsequent to the date of the Order in Council of the 18th May 1881, are not to be allowed full-pay leave after foreign service, whether borne on ships' books or not.

RELATIVE RANK OF THE OFFICERS OF THE NAVY AND ARMY.

EXTRACT FROM THE REGULATIONS.—1879.

The relative rank of Officers of the Navy with each other and with Officers of the Army shall be as laid down in the following Table, and shall in every case take effect according to the dates of their respective commissions, or appointments, except when the relative rank is dependent on the attainment of seniority or completion of service, in which case it shall take effect from such attainment of seniority or completion of service in the particular rank:—

(For Table, as modified by Order in Council of
23rd August 1883, see p. 480.)

Nothing contained in these regulations is to give a claim to any Officer of the Navy to assume command of Her Majesty's Land Forces on shore, nor to any Officer of the Army to assume command of any of Her Majesty's squadrons or Ships, or of any of the Officers or Men thereunto belonging, unless under special authority from the Government in England for any particular Service. But when Officers of the Navy are employed on shore, on joint service with Her Majesty's Land Forces, their relative rank shall carry with it all precedence and advantages attaching to the rank with which it corresponds (except command as aforesaid), and shall regulate the choice of quarters, rates of lodging money, servants, forage, fuel, and light, or allowances in their stead.

The precedence of the Naval Commander-in-Chief in India is next below the Commander-in-Chief in India, if not a Member of Council, and irrespective of their relative Military rank.

At Durbars, Processions, and other Public Ceremonies in India, a distinctive place will be assigned

to the Senior Naval Officer on the spot in the absence of the Commander-in-Chief, without reference to his relative military rank.

Under the regulations formerly in force the precedence of the Officer in command of Her Majesty's Forces in any Colony, was dependent on the question whether or not he was entitled to administer the Government of the Colony in the absence of the Governor. But the alteration of circumstances has rendered this arrangement in some cases inconvenient, and it is therefore proposed that the precedence that the following Officers be now accorded in the Colonies in regard to the precedence of Military and Naval Officers in command of Her Majesty's Forces—

- a. The Senior Officer in command of the troops, if of the rank of a General, and the Officer in command of Her Majesty's Naval Forces on the Station, if of the rank of an Admiral, are to have precedence next after the Governor, their own relative rank being determined by the Queen's Regulations of that subject.
- b. Uniform.

105. The Officers, Men, and Boys of Her Majesty's Fleet and the Royal Marines shall wear such Uniform as the Admiralty shall, in pursuance of Her Majesty's pleasure, from time to time direct, and of which the description will be published.*

When to be Worn.

106. Every Officer, from the time of his joining the Fleet, Squadron, or Ship to which he shall be appointed, to that of his being removed from it, shall wear the Uniform established for his rank, except when he shall have leave from the Admiralty or the Senior Officer to be absent from his duty, or as herein-after provided.

Plain Clothes.

2. Permission may be given to Officers to wear plain clothes on ordinary leave; but at Reviews, Public Balls, or Entertainments given by Naval or Military Authorities, by Civil Functionaries, or by Military Messes at ports at which their Ships may be lying, Officers are to wear the Uniform of their ranks.

Undress.

108. Undress is to be worn when visits of ceremony are being exchanged on arrival at Foreign Ports, or when meeting Foreign Officers or other Foreign Functionaries, and also at Courts Martial, at Funerals, and upon all other occasions of ceremony when full dress is not described. Marine Officers are on these occasions to wear their full dress.

Morning Dress.

Claims will be made upon the parents or guardians by the Accountant-General of the Navy for these sums as they become due, and the money should be once remitted. In the event of non-payment, although the Cadets will not be refused admission into the Ship while their friends are being communicated with, they will not be considered as entered for tuition until the amounts have been received.

5. In addition to the above payments, any expenses incurred by a Cadet for clothing, books, &c., as well as the allowance of 1*l.* a week paid as pocket-money, will be included in the personal account sent in to the Parent from the Ship at the end of each term.

Captains of Cadets are paid 2*l.* and Chief Captains 2*l.* 6*d.* a week pocket-money, but of this sum only the ordinary allowance of 1*l.* will be charged to the Cadet.

6. All travelling expenses for Cadets will be advanced by the Paymaster of the "Britannia," who will charge the sum to the Cadet's personal account.

7. Since the Cadets will have a weekly allowance paid to them as pocket-money, and as an amount is allowed by the Government to pay the expenses attending their amusements, it is requested that their friends do not give them any money except on joining, or on their return from the Vacations, and then the amount must not exceed Ten Shillings. It is particularly requested that this Regulation be adhered to. Such money as may be required by a Cadet for any special circumstances will be advanced by the Paymaster under the authority of the Captain of the "Britannia."

8. It is particularly requested that the Cadets bring their Linen clean, and Clothes and Boots in good order when they join the ship, and also when they return from leave, and that the outfit, as required, be complete.

9. Cadets are not permitted to open an account with Tradesmen. Parents and Guardians are therefore requested to pay no bills that may be sent them.

10. Should there have been any infectious disease in the house where Cadets have been staying during their holidays, notice of the circumstance is to be given to the Commanding Officer of H.M.S. "Britannia," and they are not to join until they have received a communication from him that they may do so.

11. All letters relative to the Cadets should be addressed as follows:—"The Commanding Officer, H.M.S. 'Britannia,' Dartmouth."

12. Should Cadets bring valuable Gold Watches or Chains with them to the Training Ship, they will be taken from them and placed in security until they return to their homes. Silver Watches will be allowed to be used.

13. Parents or Guardians of Cadets must, in all cases of permanent change of residence, communicate the same to the Captain of the Training Ship, without delay.

 those obtained in Educational subjects. No Engineer
 Student will be granted a qualifying Certificate for
 entry at the Royal Naval College unless he obtains at

 Practical Engineering on his final Examination, and
 also displays a competent knowledge of the subjects
 taught in the Dockyard Schools.

 be held in time for the necessary Certificates to be for-
 forwarded to the Admiralty on or before the 23rd June in
 each year, and it will include tests of their skill as
 workmen. Those found qualified will, on the com-

 to pass, they will cease to be eligible for the rank of
 Naval Engineer. The Pay of a Student during such
 year of probation will be the same as during the sixth

 completion of their course at Greenwich, and will
 receive Certificates according to their merit, in three
 classes. Those who obtain First Class Certificates
 will receive Commissions dated the same day as their
 Acting Appointments. Those who obtain Second
 Class Certificates will receive Commissions dated six
 months after the date of their Acting Appointments,
 and those who obtain Third Class Certificates will
 receive Commissions dated the day after their dis-
 charge from the Royal Naval College. The addi-
 tional time given for First Class Certificates and
 Second Class Certificates will reckon in all respects as
 time served as Assistant Engineer. In the event of any
 Acting Assistant Engineer failing to pass satisfactorily
 at the final examination at Greenwich, his Commission

will be withheld for such a period as may be determined on by their Lordships.

30. Two Assistant Engineers will be selected annually from those who take the highest place at the Examination on the completion of their course at Greenwich, to pass through a further course of scientific instruction if they desire it. THE BEAUFORT TESTIMONIAL.

The Beaufort Testimonial, which was founded in 1800 to commemorate the service of Rear-Admiral Sir Francis Beaufort, K.C.B., who filled the post of Hydrographer of the Navy from 1829 to 1855, consists of some instrument or work of a kind to be practically useful to a Naval Officer.

It is bestowed annually on the Officer who, in qualifying for the rank of Lieutenant, passes at the Royal Naval College the best examination in the subjects laid down in the Queen's Regulations and Admiralty Instructions as comprised in Navigation.

Candidates for the Beaufort Testimonial must signify their intention of competing one month before the time for their examination, and more searching questions will be set them on all subjects.

THE GOODENOUGH MEDAL AND FUND.

The Goodenough Fund—founded in memory of the late Captain James G. Goodenough, C.B., C.M.G., who died on 20th August 1875, whilst serving as Commodore on the Australian Station, from wounds inflicted with poisoned arrows in an unprovoked attack by natives of Santa Cruz—consists of a sum of about 800l. The interest of this sum is employed annually in providing a Gold Medal, called the Goodenough Medal, which is conferred on the Sub-Lieutenant who, when qualifying for the rank of Lieutenant, passes the best examination of his year in Gunnery, provided he has also taken a first-class certificate in Seamanship. Any balance that remains, after payment of expenses, is also handed over to him.

THE GILBERT BLANE MEDAL.

In 1830 the late Sir Gilbert Blane, Bart., formerly a member of the Board for sick and wounded seamen, established, with the sanction of the Board of Admiralty, for the encouragement of Naval Medical Science, a fund vested in the Corporation of the Royal College of Surgeons of London, in trust, for the purpose of conferring a gold medal once in every two years on each of the two Medical Officers (Fleet, or Staff Surgeons, or Surgeons) who shall produce the most approved journals of their practice "in the form in which they have been kept from day to day" while in Medical charge of a ship of war in the Royal Navy.

The Presidents of the Colleges of Physicians and of Surgeons, and the Medical Director General of the Navy award the medals biennially for the two best journals sent into office during the preceding period of two years.

* Separate classes in Gunnery and Torpedo are now given, and the Rules will appear in the next Addenda to the Regulations.

3. Good Service Pensions to be awarded for good and meritorious service at sea, preference being given in cases of special gallantry, to Officers who have commanded a ship in action against the enemy. Ten pensions of 300*l.* a year each to be given to Flag Officers of all ranks on the Active List; the intention being that two may be held by Vice-Admirals and two by Rear-Admirals qualified for promotion. [Modified by Order in Council of 20th April 1860.]

9. No Admiral of the Fleet to be allowed to hold a pension, unless conferred for wounds received in the Service.

10. Greenwich Hospital Pensions for Flag Officers to be awarded to old, infirm, wounded, or disabled Officers on the Retired List, of long service, but not to be conferred as a qualification for retirement.

11. No Officer, except Flag Officers, in receipt of a Naval or Greenwich Hospital Pension, to be allowed to retain it after being promoted.

12. No pension, except a Pension for wounds, can be forfeited.

X. Temporary Provisions.

The following provisions to apply to Flag Officers, Captains, Commanders, and Lieutenants now holding those ranks on the Active List:—

1. All Officers to whom, in the following clauses, an option is given, must signify to Us, in writing, within such time as may be prescribed, in what manner they elect to exercise such option. In the event of their failing so to intimate their wishes, it will be deemed that they have elected the new Regulations laid down in this scheme.

2. The new scales of full-pay and allowances to apply to all Officers, unless they request, in writing, without such time as may be prescribed, to be paid according to those now in force, in which case they will continue to receive the old rates of pay and allowances during all their future service.

3. Officers to whom option is given as to half-pay, promotion, and retirement, and who elect to be dealt with under the old Regulations, will retain their present rights, except so far as they are expressly modified by these Temporary Provisions; but in that case it must be clearly understood that they will have none of the advantages of the new Regulations.

[By Circulars 62 of 1870, 21 of 1871, provision is made for allowing officers to change from Old to New Regulations. If they would not, under the New Regulations, have been compulsorily retired before the date of application to exchange.]

4. Officers to whom the above option is given, and who elect to be dealt with under the new Regulations, will receive half-pay, and will be promoted and retired in accordance with them, but will retain no rights attached by them, except so far as is expressly laid down in these Temporary Provisions.

5. Officers retired may, at their own request, and after obtaining in each case Our consent, commute their full or retired pay, under the Rules laid down by Her Majesty's Commissioners of Her Majesty's Treasury for administering Act 32 & 33 Vict., cap. 32.

6. Admirals of the Fleet, and Admirals who commanded a ship as Captain or Commander prior to the termination of the War in 1815, to be allowed to remain on the Active List; such Admirals to be eligible for promotion to the rank of Admiral of the Fleet.

7. All other Flag Officers now on the Active List to have the option of being promoted and retired, either under the new Regulations, or under the terms of the Order in Council of March 24, 1860, but with the following modifications in the latter case:—

(a.) To be retired at 70, if an Admiral of the Fleet or Admiral; at 68, if a Vice-Admiral; at 65, if a Rear-Admiral; whether or not they have hoisted their flag or have been employed at the Admiralty; provided also, that officers promoted to Active Flag rank, subsequently to 24th March 1860, will be subject to the new scale of age for retirement when promoted to the rank of Vice-Admiral.

(b.) To be retired as soon as 10 years have elapsed since their flag was hoisted down, or if they have not hoisted their flag, since their service as Captain ceased.

(c.) When so retired, the names of those who have hoisted their flags, or have been employed at the Admiralty, will, if they should desire, be retained on the Active List according to seniority, until such time as they would have been compulsorily retired under the Order in Council of 24th March 1860; but they will not be entitled to rise above the rank of Admiral or Retired Admiral. Their names to be supplementary to the established numbers of the List, and to be printed in italics, and will be ultimately removed from the List by date, or otherwise, the vacancies so caused not to be filled up.

(d.) Flag Officers so retired retain their Good Service Pensions.

(e.) It shall be lawful for Her Majesty, in cases of distinguished service, to confer the rank of Retired Admiral of the Fleet on any present Flag Officer retired under the above conditions, provided he shall be qualified for that rank by seniority, and according to these Regulations; provided that there shall not be already three Retired Admirals of the Fleet.

8. Flag Officers now on the Active List who elect to be retired under the new Regulations, to be promoted

according to seniority to the rank of Admiral on the retired list, but without increase of retired pay.

8. The new requirement of service for promotion to the rank of Vice-Admiral not to be enforced with regard to Rear-Admirals now on the Active List.

9. Rear-Admirals now on the Active List, who elect to be allowed to be retired at once under the new Regulations, to be entitled to 75%, instead of 60% of a year, retired pay, subject to the deduction specified in the Regulations without the addition allowed for extra service.

10. Until the Active List of Admirals shall have been reduced to, only one in every two vacancies caused by retirement, or promotions consequent thereon, to be filled up.

See Order in Council, 5th August 1875.

11. Until the Active Lists of Vice-Admirals and Rear-Admirals shall have been reduced to 15 and 25 respectively, only one in every three vacancies caused by retirement, or promotions consequent thereon, to be filled up.

See Order in Council, 5th August 1875.

12. All vacancies caused by death to be filled up as they occur.

13. The Officers now holding the appointments of Vice-Admiral and Rear-Admiral of the United Kingdom, and the Principal Naval Aide-de-Camp to Her Majesty, to be retired as Admirals under the new Regulations, to be entitled to their retired pay, not greater than the salary of their office; but the whole amount not to exceed the half-pay of an Admiral of the Fleet.

14. The new requirements of service for promotion to the rank of Rear-Admiral not to be enforced with regard to Captains now on the Active List, who are at present qualified by service for promotion under the old Regulations.

15. All Captains now on the Active List, of more than 40 years of age, to be allowed the option of accepting, upon retirement, either the new Regulations, or those of Her Majesty's Order in Council of 24th March 1867, but with the following modifications in the latter—

(a.) Not to be allowed to remain on the Active List of Captains after the age of 60, or after 7 years have elapsed since their service as Captain ceased.

(b.) When promoted to the Active Flag List to be subject to the new Regulations in all respects, except that they will only be entitled, on retirement, to half-pay, according to the terms of the Order in Council of 24th March 1866.

16. All Captains now on the Active List, of less than 40 years of age, to be allowed the same option, except that they will in no case be allowed to remain on the Active List after the age of 55.

17. Until the Active Lists of Captains, Commanders, and Lieutenants shall have been reduced to 150, 200, and 600 respectively, only one in every four vacancies caused by retirement, and promotions consequent thereon, to be filled up. Vacancies caused by death to be filled up as they occur.

See Order in Council, 5th February 1872, 5th August 1875, altering this paragraph.

18. No further additions to be made to the List of Reserved Flag Officers.

19. The new requirements of service for promotion not to be enforced with regard to Commanders and Lieutenants now on the Active List, who are at the present time qualified by service for promotion under the old Regulations.

20. Such Commanders and Lieutenants now on the Active List, as are not at the present time qualified by service for promotion, will be promoted under the new Regulations.

21. All Commanders and Lieutenants now on the Active List, who may be retired under the provisions of this scheme, to be allowed the option of retiring on the terms of the new Regulations, or on the retired scale provided by Her Majesty's Orders in Council of 1st August 1860, 9th July 1864, and 24th March 1866. In either case, however, they will be retired at the respective ages of 50 and 45, or when they have not served for 5 years, but they will retain their present privilege as to rising in rank.

See Order in Council of 21st July 1876, as to promotion of Commanders on attaining 15 years' seniority.

22. The advantages conferred by the Order in Council of 26th June 1867 on some of the reserved Captains (see (c.) List) to be extended to all such Captains; these Officers to be placed, according to seniority, as vacancies occur, on the Retired List, under Orders in Council of 24th April 1847, 25th June 1851, and 26th June 1867, and to rise to Flag Rank according to their seniority as Captain.

23. Until the present Active Lists shall have been reduced to the proposed numbers, any Officers may, with their consent, and at Our discretion, be retired, if above 40 years of age, on the terms of the new Regulations, if under 40 years of age, on the active half-pay of their rank. [Extended as regards Lieutenants by Order in Council 20th November 1879.]

All present Rules and Regulations, except in so far as they are expressly altered or limited by these General or Temporary Provisions, shall be deemed to remain in force.

SERVICE REQUIRED TO QUALIFY OFFICERS FOR PROMOTION TO FLAG RANK ON THE ACTIVE OR RETIRED LISTS.

ORDER IN COUNCIL, No. 11.—C.

At the Court at Osborne House, Isle of Wight,

The 4th day of August 1875.

Present:

The QUEEN'S most Excellent Majesty in Council.

Whereas there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 1st of August 1873, in the words following, viz.:

"Whereas in Your Majesty's Order in Council of 22nd February 1870, governing the promotion and retirement of Flag Officers and others of Your Majesty's Fleet, clause six of section two appoints as follows:—

"Captains retired from that rank to be entitled to rise by seniority to the rank of Retired Rear-Admiral, if before retirement they had served the time to qualify them for promotion."

"And whereas we are of opinion that this condition may be modified, we humbly propose to Your Majesty that the clause above recited be cancelled, and the following substituted:—

"Captains who have been, or who may in future be, promoted to the rank of Rear-Admiral under Your Majesty's Order

in Council of 22nd February 1870, to be entitled to rise by seniority to the rank of Retired Rear-Admiral, if they have served three years as Captain in command of a Ship of War at sea."

[See Order in Council, 4th August 1875, cancelling this.]

"And whereas clause five of section two of Your Majesty's said Order in Council is as follows:—

"To qualify a Captain whose seniority brings him in turn for advancement to the Active List of Flag Officers he must have completed six years' Sea Service as Captain, or its equivalent in Harbour Service, but the first three years of such period must be Sea Service in command of a Ship of War at sea, such Officers as arrive at their turn for promotion without having completed the qualifying Service to be retired."

"And whereas in section five, which defines 'Harbour Service,' clause two contains the following sub-clause:—

"(a.) Service in Harbour Ships or their Tenders (with the exception of the Harbour Ships and Tenders at Ascension, Port Royal, Hong Kong, and Rio de Janeiro, and at such other Foreign Ports as we may determine), and Service in First Reserve (Coast Guard) Ships, after the first three years of such Service, such first three years to reckon as Service."

"And whereas we are of opinion that the above recited clauses may render it unduly difficult for Captains who, as Lieutenants qualified in Harbour Ships as Gunners Lieutenants, and also in some other special cases, to obtain the amount of Service required to qualify them for promotion to Flag Rank.

"We therefore humbly propose to Your Majesty that the sub-clause above recited of the second clause of the fifth section of Your Majesty's said Order in Council be cancelled and the following sub-clause substituted:—

"(a.) Service of an Officer when borne on the books of any Harbour Ship, or of any First Reserve (Coast Guard) Ship, subject to the following exceptions:—

"1. Three years served in any Harbour Ship or First Reserve (Coast Guard) Ship, or in any Tender to such Ship, as Lieutenant or Commander, or in those ranks combined, shall count as Sea Service, but not as Sea Service in a Ship of War at Sea.

"2. Three years served either before or after 1st August 1873, or partly before and partly after that date, as Captain in command of any Harbour Ship or First Reserve (Coast Guard) Ship, or any Tender to such Ship, shall count as Sea Service, but not as Sea Service in a Ship of War at Sea.

"This shall not apply to any Officer who retired before 1st August 1873.

"3. Service subsequent to 1st August 1873, in Tenders to Harbour Ships and to First Reserve (Coast Guard) Ships at Home, and in Harbour Ships Abroad, and their Tenders, shall, in such cases as we may direct, count as Service in a Ship of War at Sea."

[Under this power Tenders to First Reserve Ships have been allowed to count as service in a ship of War at Sea.]

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

ORDER IN COUNCIL. No. 22.—C.W.

At the Court at Windsor,

The 4th day of December 1873.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 3rd of December 1873, in the words following, viz:—

"Whereas by clause eight, section one, of Your Majesty's Order in Council of 22nd February 1870, it is established that—

"Rear-Admirals shall not be eligible for promotion to the rank of Vice-Admiral on the Active List until they have completed one year's Sea Service, or its equivalent in Harbour Service as Flag Officer; but such officers as arrive at their turn for promotion without having completed the qualifying service, and not having attained the age for retirement, to remain on the Active List until qualified for promotion, or until retired; if promoted, to take rank according to former seniority."

"And whereas Your Majesty's subsequent Order in Council of 5th August 1873, with a view to providing temporarily for a more uniform flow of advancement to the ranks of Flag Officer, Captain, Commander, and Lieutenant in Your Majesty's Navy, authorized an increase, by 10, of the number of Rear-Admirals as laid down in the Order in Council of 22nd February 1870, by which increase, in consequence of the limited number of appointments open to that rank, it is rendered impossible to provide for every Officer obtaining the necessary qualifying service before he arrives at his turn for promotion;—We do most humbly submit that, in order to avoid the necessity of passing over officers who are, in other respects, well qualified for advancement, We be empowered to cancel the before-recited clause of Your Majesty's Order in Council of 22nd February 1870, and to supplement the powers conferred by the same Order in Council so far as refers to the compulsory retirement of Admirals and Vice-Admirals by the following provision, viz:—

"Flag Officers who have not hoisted their flag, as Flag Officers, to be retired at the age of 60."

"The Lords Commissioners of Your Majesty's Treasury have signified their concurrence in the cost of this proposal."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

ORDER IN COUNCIL, No. 6.—C.W.

At the Court at Osborne House, Isle of Wight,

The 21st day of July 1873.

Present:

The QUEEN'S most Excellent Majesty in Council. WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 19th of July 1873, in the words following, viz:—

"Whereas we have had under our consideration the case of the Commanders of Your Majesty's Navy who have been placed on the Retired List of their Rank under Your Majesty's Orders in Council of 22nd February 1870, and 4th August 1873, and who, not having the required sea service, are not entitled to a step of rank on retirement; and whereas under the provisions of Your Majesty's Order in Council of 5th August 1873, Captains are allowed one step in rank, according to seniority, after retirement, irrespective of any qualifying service. We most humbly submit to Your Majesty that Commanders who have already been retired, or who may hereafter retire, without having served sufficiently long at sea to qualify them for promotion to the rank of Captain, may, at discretion, be allowed to assume the rank of Retired Captain on attaining fifteen years' seniority, but without an increase of Retired Pay or Widow's Pension."

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

(Signed)

C. L. PEARL.

At the Court at Osborne House, Isle of Wight,

The 5th day of February 1872.

Present:

"Whereas Your Majesty, by Order in Council of 22nd February 1870, was graciously pleased to establish Regulations for the Promotion and Retirement of Officers of the Navy: And whereas we are of opinion, in view

of the small number of promotions that have place during the past year, that it is expedient to provide for the immediate advancement of a number of the present Commanders and Lieutenants, and also to diminish the restrictions on the promotion of Commanders, Lieutenants, and Sub-Lieutenants, imposed by Your Majesty's aforesaid Order in Council, until such time as the Active List of Captains, Commanders, and Lieutenants shall be reduced to the numbers thereby established: And whereas we are further of opinion that it is expedient to amend the provisions of the temporary provisions of the Order in Council, and also that it is expedient to establish regulations for the retirement of

"We would, therefore, most humbly submit to Your Majesty—

"1. That we be empowered to promote ten Commanders to the rank of Captain, and ten Lieutenants to the rank of Commander, from this present date.

"2. That until the list of Captains is reduced to one hundred and fifty, we be authorised to promote Officers to vacancies caused by retirement, according to the following scale:—

"(a.) One Commander in every vacancy which now exists, or which shall hereafter arise, on the List of Captains, due to the retirement of Admirals.

"(b.) One Commander in every two vacancies which now exist, or shall hereafter arise, on the List of Captains, due to the retirement of Vice-Admirals, Rear-Admirals, or Captains.

"(c.) One Lieutenant in each vacancy arising on the List of Commanders from the above promotions.

"3. That we be further authorised, until the List of Commanders is reduced to two hundred, to promote one Lieutenant in every two vacancies now existing, or in here arising from the retirement of Commanders.

"4. All vacancies arising from deaths, resignations, &c., to be filled up as they occur.

"5. That until the List of Sub-Lieutenants is reduced to two hundred and fifty, we be authorised to confer promotion on any Sub-Lieutenant who is, in our opinion, worthy of advancement, although such promotions may be the List of Lieutenants to be temporarily in excess the numbers authorised by Your Majesty's aforesaid Order in Council.

"6. Captains who were promoted to that rank before the 1st April 1870, and who elected the new regulations of retirement, to be allowed, if physically unfit, or if they have not served for seven years, on retirement, an amount of retired pay not less than that to which they would have been entitled to receive under the regulations which were in force prior to the 1st April 1870.

"7. Sub-Lieutenants to be compulsorily retired at the age of forty, or at any age if physically unfit for service.

"8. Until the List of Sub-Lieutenants is reduced to two hundred and fifty, any such Officers to be allowed, with the consent and at our discretion, to retire irrespective of age.

"9. Retired Pay to be granted as follows:—After three years' seniority, 3s. 6d. per diem, an additional 6d. being added for each complete year beyond three served as Sub-Lieutenant until the maximum is reached, viz., 6s. per diem.

"10. Officers who in our opinion, are not deserving of being retired pay on the above scale, to be granted such part of the pay as we may think fit to award them.

"11. Service for retired pay to be calculated in accordance with the provisions of Your Majesty's Order in Council of 2nd February 1870, relating to Flag Officers, Captains, Commanders, and Lieutenants, time during which a Sub-Lieutenant may be on half-pay after he has served three years in that rank to reckon in the proportion fixed by the Order in Council.

"12. Sub-Lieutenants to be allowed, at their own request and with our consent, to commute their retired pay under the rules laid down by the Lords Commissioners of Her Majesty's Treasury for administering the Act 34 and 35 Vict. cap. 60.

"13. The existing rules as to half-pay to Sub-Lieutenant while on the Active List to remain in force.

"We therefore most humbly submit that Your Majesty will graciously be pleased to sanction these arrangements which have received the concurrence of the Lords Commissioners of Your Majesty's Treasury."

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

CIRCULAR No. 10.—C.

At the Court at Osborne House, Isle of Wight,

The 5th day of August 1873.

Present:

The QUEEN'S most Excellent Majesty in Council.

Whereas there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the third of August, one thousand eight hundred and seventy-five, in the words following, viz.:—

"Whereas we have had under our consideration the effects of Your Majesty's Orders in Council of twenty-

second February, one thousand eight hundred and seventy, and fourth August, one thousand eight hundred and seventy-three, in so far as they relate to the retirement and promotion of Flag Officers, Captains, Commanders, and Lieutenants of Your Majesty's Navy: And whereas large reductions of these lists have been thereby effected, which, though highly satisfactory in one point of view, have resulted in a great stagnation of promotion: We are of opinion that it is expedient to provide temporarily for a more uniform flow of advancement to these ranks; to relax slightly the rules as regards the age at which Flag Officers and Captains may be optionally retired, and to modify still further the restrictions respecting the advancement to Flag Rank of Officers on the Retired List and promotions on that List.

"We would therefore most humbly submit to Your Majesty:—

"1. That we be empowered for the present to promote annually seven Captains to Flag Rank, effecting this by promoting to Flag Rank as heretofore in vacancies caused by death and retirement, and by supplementing any vacancies short of seven at the end of each year, so long as a maximum number of sixty-eight Flag Officers be not exceeded:—

"Adjusting the Flag Ranks thus:—	
3 Admirals of the Fleet.	} Total 68.
10 Admirals.	
20 Vice-Admirals.	
35 Rear-Admirals.	

"Promotions to the List of Admirals to be in the proportion of one to two in vacancies caused by retirement until the number is reduced to ten, and the addition to the list of Vice-Admirals and Rear-Admirals to be in the proportion of one Vice-Admiral to every two Rear-Admirals added to the list; should there be more than seven vacancies in any year the excess not to be filled up in that year, provided the list of Flag Officers is kept up to fifty.

"2. That, for the present, we be also empowered to promote annually twelve (and should vacancies occur as many as fifteen) Commanders to the rank of Captain, effecting this by filling every vacancy and supplementing any vacancies short of twelve at the end of each year, so long as a maximum number of one hundred and seventy-five Captains be not exceeded; should there be more than fifteen vacancies in any year the excess not to be filled up in that year.

"3. That, for the present, we be also empowered to promote annually twelve (and should vacancies occur as many as twenty-five) Lieutenants to the rank of Commander, effecting this by filling every vacancy, and supplementing any vacancies short of twenty at the end of each year, so long as a maximum number of two hundred and twenty-five Commanders be not exceeded; should there be more than twenty-five vacancies in any year the excess not to be filled up in that year, provided that the list is kept up to two hundred.

"4. That, for the present, we be authorised to sanction the optional retirement of Flag Officers and Captains at the following ages, viz.:—

"Admirals and Vice-Admirals . . .	55
"Rear-Admirals	50
"Captains	45

"Such optional retirement to be subject in each case to our approval, and to be restricted to three Flag Officers and six Captains annually, power being reserved to us, with the sanction of the Lords Commissioners of Your Majesty's Treasury, to extend this option to a larger number hereafter should such a course appear desirable.

"5. That one step in rank, according to seniority, be granted to all Rear-Admirals and Captains who may have been, or who may hereafter be, placed on the Retired List, under the provisions of Your Majesty's Order in Council of twenty-second February, one thousand eight hundred and seventy, irrespective of any qualifying service; such advancement not to carry with it any increase of retired pay.

"We further beg to state that the Lords Commissioners of Your Majesty's Treasury have given their assent to the cost of these proposals."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed.

And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

No. 29.—C.W.

At the Court at Windsor,
The 29th day of November 1870.
Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 27th of November 1870, in the words following, viz.:

"Whereas we have had under our consideration the effect of Your Majesty's Orders in Council of 22nd February 1870 and 5th February 1872, both as regards the limitation of the number of Lieutenants in Your Majesty's Fleet and the restrictions for the promotion of Officers to that rank, and whereas the Navigating Class of Your Majesty's Fleet is being rapidly reduced on account of the special entries for that class having been for some time past discontinued.

"We are of opinion that it is necessary:—

- "1. To increase the number of Lieutenants for executive duties;
- "2. To supplement in addition, but gradually, the List of Lieutenants as substitutes for the Navigating Officers; and
- "3. To make better provision for the promotion of Sub-Lieutenants.

"We do most humbly submit that Your Majesty will be pleased to sanction:—

- "1. That the number of Lieutenants for Executive duties shall be 800.
- "2. That we be authorised to increase that number of Lieutenants gradually to 1,000 in proportion as the numbers on the Lists of Staff Commanders and Navigating Lieutenants fall below the number fixed by Order in Council of 1870, viz. 250, so that eventually the List of Lieutenants shall be 900 for Executive duties and 200 for Navigating duties.
- "3. That we be empowered to promote 75 Sub-Lieutenants during the present year without reference to the number on the Lieutenant's List; and in each successive year a number that shall not exceed the number that has been added to the List of Sub-Lieutenants in the previous year.
- "4. That we be authorised to continue the retirement of Lieutenants on the terms sanctioned in para. 24, Chapter X. of the Order in Council of 22nd February 1870.

"The Lords Commissioners of Your Majesty's Treasury have concurred in these proposals, and we do most humbly submit that Your Majesty will be graciously pleased to sanction the same being carried into effect.

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

No. 38.—N.

At the Court at Windsor,

The 24th day of March 1880.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 19th of March 1880, in the words following, viz.:

"Whereas Your Majesty was graciously pleased by Order in Council of the 22nd February 1870, Sec. II. Par. 6, to make the following provision as regards officers of Your Majesty's Navy accepting the Regulations then established, viz.:

- "Captains retired from that rank to be entitled to rise by seniority to the rank of Retired Rear Admiral if before retirement they had served the time to qualify them for promotion,

thus restricting the award of Retired Flag Rank to officers qualified for their Active Flag, and whereas under Your Majesty's subsequent Order in Council of the 5th August 1875 all Captains retired from that rank have become entitled to one step in rank, by seniority, irrespective of service, the distinction between officers

qualified and not qualified for promotion being thereby abolished; We would humbly represent to Your Majesty that we consider the distinction reasonable, and we are of opinion that it is expedient to grant to Captains qualified for promotion a concession proportionate to that conferred by Your Majesty's Order in Council of 5th August 1875 on unqualified officers.

"We would therefore humbly submit that Your Majesty will be pleased to sanction the following provisions, viz.:

- "1. Captains who have been or may be retired from that rank (unless retired on account of non-service) to be allowed to rise to the rank of Vice Admiral on the Retired List if before retirement they had served the time necessary to qualify a Captain for promotion to the rank of Rear Admiral on the Active List.

"2. Such advancement to be conferred according to seniority, any officer hereby qualified for Vice Admiral's rank, and who has been debarred from rising above the rank of Rear Admiral by the restrictions of the Order in Council of the 22nd February 1870, to date his promotion to Vice Admiral from the day on which he would have been promoted had such restrictions not been in operation.

"3. Promotion not to confer claim to increase of Retired Pay.

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

At the Court at Osborne House, Isle of Wight,

The 5th day of January 1881.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 1st of January 1881, in the words following, viz.:

"Whereas by the provisions contained in the third clause of Your Majesty's Order in Council of the 5th of August 1875, and by Article 261 of the Regulations of 1870 for the Government of Your Majesty's Naval Service, We are empowered under certain conditions to promote annually twenty and, should vacancies occur, as many as twenty-five Lieutenants to the rank of Commander, and whereas the number of vacancies has not in any year enabled us to make the full number of advancements, We would humbly represent to Your Majesty that it is in our opinion desirable, for the present, to make as many as twenty-five promotions in the course of the year without regard to the number of vacancies, and we would therefore submit that We be empowered to advance annually as many as twenty-five Lieutenants to the rank of Commander under conditions similar to those contained in the aforesaid Order in Council and Article of the Regulations, namely, effecting such promotions by filling every vacancy and by supplementing any vacancies short of twenty-five at the end of each year, so long as a maximum number of two hundred and twenty-five Commanders be not exceeded, should there be more than twenty-five vacancies in any year the excess not to be filled up in that year, provided that the List is kept up to two hundred. We would submit that the condition of the Order in Council of the 5th of August 1875 to the effect that the increase in the number of Commanders over two hundred is to be regarded as of a temporary nature be maintained, and that the provisions of the present Order be applicable to the promotions bearing date the 31st ultimo.

"We would represent to Your Majesty that the Lords Commissioners of Your Majesty's Treasury have expressed their concurrence in these proposals.

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

8. Chief Engineers who entered Her Majesty's service before 27th February 1847 to be allowed to count to- wards retirement all time served as 1st and 2nd class Engineer.

SERVICE ON COMMITTEES, &c.

At the Court at Windsor,

The 18th day of May 1870.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 16th of May 1870 in the words following, viz.:

"Whereas by Your Majesty's Orders in Council of the 22nd February 1870, Your Majesty was pleased to sanction certain proposals for the retirement of the Executive and Civil Officers of Your Majesty's Fleet: Whereas we are of opinion it is desirable that further regulations be laid down on certain points connected with the Scheme of Retirement then sanctioned, we would humbly propose to Your Majesty:

"1st. As regards service of Officers on Committees or Commissions of Inquiry in connection with naval matters of importance, we are of opinion that, considering the value of such enquiries, it is but just to allow a certain portion of such service to count as full service as regards Pay, Half-pay, and Retirement, though not to reckon as service to save Officers from compulsory retirement on account of non-service; we would therefore submit, that we be empowered to allow Officers to count a portion of the time so employed, namely, up to six months on Committees and Commissions, as full time; afterwards as two-thirds of full time; but the maximum addition to what an Officer would have been allowed if all his Committee time had counted as Half-pay time, to be two years.

"2nd. As regards civil employment at or under the Admiralty, we would humbly submit that when an Officer is retired from the Active List on account of age, non-service, or otherwise, and we deem it advisable to retain him in such civil employment, he should continue in receipt of his former emoluments as though he had remained on the Active List, until he ceases to be in such civil employment, that his retired pay should then be calculated according to the total period of service he may have completed, reckoning his civil employment as service for this purpose.

"3rd. As regards promotion on the Lists of Navigating and Medical Officers, and in the ranks of Paymaster and Chief Engineer, we would submit to Your Majesty, that we be allowed to fill up not more than one in four

vacancies which may be caused by Retirement, or Promotion consequent on Retirement, until the Lists are reduced to the numbers authorised by Your Majesty's above-named Orders in Council; and we would have pointed out that provision for making such promotion in the ranks of Captain, Commander, and Lieutenant, was contained in the Order of Council of 22nd February 1870.

"4th. As regards the promotion on Retirement of Staff Commanders and Paymasters, whereas it is laid down by Your Majesty's Order in Council of 29th June 1867, that Staff Commanders having served 20 years in the ranks of Navigating Lieutenant and Staff Commander shall receive, when retired, the rank of Retired Captain, and that Officers having served 15 years in those ranks shall retire with the rank of Retired Commander; and by Your Majesty's Order in Council of 2nd July 1861 it is laid down that Paymasters who may have completed 20 years' service, including Acting Paymasters' time, and not more than 4 years' time as Assistant Paymaster, shall be retired with the rank of Paymaster-in-Chief: And whereas by Your Majesty's Order in Council of 22nd February 1870 it has been provided as to Commanders and Lieutenants placed on the Retired List that these Officers shall be granted the rank of Retired Captain and Retired Commander only at the discretion: We are of opinion that it will be to the benefit of Your Majesty's Service that similar orders should be made applicable to the Promotion on Retirement of Staff Commanders and Paymasters, so that these Officers should no longer be entitled to claim their respective ranks of Retired Captain, Retired Commander, and Paymaster-in-Chief, when removed from the Active List, but that such promotion should, in addition to the above-mentioned requirements of service, be governed also by qualifications of good and meritorious service. We therefore humbly submit that in future such promotions on Retirement be made at our discretion. We beg further to represent that, so far as financial arrangements are affected, the Lords Commissioners of Your Majesty's Treasury have signified their concurrence in the above-mentioned proposals."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of the Privy Council, to approve of what is therein proposed, and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions thereon accordingly.

QUALIFICATIONS FOR THE RANK OF STAFF CAPTAIN.

ORDER IN COUNCIL, No. 36.—N.

At the Court of Windsor,

The 15th day of March 1880.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 16th of March 1880, in the words following, viz:—

"Whereas by Article 247 of the Regulations established under Your Majesty's Order in Council of the 24th of February 1879 for the Government of Your Majesty's Naval Service, it is provided that 'To qualify a Staff Commander for the rank of Staff Captain he must receive an appointment as Master Attendant, Assistant Master Attendant, or Queen's Harbor Master, or he must, with 30 years' sea-service as a Commissioned Navigating Officer have performed some special service, the nature of which is to be mentioned in the Gazette,' and whereas the effect of these provisions has been to exclude from advancement to the rank of Staff Captain Officers unable to acquire the above-mentioned qualifications but yet deserving, in our opinion,

of such promotion. We would humbly submit that Your Majesty will be graciously pleased to cancel the said Article 247 and to substitute the following provisions, viz:—

"To qualify a Staff Commander for the rank of Staff Captain he must receive an appointment as Master Attendant, Assistant Master Attendant, or Queen's Harbor Master, or he must have completed 15 years' sea-service as a commissioned Navigating Officer and have performed such special services as in the opinion of the Admiralty render him deserving of promotion.

"We would represent to Your Majesty that it is not proposed to increase the number of Staff Captains at present authorized, and that consequently no additional expenditure beyond that authorized by the Regulations will be incurred by these proposals."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

RETIREMENT OF CHAPLAINS.

At the Court at Osborne, Isle of Wight,

The 5th day of February 1870.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 19th of January 1870, in the words following, viz:—

"Whereas Your Majesty was pleased, by your Order in Council of 22nd February, 1870, to establish Regulations for the Retirement of Chaplains, and Chaplains and Naval Instructors of Your Majesty's Navy: And whereas we are of opinion that it is expedient, in the interests of Your Majesty's Service, to allow such Officers to cease to serve Your Majesty at a period earlier than that laid down by the Order in Council: And whereas we are also of opinion that the services of such Officers, if of a certain duration, should not be unrecognized: We do therefore most humbly submit that Clause 6, paragraph 1, of the said Order in Council be cancelled, and that we be authorised to make the following regulations:—

"1. That any Chaplain who obtains from us permission to accept a living, or desires to retire from Your Majesty's Service, may, provided that he has not less than 10 years' service, be retired with pay on the following scales, viz:—

After 10 Years' Service £ 50 per annum.

" 15 " " " " £ 100

" 20 " " " " The amount earned by

service under Order in Council of 22nd February 1870.

"2. That Chaplains who have less than 10 years' service and accept a living, will be considered as desiring to resign Your Majesty's Service, and will accordingly not be entitled to any pecuniary retiring allowance, or to either Half or Retired Pay. The Lords Commissioners of Your Majesty's Treasury have signified their concurrence with these proposals."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein contained; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

[See Circular 29 of 1875.]

At the Court at Osborne House, Isle of Wight,

The 30th day of December 1884.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 10th day of December 1884, in the words following, viz:—

"Whereas it has always been considered, as recited in Your Majesty's Order in Council of the 26th October, 1880, that Half Pay is awarded to the Officers of Your Majesty's Fleet on the principle of its being a reward for past service as well as a retaining fee for the future; and Whereas, by certain of Your Majesty's Orders in Council, we are empowered in cases where Officers of Your Majesty's Navy have been guilty of misconduct or neglect of duty, or have incapacitated themselves for Active Service by irregular and imprudent conduct, to reduce their half pay and retired pay and pension below the rates to which they would otherwise be entitled by service, and in certain cases to retire Officers compulsorily on account of age, non-service, or physical infirmities; and Whereas we are of opinion that it is advisable to amend in some respects the provisions of the said Orders in Council and to extend in some degree the powers conferred upon us: We would humbly submit that Your Majesty will be graciously pleased to approve of the under-mentioned provisions:—

"1.—An Officer may be placed on the retired list of his rank if—

(a.) He is guilty of such repeated acts of misconduct or neglect of duty as in our opinion make him unfit for further active service.

or

(b.) He is in our opinion, after careful inquiry, unfit for further active service, through intemperate or irregular conduct or habits.

provided that his retired Pay shall in no case exceed the half pay which he was entitled to receive previous to his retirement.

"2.—Sub-Lieutenants, and Assistant Paymasters shall be liable to compulsory retirement under clause 1 of these provisions, Officers so retired shall have no claim to Half pay or Retired Pay, but shall be eligible to receive, should we see fit to award it, a gratuity not to exceed £25 for each year of service in the rank of Sub-Lieutenant or Assistant Paymaster, nor £250 in the whole.

"3.—The Retired Pay of Engineers and Assistant Engineers is to be liable to reduction in cases of misconduct, in accordance with the provisions of the Order in Council of 22nd February, 1870, sect. X. Par. 6, with respect to Navigating and Civil Officers.

"4. Officers of Coast Guard shall be liable to compulsory retirement under clause 1 of these provisions; also to such reduction of pension as would be applied to Warrant Officers who have been guilty of misconduct.

"5. Nothing in these provisions shall prejudice or affect our power to discharge or dismiss Officers, or to place Officers on reduced rates of half pay, or retired pay, nor give to any person who has been removed from Your Majesty's Service any claim to half pay, retired pay, retiring allowance, or gratuity."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

No. 20. C.W.

At the Court at Windsor,

The 27th day of November 1878.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 23rd of October 1878, in the words following, viz.:

"Whereas by Your Majesty's Order in Council of 30th April 1877, Your Majesty was pleased to sanction the compulsory retirement at the age of 45 years of Officers holding the rank of Engineer:

"And whereas we are now of opinion it may be desirable under circumstances of emergency to retain these Officers in Your Majesty's Service until they attain the age of 50 years: We humbly submit that under circumstances of emergency the present age for the compulsory retirement of officers holding the rank of Engineer may be extended to the age of 50 years, and that the optional age for retirement be 45 years.

"And in consideration of the additional service that may be required of these Officers after the age of 45 years, increased retirement be granted to them on the following scale:—

"Engineers qualified for promotion:—

"For each year's service on Full Pay after the age of 45 years 7l. 10s.

"For each year on Half Pay after the age of 45 years 3l. 15s.

Maximum to be 187l. 10s.

"For each year's service on Full Pay after the age of 45 years 6l. 10s.

"For each year on Half Pay after the age of 45 years 3l. 5s.

Maximum to be 162l. 10s.

"And further that power be reserved to us to suspend under circumstances of emergency, the above provision under which an Engineer may at his option retire at the age of 45.

"We do most humbly submit that Your Majesty will be pleased to sanction these our proposals, the expense that may be occasioned by the same being incurred in by the Lords Commissioners of Your Majesty's Treasury."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

C. L. FRY.

Order in Council of 18th August 1832.

No. 13.—N.

At the Court at Osborn House, Isle of Wight,
The 18th day of August 1832.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 7th of August 1832, in the words following, viz. :—

"Whereas, by the provisions of Your Majesty's Order in Council of 22nd February 1870, Sec. X., the retired pay of Chief Engineers, R.N. entered after 25 years of age depends on their service only, instead of on age and service combined as is the case with other Chief Engineers. Whereas the aforesaid Officers do not ordinarily reach the rank of Chief Engineer at a sufficiently early age to allow them, before they are compulsorily retired at 55 years of age, to complete the 11 years' service requisite under Sec. II. Art. 4, and Sec. IX. (note) of the said Order in Council, to enable them to reckon all junior service for increase of retired pay, and they, in consequence, receive on retirement only the active Half-pay of their rank.

"Whereas we are of opinion that, although the provision adversely affecting these Officers was designed to obviate the possibility of a high scale of retired pay being applicable to them after comparatively short service, yet it was never intended to exclude efficient Officers from all participation in the benefits of the

scale of retired pay established by Your Majesty's Order in Council of 22nd February 1870.

"And whereas Engineer Officers will not in future be entered after the age of 25: We beg to recommend that Your Majesty will, by your Order in Council, extend Clause 4 of Sec. X. of the Order in Council of 22nd Feb. 1870, so far as relates to Chief Engineers on the Active List on 1st April 1832, in the following manner, viz. :—

"Chief Engineers who entered after 25 years of age, and who have completed 8 years' service in that rank, shall, on compulsory retirement, if otherwise qualified, be granted an amount of retired pay equal to a rate of half pay based on the following provision, viz. that all confirmed Junior service shall be allowed to count for such rate of half-pay irrespective of the provisions of the scale relating to Junior Service in the Order in Council of 22nd Feb. 1870."

the effect of which will be more nearly to assimilate their retired pay with that of Officers similarly situated who entered under 25 years of age.

"We beg to observe that the Lords Commissioners of Your Majesty's Treasury have signified their concurrence in this proposal."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

In the event of the above-mentioned officers having sustained injuries on duty not nearly equivalent to the loss of limb, or being disabled by sickness contracted in the service, and not from want of proper care on their own part, an increase of not more than 10l. a year may be made to whatever Retiring Allowance may be awarded to them under the foregoing scale, provided they have not already received compensation for the same.

For ruptures and minor injuries received on duty gratuities shall be granted under Article 1976 of the Regulations, at the discretion of the Admiralty, instead of the above increase.

Whenever an application for pension on account of age, long service, or disability is made by a Chief or other Gunner, Boatswain, or Carpenter who has received a wound or injury in the service, the Captain will direct the Medical Officer to make a report, which he will forward with the application, for the information of the Admiralty, stating clearly the extent to which the injury affects the applicant, and the degree in which it incapacitates him from contributing towards his own support; if the injury was received before the 30th of August 1870, and no hurt certificate is produced, the

applicant's statement should be supported by any documentary evidence that can be produced.

In such cases the time served as Warrant Officers may be allowed to reckon as superior single petty time under Article 2010.

GOOD SERVICE PENSIONS.

The following are the established Good Service Pensions for Naval and Marine Officers:—

Flag Officers, 10 Pensions of 800 <i>l</i> . a year each, two of which may be held by Vice-Admirals, and two by Rear-Admirals qualified for promotion.		
Captains, R.N.	12 Pensions of 150 <i>l</i> . a year each.	
Medical Officers	8 " 100 <i>l</i> . "	
General Officers	5 " 200 <i>l</i> . "

Only Captains, Royal Navy, and Colonels and Lieutenant-Colonels, Royal Marines, on the *Active List* shall be eligible for the award of Good Service Pensions; but such Pensions may be granted to Flag Officers on the Retired List, Medical Officers, and to General Officers of Marines, whether on the Active, Reserved, or Retired Royal Lists; provided in the cases of Flag Officers that retirement has taken place after attaining Flag Rank, and that the retired pay together with the Good Service Pension shall not exceed the half-pay of an Admiral of the Fleet.

Good Service Pensions shall be awarded to Flag Officers and Captains for distinguished service at sea, and in determining their claims, preference shall be given, in cases of special gallantry, to officers who have commanded ships in action against the enemy.

Flag Officers and General Officers of Royal Marines in receipt of these Pensions shall be allowed to retain them after being retired; but, in the case of Flag Officers, if the Retired Pay and Good Service Pension together exceed the Half Pay of an Admiral of the Fleet, the Retired Pay shall be reduced so as to make the two together equal to that amount.

Captains retired from that rank shall be allowed to receive, in Retired Pay together with Good Service Pension, a sum not exceeding 600*l*. a year; but, should the two together exceed that sum, they will be retired on 600*l*., relinquishing their Good Service Pension.

Captains, Royal Navy, and Colonels and Lieutenant-Colonels, Royal Marines, shall forfeit their Good Service Pensions on promotion to be Flag, or General Officers, on the Active List.

Lieutenant-Colonels and Colonels of Marines to be allowed to receive in Retired Pay together with Good Service Pension a sum not exceeding 600*l*. a year, but should the two together exceed that sum they will be retired on 600*l*. a year relinquishing the Good Service Pension.

When such employment shall have ceased, the officer shall resume his Good Service Pension, although the List be full, but in such case the next vacancy shall not be filled up.

A Captain shall be allowed to draw his Good Service Pension irrespective of the receipt of Full or Half Pay or Civil Salary.

A Flag Officer shall give up his Good Service Pension if he become Governor of Greenwich Hospital or Naval Aide-de-Camp to Her Majesty.

A Naval Aide-de-Camp to Her Majesty deriving emolument from his office shall not be allowed to hold any Pension, unless it be a pension conferred for wounds or injuries received in the Service.

An Admiral of the Fleet shall not be allowed to hold any Pension, unless it be a Pension conferred for wounds or injuries received in the Service.

An officer promoted to the rank of Admiral of the Fleet on the Retired List under the provisions of the Order in Council of 22nd of February 1870, Section I. para. 7, shall, in consideration of the rank not carrying increase of Retired Pay, be allowed to retain the Good Service Pension, or if not in possession of one shall be eligible for it.

Officers generally and the efficiency of the Service will be by adopting, as far as possible, in the Royal Marines, the principle of Retirement and Promotion now established in the Army by Your Majesty's recent Royal Warrant, and by extending the system of compulsory retirement established in the Royal Marine Corps by Your Majesty's Order in Council of the 22nd February 1870, we humbly submit for Your Majesty's approval the following Scheme, which we have submitted in the form of Regulations, which have been framed with the object of providing a fair and even flow of promotion throughout the whole Corps of Royal Marines.

"After 15 years' service, a gratuity of £1,000.	
"After 12 years' service, a gratuity of £1,000.

In special cases in which the circumstances may appear to us to call for exceptional consideration, it shall be sufficient that the disability shall have been contracted in the service.

"In the case of an Officer placed upon temporary half pay in consequence of injuries caused in and by the service, We may, provided a Medical Board report that the Officer is unfit for further service, place such Officer upon permanent half pay, after not less than one

"But such Retired Allowances, by way of annuity, are only to be granted in special cases, with the consent of the Treasury, and the rates are to be made so as to coincide, as far as may be, with the principle of a pension of $\frac{2}{3}$ th of a pay at 42 years of age.

"13.—All service for the purposes of gratuity, pension, and retirements to count from the age of 30, except in the case of Officers who entered the service prior to the 1st April 1870, who, under the Order in Council of the 5th February 1872, retain the right of counting time from the age of 18 if appointed before that age, and from the date of their Commission if appointed after 18.

Whereas there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 16th of October 1876, in the words and figures following, viz:—

"Whereas we have had under our consideration certain cases in which Officers of Your Majesty's Naval and Marine Forces have been dismissed from Your Majesty's Service by Court-Martial for misconduct, or have been allowed to resign their Commissions to avoid trial by Court-Martial: And whereas such Officers are, in some cases after good service for many years, rendered destitute by being thus deprived of all professional re-

sources: We do therefore most humbly submit, that we be empowered at our discretion to grant compassionate allowances from this date, both to such Officers and also to those who may hereafter be so removed from the list of Your Majesty's Naval or Marine Forces, provided that such allowance shall in no instance exceed one-third of the amount of half-pay to which the Officer was entitled at the time of such removal, and provided also that such allowance shall not in any case exceed 100*l.* per annum.

"The Lords Commissioners of Your Majesty's Treasury have signified their concurrence with these proposals."

3.

1851.

Her Majesty, by Her Order in Council of 25th June 1851, having been graciously pleased to sanction certain arrangements proposed by the Board of Admiralty, with a view to the general benefit of the Naval Service, and, at the same time, the ultimate reduction of the present charge for half-pay, the Lords Commissioners of the Admiralty hereby give notice of the mode in which the arrangements in question will be carried into effect.

The number of Flag Officers will in future be reduced to 90, exclusive of Admirals of the Fleet: of these 31 to be Admirals, 27 Vice-Admirals, and 51 Rear-Admirals: this reduction will be effected as follows, viz. :—

These Officers will receive, as at present, the Half-pay of Rear-Admirals, but they will be allowed the same advantage of rising in rank as if they had remained on the Active List.

2nd. By awarding ten Retired Service Pensions, of 150*l.* each, to such Flag Officers as are either above 70 years of age, or are physically incapable of further Active Service, such Officers to be placed on the Reserved List, and the vacancies occasioned by death to be filled up from the Active List. These Pensions will not be held in addition to the Good Service Pension.

1866.

1. Compulsory retirement to be extended to all the Executive Lists.

2. Admirals to be retired on attaining 70 years of age, or when physically unfit for service.

3. Vice-Admirals to be retired on attaining 68 years of age, or when physically unfit for service.

4. Rear-Admirals to be retired on attaining 65 years of age, or when physically unfit for service.

5. Flag Officers, at present on the Active List, who may be retired under these Regulations, will retain all the privileges of rising in rank and pay to which they are now entitled; but no Flag Officer who has not hoisted his Flag will be considered eligible for the appointments of Vice- and Rear-Admirals of the United Kingdom, or promotion to the rank of Admiral of the Fleet.

6. The Active Flag List to be reduced to 55 :—

Admirals of the Fleet and Admirals . . .	31
(But not to be more than three Admirals of the Fleet at one time.)	
Vice-Admirals	23
Rear-Admirals	42
Total	96

This reduction to be made gradually, by only filling up two out of every three vacancies caused by the removal of Flag Officers who accept Greenwich Pensions, and by retirements from age, whether optional or compulsory. Vacancies from all other causes to be filled up as they occur. Vacancies on the List of Flag Officers on Reserved Half-pay in receipt of Service Pensions, and on the List of Flag Officers of Greenwich Hospital, will not be filled up.

7. Flag Officers at present on the Active List, who have hoisted their Flags, or been employed at the Admiralty since their promotion to Flag Rank, are to be allowed to retain their places on the Active List, if they should prefer it, but they may be placed on the Reserved List at their own request, with the consent of the Admiralty. 1847.

The plan of retirement published in the London Gazette of 1st Sept. 1845, and carried out by Her Majesty's Order in Council of 24th April 1847, provides :—

1st. That the rank of Retired Rear-Admirals shall be given, by Seniority, to such applicants from the 1*st* 6*th* Half-pay List as may be willing to accept it, with the pay of 1*l.* 5*s.* per diem, and the corresponding pension to their widows, under the usual restrictions.

2nd. An addition of 7*s.* 6*d.* per day to be given to applicants, by Seniority, from the 12*th* 6*th* and 10*th* 6*th* Half-pay Lists, being Captains of not less than 20 years' standing and 55 years of age. Officers from both Lists to be permitted to assume the title of Retired Rear-Admiral at the period when they would have obtained the Flag by Seniority had they remained upon the Active List, and (under Order in Council of 17 May 1858) to rise to the higher grades on the Flag List, according to the Seniority which they respectively held on the List of Captains. Their widows to be entitled to a pension of 110*l.* per annum, and to the pension of Rear-Admiral's widow when the rank of Retired Rear-Admiral has been attained.

3rd. The vacancies upon the 11*th* List to be filled up, in turn of Seniority, by Officers then accepting the 1*st* 6*th* per diem; but no new admissions to the 11*th* 5*th* List to be made until it is reduced below the number of 25, which it is not to exceed afterwards. The permanent Retired List to be reduced to 100, by making one appointment for every two vacancies, the first 25 Officers upon the List receiving 11*th* 5*th* per diem, and the remaining 75, 11*th* per diem, with the right of assuming the rank of Retired Rear-Admiral when entitled to it by Seniority.

1851.

The number of Captains on the Active List will be reduced to a number not permanently exceeding 25, and the reductions shall be effected as follows, viz. :—

1st. As vacancies occur on the Active List of Flag Officers, the Captain first in Seniority, who has served for his Flag, will be promoted; reserving, however, Her Majesty's undoubted right of selection. Those Captains will rise to their Flags, and who have not so served, will be placed on the Reserved Half-pay List, rising in rank as at present, but with the Half-pay only of Rear-Admirals.

2nd. By keeping up the Retirement of 1846 to the number of 200, to be effected by permitting Captains who are above 55 years of age, and who have been on the Captain's List for ten years, to be eligible for retirement. The Retirement will be so kept up to 200 until the List of Captains shall be reduced to 250; the Retired List then to be diminished by only retiring one in two vacancies until it shall be reduced to 100.

3rd. By observing the rule of promotion, as it is now in force, of promoting one in three vacancies, except in special and individual cases, until the number is reduced to 250.

1860.

All Captains who have attained, or shall hereafter attain, the age of 60, without having served in their present Rank, to be placed on a Retired List, and receive Retired Pay as follows :—

Such Officers to assume the Rank and Title of Rear-Admiral at the time they would have obtained their Flag by Seniority, had they remained on the Active List.

Captains who may arrive at the head of the List, without having served in that Rank, to be placed on the List of Reserved Flag Officers, with the pay of 30s. per diem.

Captains now on the 14s. 6d. Half-pay List not to be affected by these arrangements unless by their own desire.

1864.

1. The Active List of Captains to be reduced from 350 to 300.

2. The existing system of placing on a Retired List all Captains who may from time to time attain the age of 60 without having served in their present rank, shall be extended to Captains who may attain the age of 60 and have served a portion of but not the full sea time required to qualify them for promotion to the Active List of Flag Officers. Such Officers to receive Retired Pay as follows:

If on the 10s. 6d. Half-pay List when re-	18s. per diem.

If on the 14s. 6d. " " "	20s. "

Such Officers to assume the rank and title of Rear-Admiral at the time they would have obtained their Flag by seniority had they remained on the Active List, and then receive Retired Pay at the rate of 35s. per diem, subject, however, to the proviso contained in paragraph 8.

3. The above system of retirement to be extended to Captains who may have attained the age of 55, provided they be willing and desirous to accept the same, subject to the proviso contained in paragraph 8. When the Active List of Captains shall have been reduced to 300, no Captain shall be eligible for retirement under this clause who has not been five years on that List.

4. Captains who shall be found physically unfit for service may, at the discretion of the Board of Admiralty, be allowed to retire, irrespective of age, at the several rates of 10s. or 12s. a day, according to their standing on the List, provided they shall have served at sea in the ranks of Lieutenant, Commander, or Captain a combined period of fifteen years; and, if less than that period of service, at the rate of 10s. a day. Such Officers to be allowed to rise in rank and pay with other Captains of their standing, subject to the proviso contained in paragraph 8.

5. A limited number of Captains who may have attained the age of 55, and who are not desirous of further employment, to be allowed, at the discretion of the Board of Admiralty, to retire on the foregoing conditions, and subject to the same proviso. When the Active List of Captains shall have been reduced to 300, no further retirement of Officers to take place under this clause.

6. Captains who may arrive at their turn for promotion to the Flag List, without having served the time required to qualify them for their Active Flags, to be placed on the List of Reserved Rear-Admirals.

These Officers, and also such Officers as may, under the provisions of the Order in Council of 1st August 1860, have been already promoted to the Reserved Flag List, to be allowed pay at the rate of 35s. a day; subject, however, to the proviso contained in paragraph 8.

7. The increased rate of 25s. per diem Half-pay to be extended to Officers who, under the provisions of the Order in Council of 1st August 1860, have already attained or may hereafter attain the rank of Rear-Admiral on the Retired List, subject to the same proviso. All Officers who are either now, or who may be in future, retired under the provisions of the Order in Council of 1st August 1860, to be allowed to rise to the higher grades on the Retired Flag List, according to the seniorities which they respectively held on the List of Captains, but without receiving any further increase of Retired Pay or emolument.

8. No Officer who was not on the Active List of Captains previously to the 1st of August 1860 to be allowed more than the pay of 20s. a day on attaining the rank of Rear-Admiral, unless he shall have completed one year's service at sea in the rank of Captain.

1866.

1. Captains to be retired on attaining 60 years of age, or when physically unfit for service, on the terms of the Order in Council of 9th July 1864. Those at present on the Active List, who, before attaining the age of sixty, shall have served the necessary time to qualify them for promotion to the Active Flag List, are to be allowed to retain their places on the Active List, if they should prefer it; but no Captain will be eligible for promotion to the Active Flag List after 60 years of age, or when physically unfit for service.

2. Officers promoted to the rank of Captain after the date authorised by Her Majesty's Order in Council, to be subjected to compulsory retirement on attaining the age of 60, whether they have served or not.

3. Captains of 60 years of age who have served the necessary time to qualify them for promotion to the Active Flag List, and who remain on the Captains' List, until promoted to Rear-Admiral, to be placed on the Retired List; but will be allowed to rise by seniority to the Rank and Pay of Vice-Admiral and Admiral respectively. Captains who have served their time, but who retire voluntarily before reaching the top of the List, will not be entitled to rise to higher pay as Flag Officers than 25s. a day, in accordance with the Order in Council of 9th July 1864.

4. Captains who have not served their time for Active Flag Rank, and who have been unemployed for ten years, to be retired on the terms of the Order in Council of 9th July 1864.

5. Captains' List to be reduced gradually to 250, by filling up only two out of every three vacancies caused by age, retirements from that List, whether optional or compulsory. Vacancies from all other causes are to be filled up as they occur.

Their widows are allowed pensions of 75d. per annum if otherwise entitled thereto.

1851.

The number of Commanders on the Active List will be reduced to a number not permanently exceeding 450, and the reduction will be effected thus:—

1. By selecting 50 Commanders to be Captains, as above specified.

the number of Commanders on the Active List is reduced to 450.

3. By placing on reserved half-pay all Commanders who have not served afloat, or in the Packet or Revenue Service, within twenty years, or who are physically incapable of service, and by continuing from time to time to remove such Officers from the Active List to Reserved Half-pay. (This list was abolished in May 1863.)

GENERAL NOTES.—The Widows of Officers on the Reserved and Retired Lists only are entitled to the pensions applicable to the rank of their husbands at the date when they were last on the Active List, unless specially provided for in this Table. An exception, however, to this rule is made in the case of retired Captains when advanced to the rank of Flag Officers, whose widows are pensioned as the widows of Flag Officers. Orders in Council granting increased rates of Pension are never retrospective.

The rules for Pensions and Compassionate Allowances for Widows of Temporary Service Engineers and Assistant Engineers will be found with the other Regulations respecting these Officers.

Widow would thereby forfeit the Pension; or if her husband had been placed on permanent Half-Pay, or on the Retired List, on account of misconduct.

iii. If her husband had been guilty of any fraudulent misapplication of the public money, discovered and proved in the final settlement of his accounts.

iv. If her husband had been guilty of Bigamy; or if she had been living at the time of her husband's death in a disreputable state of separation.

v. If her husband died in the service of a Foreign State, unless serving with the permission of the Admiralty.

vi. If she had not been married Twelve Months to the Officer by whose right she claims the Pension, unless the said Officer was killed or drowned in an immediate act of duty. The Admiralty may, however, grant the Pension in cases of Officers dying before the expiration of Twelve Months from the time of their marriage, but only if satisfactory evidence is produced to show that the marriage did not take place under any circumstances which would imply that there was any fraud in the transaction, or any improper intention of obtaining the Pension for the Widow; and provided it be clearly shewn that the Officer was in good health when he married, and that the disease which occasioned his death was not brought on by any misconduct, or by any circumstances over which he had control.

vii. If she shall receive any other Pension, Provision, or Allowance from the Government on account of her husband's services in a Naval or Military capacity; but Widows in receipt of Pensions from the Civil List are not deprived of their Naval Pensions on account thereof; and Widows who, in consequence of second marriage, may be eligible for either a Navy or an Army Pension, may elect to receive that which is most advantageous to them.

viii. If her private income exceeds the confidential scale fixed by the Admiralty as the limit for the rank last held by her husband; observing that the Widows of Commanders retired with the rank of Captain, Lieutenants retired with the rank of Commander, and so on, may enjoy the private income applicable to the higher rank without forfeiting their Pensions thereby.

ix. If the marriage took place subsequent to the Officer commuting his Retired Pay, or if the Officer, after having commuted, removed his name from the List of the Navy, although the marriage may have taken place before such commutation.

8. The Pensions of Widows whose private incomes may, after their Pensions have been awarded, increase beyond the limit fixed from time to time by the Admiralty for the rank last held by their husbands, shall be suspended as long as their private incomes exceed such limit; but may be restored again in the event of their private incomes decreasing within the limit.

9. The Widows of Commissioned Officers (except Chaplains) who shall have married after the 31st of December, 1830, are only entitled to the Pensions of their respective classes. In the event of their Husbands having ten complete years' seniority as Commissioned Officers, except the Husband be killed in action, or lose his life in the execution of the Service. If, however, the Officer had five years' seniority, was in good health when he married, and it be clearly shewn that the disease which occasioned his death was not brought on by any misconduct, or by any circumstances over which the Officer himself had control, the Admiralty may award Pensions in such cases as they think proper.

The Widows of Chief and other Gunners, Boatswains, and Carpenters, are only entitled to Pensions in the event of their Husbands having been warranted for a period of one year (acting time, immediately before confirmation, included) and provided they shall have been confirmed in the rank of Warrant Officer.

10. The Widow of a Chaplain shall not receive a Pension unless her Husband's name was on the List at the time of his death, nor unless she shall have been married during or prior to her Husband's service in the Navy, nor unless her Husband shall have served One Year on Full-Pay subsequent to their marriage, and shall have served Three Years on Full Pay.

11. If, however, he had completed Ten Years' Service on Full Pay, a Pension may be granted, although no portion of such service shall have been subsequent to their marriage, provided the Widow is otherwise eligible.

12. The Pensions of Widows who shall have re-married prior to the 31st of December, 1830, shall be paid to themselves, and their receipts shall, notwithstanding their coverture, be deemed a sufficient discharge for the payment of their Pensions.

13. In all cases of a Widow re-marrying, since 31st December, 1830, her Pension shall be suspended from the date of her re-marriage; but, in the event of her again becoming a Widow, her Pension may be restored, upon proof being adduced to the Admiralty that her private income does not exceed the limit fixed from time to time by the Admiralty for the rank last held by her husband, and that she is otherwise deserving the Public Bounty, but it will be again liable to suspension during future re-marriage.

14. If a Widow, in consequence of re-marriage, either before or after the 31st December, 1830, by a Naval or Marine Officer, becomes again eligible for a Pension from naval funds, she may either revert to her first Pension, or be granted the Pension for which her second marriage rendered her eligible, whichever is most to her advantage.

15. Every Officer, whether on Full, Half, or Retired Pay, shall, in order to facilitate the decision upon the claim of his Family, after his decease, to the benefit of these Regulations, notify his marriage within one month of its taking place, to the Admiralty, according to the Form given.

16. With respect to marriages contracted in Scotland, none will be admitted, for the purposes of these Regulations, which cannot be proved either by an extract of the Register of the Kirk Session, or other legal record of the place in which the marriage shall have been celebrated, or by an acknowledgment of a Marriage to be transmitted to the Admiralty, made and subscribed by the parties themselves in Scotland, in presence of a Magistrate, according to the Form given or a Decree of Declaration of Marriage.

17. The Widows of Officers on the Reserved and Retired Lists are only eligible for the Pension applicable to the rank of their husbands at the date when they were last on the Active List, except in the case of Retired Captains advanced to the rank of Flag Officers, whose Widows are pensioned as the Widows of Flag Officers.

18. *Widows of Marine Officers.*—The General Rules for the grant of Pensions to the Widows of Naval Officers are applicable to the cases of Widows of Marine Officers, except where otherwise stated in these Regulations.

In computing the period on the list of Commissioned Officers necessary to render Widows eligible for Pensions, in the case of Marine Officers who have been promoted from the ranks, three years in the ranks shall be allowed to reckon as two years in commission towards such

qualifying period; and if under this rule the time is still insufficient, the Admiralty may, at their discretion, award a Pension notwithstanding, provided the actual service in all ranks amounts to the period required in the cases of other Officers.

The Widows of Marine Officers who held Brevet or Honorary Rank on the Active List shall be granted the Pension applicable to that rank. The Widows of Marine Officers who were given an honorary rank on or after retirement shall only be entitled to the Pension applicable to the substantive rank of the Officer when last on the Active List.

19. *Widows and Children of Officers killed in Action.*—Gratuities, under the following regulations, shall be allowed, as Her Majesty's Royal Bounty, to the Widows and Orphans of such of the Officers mentioned in Article 1, as may be slain in the Queen's Service, in fight with the enemy, pirates, or smugglers, or in encounters with the Ships of friends by mistake, or in quelling disturbances on shore or afloat; and persons dying of their wounds within six months shall be considered as persons slain, viz.:—

1. To a Widow, a Gratuity equal to a year's Full-Pay of the rank which her husband held at the time of his death.

2. To each Orphan (who shall not be married, nor be of the age of twenty-one at the time of the father's death), one-third of the Gratuity to the Widow; posthumous children shall be considered as orphans.

In the calculation of these Gratuities, the Officer's Command Money and other Full-Pay allowances, except Table Money, shall be included.

3. In the case of an Officer killed in action, or dying from wounds received in action within six months, and not leaving a Widow, but leaving a Daughter or Daughters only, an annual Allowance, equal to the ordinary rate of Widows' Pension may, under special circumstances, be granted, instead of the Compassionate Allowance, to such Daughter or Daughters collectively. Such Allowances may be continued until the Daughter, or the last survivor of them, in case there be more than one, may become disqualified by marriage or otherwise.

4. *Children of Officers.*—Allowances on the Compassionate List to the legitimate Children of deceased Commissioned Officers, may be given in those cases in which the rank of the Officer would render his Widow eligible to be placed on the Pension List; provided it be shewn that the Children have no other Allowance, Pension, or Provision from the Government (except in the case of Boys under the age of eighteen who may be serving as Subordinate Officers in the Navy), and that their pecuniary circumstances, and those of their family, are so limited that they actually require assistance from the Compassionate Fund.

5. The claims of the Children will be considered according to the length, nature, and merit of the services performed by the Father; and as far as the decision upon claims can be governed by Regulation, in the following order, viz.:—

1st. Children of Officers killed or drowned on duty.

2nd. Children of Officers dying from illness contracted in the Service.

3rd. Orphans having neither Father nor Mother.

4th. Children of Officers dying on Foreign Service.

5th. Children of Officers dying on Full-Pay at Home.

6th. Children of Officers dying on Half-pay, and on the Reserved and Retired Lists.

21. The Allowances granted to the Sons of Officers may be continued until they attain the Age of Eighteen, or are otherwise previously provided for; and those to the Daughters may be continued until they marry, or attain the Age of Twenty-one, whichever shall first happen, and no longer; except in very special cases, in which it shall be shown that such Sons or Daughters are afflicted with any mental or bodily infirmity, rendering them incapable of making any exertion for their own support; and that they are still in distressed circumstances.

22. Children who are being educated at the expense of Greenwich Hospital may be granted the additional Compassionate Allowances applicable to their Father's rank, provided real poverty is proved to exist.

Compassionate Allowances may be drawn by Boys serving as Naval Cadets, or in other subordinate capacities in Her Majesty's Service, provided neither they nor their mothers have any private income.

23. All persons alluded to in Article 21 who are in receipt of 30*l.* a year from other sources, or whose Mothers have been refused Pensions on account of private income, are considered ineligible for Compassionate Allowances under ordinary circumstances.

event of a Widow re-marrying, her Children marriage are still eligible for Compassionate Allowances, provided they are otherwise qualified to do so.

Compassionate Allowances are granted for the year ending 1st January, but are not payable till after the 1st April.

Men who were born after their Fathers commencing Retired Pay, are not eligible to be placed on the Compassionate List.

The aggregate amount of the Allowances to the Officer shall not exceed, in ordinary cases, the amount of the Half-Pay of his Rank and Standing at his death. In the case of an Officer whose services are attributable to the Service, the aggregate amount payable to his Family shall not exceed 100% of the amount of the Half-Pay of his Rank at the time of his death.

Every officer commanding in any port in the Manner of Prize shall share in the proceeds of any prize captured from the enemy or in other captures, seizures,

rewards, or any distributive proceeds as aforesaid, made by any ships or vessels which shall sail from or leave such port by order of the Lord High Admiral, or of our Commissioners for executing the Office of Lord High Admiral.

That when ships or vessels under the command of several flag officers belong to separate stations shall be joint captors, &c., each flag officer shall receive a proportion of the one-thirtieth part, according to the number of officers and men present under the command of each such flag officer; and when ships or vessels under orders from the Lord High Admiral, or from our Commissioners for executing the Office of Lord High Admiral, are joint captors, &c., with other ships or vessels under a flag or flags, the like regulations as to the apportionment of the flag share to the flag officer or officers are to be observed.

With reference to flag officers it is to be noted,—

That when an inferior flag officer is sent to reinforce a superior officer on any station, the superior flag officer shall not share in any prize taken by the inferior flag officer before he has arrived within the limits of that station, unless the inferior officer shall have received some order directly from, and shall be acting in execution of some order issued by such superior flag officer.

No chief flag officer quitting any station, except upon some definite urgent service, and with the intention of returning to the station as soon as such service is performed, shall share in any prize taken by Our ships or vessels left behind after he has passed the limits of the station, or after he has surrendered the command to another flag officer appointed by the Admiralty to command in chief upon such station.

An inferior flag officer quitting any station (except when detached by orders from his commanders-in-chief upon a special service, accompanied with orders to return to such station as soon as the service has been performed) shall have no share in prizes taken by the ships and vessels remaining on the station after he has passed the limits thereof.

In like manner flag officers remaining on such station shall not share in the prizes taken by such inferior officer, or by ships or vessels under his immediate command, after he has quitted the limits of the station, except he has been detached as aforesaid.

A commander-in-chief or other flag officer belonging to any station shall not share in any prize or prizes taken out of the limits of that station by any ship or vessel under the command of a flag officer of any other station, or under orders from our Commissioners of the Admiralty, unless such commander-in-chief or flag officer is expressly authorised by Our said commissioners to take the command of that station in which the prize or prizes are taken, and shall actually have taken upon him such command.

Every commodore having a captain under him shall be esteemed a flag officer with respect to the thirtieth part of prizes taken, whether he be commanding-in-chief or serving under command.

The first captain to the Admiral and commander-in-chief of Our fleet, and also the first captain to any flag officer appointed to command a fleet of ten ships of the line upwards, shall be deemed to be a flag officer for the purpose of sharing in prize, and shall be entitled to share therein as the junior flag officer of such fleet.

Any officer on board any of Our ships of war at the time of capturing any prize or prizes who shall have more commissions than one shall be entitled only to share in such prize or prizes according to the share allotted to him by the above-mentioned distribution in respect of his superior commission or office.

And with reference to these regulations it is to be noted that a captain, commander, or other commanding officer of a ship or vessel shall be deemed to be under the command of a flag when he shall actually have received some order from, or be acting in the execution of some order issued by a flag officer, whether he be or be not within the limits of the station of such flag officer; and in the event of his being directed to join a flag officer on any station he shall be deemed to be under the command of such flag officer from the time when he arrives within the limits of the station which circumstance is always

to be carefully noted in the log-book : and it shall be considered that he continues under the flag officer of such station until he shall have received some order directly from, or be acting in the execution of some order issued by some other flag officer duly authorized, or by the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral.

And We hereby direct, that the captain, commander, lieutenant commanding, staff commander commanding, navigating lieutenant commanding, or any other officer duly commanding any ship, sloop, or vessel of war, singly making a capture or seizure, or otherwise entitled to the distributive benefit arising from any proceeds, reward, grant, bounty, salvage, or other award as aforesaid, that is to say, the officer actually in command at the time, shall have one-tenth of the remainder, or, if there is no flag, one-tenth of the entire net proceeds, except that if the single capturing ship be a rated ship having a commander under the captain the commander shall take a portion of the one-tenth part as if he were commander of a sloop according to the proportion herein-after set forth ; and if more than one commanding officer of the same rank of command shall be entitled to share as joint captors, &c., the one-tenth shall be equally divided between them ; but when captains, commanders, lieutenants, staff commanders, and navigating lieutenants, commanding respectively Our ships and vessels of war, and commanders under captains in rated ships, shall share together, in whatever variety of combination, the one-tenth shall be so divided into parts for a graduated apportionment as to provide for each captain receiving six parts, each commander of a sloop, or commander under the captain in a rated ship, three parts, and each lieutenant commanding, staff commander commanding, or navigating lieutenant commanding, or other officer actually commanding, a small vessel of war, two parts, which We hereby direct shall be the proportion in which they shall respectively share ; commodores of the second class, and field officers of marines (artillery or light infantry) or of land forces serving as marines, doing duty as field officers, above the rank of major, to share as captains, and field officers of marines (artillery or light infantry) or of land forces serving as marines, and doing duty in the rank of major, to share as commanders of sloops. And We further direct, that after provision shall thus have been made for the flag share (if any), and for the portion of the commanding officer or officers and others as above specified, the remainder of the net proceeds shall be distributed in ten classes, so that each officer, man, and boy composing the rest of the complements of Our ships, sloops, and vessels of war, and actually on board or absent on duty in a prize (who it is Our will and pleasure shall be the only absentees entitled to share) at the time of any such capture, seizure, &c., as aforesaid ; and every person present and assisting shall receive shares, or a share, according to his class, as set forth in the following scale :—

All candidates must produce certificates to the satisfaction of the examining Medical Officers that they have been revaccinated, or they must be revaccinated, before they can be considered eligible for entry into the Dockyard.

FLEET CIRCULAR No. 39.—N.

Admiralty, 9th December 1884.

(FOREIGN LANGUAGES.)

My Lords Commissioners of the Admiralty, having regard to the desirability of encouraging officers to acquire a colloquial knowledge of Foreign Languages, are pleased to lay down the following Regulations, &c.

1. The marks assigned for French at the Examination of Acting Sub-Lieutenants at the Royal Naval College, Greenwich, will be raised from 100 to 200; the total qualifying number for each class, and the minimum number required to be obtained at the College to qualify for a Lieutenant's Commission under Circular No. 1, N., of 1st February 1884, being increased. This rule is to take effect at the first Examination in 1885, and will therefore apply to the Acting Sub-Lieutenants who entered the College in June 1884.

2. Commissioned Officers of the Military Branch, and other Officers now eligible for Examination for Interpréter in European Languages, will be allowed, if the requirements of the Service admit, to proceed to the extent for three months for the purpose of improving their colloquial knowledge of the French, German, Spanish, or Italian Languages.

3. Before being allowed to avail himself of this privilege, an Officer will be required either to satisfy the Civil Service Commissioners that he possesses an adequate grammatical knowledge of the Language which he has selected, or, if he has studied the Language at the Royal Naval College, to obtain a certificate to the same effect from the College Examiner.

4. On return to England, the Officer will be examined by the Civil Service Commissioners as to his colloquial knowledge, both as regards speaking, and readiness in interpreting the Language which he has studied.

5. If able to pass a satisfactory examination, he will be allowed full pay and harbour time for the three months of study abroad, but he will not receive any allowance for victuals, nor any other allowance in addition to full pay.

6. The privilege of study abroad will not be granted to any Officer more than once for the same Language.

7. The regulations contained in paragraphs 2 to 6 are provisional only, and the question of their continuance will be considered after 12 months' experience of their working.

By command of their Lordships,
EVAN MACGREGOR.

MEDALS AND ANNUITIES FOR CONSPICUOUS GALLANTRY IN ACTION.

MEDALS AND ANNUITIES FOR CONSPICUOUS GALLANTRY IN ACTION.

By Order in Council, dated the 7th July 1874, a Silver Medal has been established for such Petty Officers and Seamen of the Royal Navy, and Non-commissioned Officers and Privates of Royal Marines, as may at any time distinguish themselves by acts of conspicuous gallantry in action with the enemy.

This Medal may, at the discretion of the Lords Commissioners of the Admiralty, be accompanied by the grant of an annuity (not exceeding £20) in the cases of Chief and First-Class Petty Officers of the Navy and

Sergeants of Royal Marines, provided the amount authorised from time to time for such annuities, by the Lords Commissioners of Her Majesty's Treasury, is not exceeded.

As these rewards are intended for such men only as shall have rendered themselves individually conspicuous by some special act of pre-eminent gallantry in action with the enemy, great care is to be taken that the cases of the men recommended come strictly within the spirit of the Order in Council; and that the case of each man be accompanied by a full statement of the grounds on which his claim to this distinction is founded.

REGULATIONS FOR ENTRY OF OFFICERS IN THE ROYAL NAVAL RESERVE.

ORDER IN COUNCIL, MARCH 1, 1884.

At the Court of Windsor,
the 1st day of March 1884.

Present:

The QUEEN'S Most Excellent Majesty in Council.

Whereas by the Act twenty-four and twenty-five Victoria, chapter one hundred and twenty-nine, Her Majesty was empowered to avail herself of the services of certain number of Officers of the Merchant Service of the United Kingdom, and of the Colonies and Dependencies of Great Britain, as Officers of Reserve to the Royal Navy; and whereas certain Regulations have been made under the said Act, and in pursuance of the said

Act and of the said Regulations made thereunder, a considerable number of such Officers have been enrolled as Officers of Reserve; and whereas by the Officers of Royal Naval Reserve Act, 1863, twenty-six and twenty-seven Victoria, chapter sixty-nine, it is enacted as follows, viz.:

"1. It shall be lawful for Her Majesty to accept from time to time the offers of any persons who have been, are, or shall be Masters, Mates, or Engineers of Ships in the Merchant Service aforesaid, or of other British Ships not belonging to Her Majesty, or of any persons who have been Commissioned Officers, Masters, or Engineers in the Indian Naval Force of Her Majesty, or in the Naval Force of the East India Company, to serve as Officers of Reserve to the Royal Navy, upon such terms and conditions as to Her Majesty may from time to time seem fit.

"2. The Lord High Admiral, or the Commissioners for executing his office, herein-after called the Admiralty, may enrol as Officers of Reserve to the Royal Navy so many of such persons as aforesaid as the Admiralty may from time to time deem expedient, under and subject to such rules, orders, and regulations as the Admiralty may, with the consent of Her Majesty in Council, from time to time establish; and such persons so enrolled shall bear such rank in respect to the Officers of the Royal Navy as the Admiralty may from time to time direct, and shall when called out for training or exercise, or on actual service, be subject to all the laws, regulations, and customs for the time being in force for the government and discipline of the Royal Navy.

"3. Such persons so enrolled as Officers of Reserve shall be entitled to receive such pay and allowances as the Admiralty, with the consent of Her Majesty in Council, may from time to time appoint; and if any such person is disabled or receives any hurt or wound in actual service, he shall be entitled to the same allowance or pension in respect thereof as an Officer of the Royal Navy of corresponding rank would be entitled to under similar circumstances; and if any such person is killed in action, or dies from any wound or accident resulting from the performance of his duty, his widow (if any) shall be entitled to the same pension as the widow of an officer of the Royal Navy of corresponding rank would be entitled to under similar circumstances.

"4. It shall be lawful for Her Majesty to continue the services of all persons who have been enrolled as Officers of Reserve to the Royal Navy before the passing of this Act, and the services of all such persons shall be deemed to be continued by Her Majesty as if this Act had not been passed, unless and until Her Majesty thinks fit to discontinue the same.

"5. All rules, orders, and regulations relating to persons enrolled as Officers of Reserve to the Royal Navy made before the passing of this Act by the Admiralty, with the consent of Her Majesty in Council, shall, with respect to all persons enrolled before the passing of this Act, continue in force as if this Act had not been passed, and shall also extend and apply, as far as may be (mutatis mutandis), to all persons so enrolled after the passing of this Act, but so that any rules, orders, and regulations made as aforesaid from time to time under this Act may repeal or alter all or any part of any rules, orders, and regulations made before the passing of this Act, and shall, unless otherwise expressed, extend and apply as well to persons so enrolled before the passing of this Act as to persons so enrolled after the passing of this Act.

"6. On the passing of this Act the Act of the Session of the twenty-fourth and twenty-fifth years of Her Majesty (chapter one hundred and twenty-nine), to enable Her Majesty to accept the services of Officers of the Merchant Service as Officers of Reserve to the Royal Navy, shall be repealed; but this repeal shall not affect the past operation of the said Act, or the validity of anything already done, or any right, title, obligation, or liability already accrued thereunder."

And whereas the Lords Commissioners of the Admiralty have submitted for the approval of Her Majesty the Regulations appended to this Order, as Regulations proper to be substituted for the Regulations hitherto in force under the Act twenty-four and twenty-five Victoria, chapter one hundred and twenty-nine:

Now, therefore, Her Majesty is pleased to direct that the said Regulations appended to this Order shall take effect from the date hereof.

Instead of the bullion loop on the cocked hats, the loops to be formed of two gold braids, twisted the same as for coat sleeves.

The badge for the caps to consist of a device similar to that on the epaulettes, embroidered on blue cloth and surmounted by a crown.

The plate for the sword-belt to be the same as for Officers of the Royal Navy, substituting the letters "R.N.R." for the anchor in the centre.

Drill.

Lieutenants and Sub-Lieutenants on the Active List of the Royal Naval Reserve will be required to undergo in each year a course of twenty-eight days' drill and gunnery instruction on board one of the District Drill Ships, or if absent from England above a year, and unable to take their drill on board a Drill Ship they may perform it on board one of Her Majesty's ships abroad having a Gunnery Lieutenant.

But on a special report being made to the Lords Commissioners of the Admiralty by the Commanders of such Drill or Gunnery Ship in the United Kingdom, or by the Captain of such ship abroad, to the effect that a Lieutenant or Sub-Lieutenant of the Reserve is competent to instruct and drill men of the Reserve, then such Lieutenant or Sub-Lieutenant will be required to undergo seven days' test drill each year, and if such test drill is performed to the satisfaction of the officer superintending the drill, the further twenty-one days will be dispensed with; but if the seven days' test drill is not satisfactory, the further twenty-one days' drill must be performed.

Messing.

Officers, whilst on drill, will live on shore, and receive the following subsistence allowance, viz.:

Lieutenants	10s. a day.
Sub-Lieutenants	7s. a day.

All Officers called out for service will mess with Officers of their respective ranks in the Royal Navy.

* For Uniform of Honorary Paymasters and Honorary Assistant Paymasters, see next page.

Discipline.

Officers will be subject to naval discipline when attending drill, and when called out for actual service; and will also at any time whilst belonging to the Reserve be liable to lose their Commissions for conduct unbecoming the character of Her Majesty's service, at the discretion of the Lords Commissioners of the Admiralty. They are expected to provide themselves with a copy of the Queen's Regulations and Admiralty Instructions.

Service Afloat.

Officers of the Royal Naval Reserve will be called out for actual service by Royal Proclamation; and they will be liable to serve during the continuance of any national emergency, or until they may be regularly discharged by the direction of the Lords Commissioners of the Admiralty.

Pay and Allowances, and Pensions to Widows.

Officers will, whilst called out on actual service, receive the pay of their corresponding ranks in the Royal Navy.

Officers who may receive hurts or wounds whilst on active service in the Royal Navy, or whilst undergoing drill, will receive the same pensions and allowances to which Officers in the Navy would be entitled under similar circumstances.

Widows of Officers who, whilst on actual service, may be killed in action, or die from accident resulting from the performance of their duty, will receive the same pensions as the widows of Naval Officers of corresponding rank would be entitled to under similar circumstances.

Repeal.

All Rules, Orders, and Regulations made in pursuance of the Act twenty-four and twenty-five Victoria, chapter one hundred and twenty-nine, shall be repealed from the date when these Regulations come into operation; but this repeal shall not affect the validity of anything already done, or any right, title, obligation, or liability already accrued thereunder.

"Whereas Your Majesty was graciously pleased by Your Order in Council of 15th October 1872 to establish the rank of Midshipman in the Royal Naval Reserve; and whereas it has in our opinion become advisable to take provision for the promotion of the most deserving of these Midshipmen to the higher rank of Sub-Lieutenant although not fully qualified for that rank under existing Regulations, and for the removal from the list of the Royal Naval Reserve of those Midshipmen who

have either failed to obtain the Certificates in the Merchant Marine suitable to their age, or to keep up their drills. We most humbly submit that Your Majesty may be graciously pleased by Your Order in Council to establish the following regulations:

They will accommodate themselves to the berthing and messing arrangements usual for the Seamen of the Royal Navy.

In order to enable the Admiralty to judge the qualifications of the persons recommended, the Commanding Officer will forward, with his recommendation, a statement giving the name, age, residence, place of education, and occupation or profession of the Candidate as well as a Medical Officer's Certificate, stating that the Candidate is in good health, and fit to perform the duties of an Officer.

The name of each Officer and Candidate who may be examined must first be submitted to the Admiralty by the Commanding Officer of the vessel with the name of the Port at which the Examination to be held. If the application is approved, the Candidate must apply personally at a Mercantile Marine Office to fill in the form of application, Exn. 2, and pay the usual fee required by the Regulations.

He will be required to find the true meridian altitude of the sun, and the true longitude from a given departure by any method; also to find the course and distance from one point to another by Mercator's method. He will be required to find the time of high water at a given port, and calculate the amplitude of the sun, and the error of the ship's compass therefrom, and the variation, the variation being given. He must find the daily rate of the chronometer from a given time, and to find the longitude from altitude by the usual methods. He will be required to find the bearing of the sun, and the error of the ship's compass from an observed azimuth of the sun, both from the sun and also from the "Time Azimuth Tables," and to find the variation given compute the deviation; to find the true bearing of the sun from a single altitude of the sun off the ship, and also to ascertain the true bearing of the sun from the ship's position by Sumner's method by projection; must be able to compute the latitude from the altitude of a star, &c.; he must be able to find

the magnetic bearing from equidistant compass bearings of any fixed object when at sea, and compute the deviation therefrom. He must construct a deviation curve upon a "Napier's" diagram which will be furnished by the examiner, and understand the practical application of the same, and give written answers to certain practical questions on the effect of the ship's iron upon the compasses, the method of determining the deviation, and compensating same by magnets and soft iron. He must also be conversant with the use of Mercator's chart, and be able to find on either a "true" or "magnetic" chart, the course to steer and the distance from one given position to another; and find the ship's position on the chart from cross bearings of two objects; from two bearings of the same object, the course and distance between the bearings being given; also the distance of ship from the object at the time of taking the second bearing. He will be required to find the course to steer by compass in order to counteract the effect of a given current, and to find the distance the ship will make good towards a given point, in a certain time, and to work out practically the correction to apply to soundings taken at a given time and place, to compare with the depth marked on the chart. REGULATIONS RESPECTING FOREIGN ORDERS.

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear that insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field, or unless he shall have been actually and entirely employed beyond Her Majesty's dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The Intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited to the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on any such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a notification thereof shall be inserted in the "Gazette," stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission,

may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's license and permission does not authorize the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of Her Majesty's Realm.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher class of the same order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

Foreign Office, May 10th, 1856.

REGULATIONS RESPECTING FOREIGN MEDALS.

1. Applications for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British Subjects in the Army or in the Navy, for military or for naval services should be addressed, as the case may be, to the Commander-in-Chief, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs, for Her Majesty's sanction; upon obtaining which they may grant such permission without any other formality.

2. Any British Subject is at liberty to accept and wear a Foreign Medal, not being the Decoration of a Foreign Order, bestowed by competent authority for acts of bravery in saving human life. An Officer, Soldier, Marine, or Sailor must, however, first obtain permission from the Commander-in-Chief, or the Lords of the Admiralty, as the case may be.

3. No permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

Foreign Office, Jan. 1870.

CLARENCE DOR.

THE VICTORIA CROSS.

FORA R.

We, taking into Our Royal consideration that there is no means of adequately rewarding the individual services either of Officers of the lower ranks of Our Naval and Military Service, or of Warrant Officers, Seamen, and Marines, in our Navy, and commissioned Officers and Soldiers in Our Army, whereas the Third Class of Our Most Honourable Order of the Bath is limited, except in very rare cases, to the higher ranks of both Services, and the award of medals, both in our Navy and Army, is only for long service or meritorious conduct, rather than for bravery in action or distinction before an enemy, we have alone excepted where a general medal is awarded for a particular action or campaign, or a clasp to the medal for some especial engagement, in both cases all share equally in the boon, and those whose valour have particularly signalled themselves remain undistinguished from their comrades. The purpose of attaining an end so desirable as rewarding individual instances of merit and valour, we have instituted and created, and by these for Us, Our Heirs and Successors, institute and create a new Naval and Military Decoration, which We should be highly prized and eagerly sought by Officers and Men of Our Naval and Military Services, and are graciously pleased to make, ordain, and establish the following rules and ordinances for the award of the same, which shall from henceforth be observed and kept:

—It is ordained, that the distinction should be awarded to the "Victoria Cross," and shall be a Medal of the Cross of Bronze, with our Royal Crest on the obverse, and underneath which an escroll, bearing the motto "For Valour."

—It is ordained, that the Cross shall be suspended from the left breast by a blue riband for the Navy, and a red riband for the Army.

—It is ordained, that the names of those upon whom the Cross may be conferred the Decoration shall be published in the "London Gazette," and a registry kept in the office of Our Secretary of State for the Colonies.

—It is ordained, that anyone who, after having received the Cross, shall again perform an act of valour, if he had not received such Cross, would entitle him to it, such further act shall be recorded and attached to the riband by which the Cross is awarded, and for every additional act of bravery an additional Bar may be added.

—It is ordained, that the Cross shall only be awarded to those Officers or men who have served Us in the face of the enemy, and shall have then performed an act of valour, or devotion to their country.

—It is ordained, with a view to place all persons on an equal footing in relation to eligibility for the Cross, that neither rank, nor long service, nor any other circumstance or condition whatsoever, shall be a bar to the award of the Cross, the merit of conspicuous bravery, shall be the sole and sufficient claim to the honour.

—It is ordained, that the Decoration may be conferred in the spot where the act to be rewarded by the Cross has been performed, under the circumstances:—

—In the Fleet or Army, in which such act has been performed, under the eye and command of an Admiral or Officer commanding the Forces.

—In the Naval or Military forces under the eye and command of an Admiral or Commodore commanding a fleet or detached naval force, or of a General commanding a corps, or division or brigade on a distant service, when such Admiral, Commodore, or General, or Officer shall have the power of conferring the Cross on the spot, subject to confirmation by Us.

—It is ordained, where such act shall not be performed in sight of a Commanding Officer, then the claimant for the honour shall prove the satisfaction of the Captain or Officer commanding the ship, or to the Officer commanding the force to which the claimant belongs, and such Officer shall report the same through the usual channel to the Admiral or Commanding Officer of the force employed on the service, who shall report the same to the Secretary of State, who shall report the same to Us, and shall also forward such description and attestation of the act

as he may think requisite, and on approval shall recommend the grant of the Decoration.

Ninthly.—It is ordained, that every person selected for the Cross, under rule seven, shall be publicly decorated before the Naval or Military force or body to which he belongs, and with which the act of bravery for which he is to be rewarded shall have been performed, and his name shall be recorded in a General Order, together with the cause of his especial distinction.

Tenthly.—It is ordained that every person selected under rule eight shall receive his Decoration as soon as possible, and his name shall likewise appear in a General Order as above required, such General Order to be issued by the Naval or Military Commander of the Forces employed on the service.

Eleventhly.—It is ordained that the General Orders above referred to shall from time to time be transmitted to Our Secretary of State for War, to be laid before Us, and shall be by him registered.

Twelfthly.—It is ordained that as cases may arise not falling within the rules above specified, or in which a claim, though well founded, may not have been established on the spot. We will, on the joint submission of Our Secretary of State for War and of Our Commander-in-Chief of Our Army, or on that of Our Lord High Admiral or Lords Commissioners of the Admiralty in the case of the Navy, confer the Decoration, but never without conclusive proof of the performance of the act of bravery for which the claim is made.

Thirteenthly.—It is ordained that, in the event of a gallant and daring act having been performed by a squadron, ship's company, a detached body of Seamen and Marines not under fifty in number, or by a brigade, regiment, troop, or company, in which the Admiral, General, or other Officer commanding such forces, may deem that all are equally brave and distinguished, and that no special selection can be made by them; then, in such case, the Admiral, General, or other Officer commanding, may direct, that for any such body of Seamen or Marines, or for every troop or company of Soldiers, one Officer shall be selected by the Officers engaged for the Decoration; and in like manner one Petty Officer or Non-Commissioned Officer shall be selected by the Petty Officers and Non-Commissioned Officers engaged; and two Seamen or Private Soldiers, or Marines, shall be selected by the Seamen, or Private Soldiers, or Marines, engaged respectively, for the Decoration; and the names of those selected shall be transmitted by the Senior Officer in command of the Naval force, brigade, regiment, troop, or company, to the Admiral or General Officer commanding, who shall in due manner confer the Decoration as if the acts were done under his own eye.

Fourteenthly.—It is ordained that every Warrant Officer, Petty Officer, Seaman, or Marine, or Non-Commissioned Officer or Soldier, who shall have received the Cross shall, from the date of the act by which the Decoration has been gained, be entitled to a Special Pension of Ten Pounds a year, and each additional Bar conferred under rule four on such Warrant or Petty Officers, or Non-Commissioned Officers or Men, shall carry with it an Additional Pension of Five Pounds per annum.

Fifteenthly.—In order to make such additional provision as shall effectually preserve pure this most honourable distinction, it is ordained, that if any person on whom such distinction shall be conferred, be convicted of treason, cowardice, felony, or of any infamous crime, or if he be accused of any such offence and doth not after a reasonable time surrender himself to be tried for the same, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and the Pension conferred under rule fourteen shall cease and determine from the date of such Warrant. It is hereby further declared that We, Our Heirs and Successors, shall be the sole judges of the circumstance demanding such expulsion; moreover, We shall at all times have power to restore such persons as may at any time have been expelled, both to the enjoyment of the Decoration and Pension.

Given at our Court at Buckingham Palace, this twentieth day of January, in the nineteenth year of Our reign and in the year of our Lord one thousand eight hundred and fifty-six.

By Her Majesty's Command,

PANMURE.

QUALIFICATIONS FOR THE VICTORIA CROSS.

Whereas doubts have arisen as to the qualification required for the decoration of the Victoria Cross: And whereas the description of such qualification in our warrant of 26th January 1856 is not uniform:

Our will and pleasure is that the qualification shall be "conspicuous bravery or devotion to the country in the presence of the enemy," and that our warrant of 26th January 1856 shall be read and interpreted accordingly.

It is Our further will and pleasure that officers and men of our auxiliary and reserve forces (Naval and Military) shall be eligible for the decoration of the Victoria Cross under the conditions of Our said warrant, as amended by this Our warrant.

Given at Our Court at Osborne, this 3rd day of April 1881, in the 44th year of Our Reign.

By Her Majesty's command,
HUGH C. E. CHUBB.

THE ROYAL RED CROSS.

VICTORIA R.

WHEREAS We have been pleased to take into Our consideration the services rendered by certain persons in nursing the sick and wounded of Our Army and Navy, and have resolved specially to recognise individual instances of special devotion in such service; Now, for the purpose of attaining this end, We have instituted, constituted, and created, and by these presents for Us, Our Heirs and Successors, do institute, constitute, and create a decoration, to be designated as hereinafter prescribed; and We are pleased to make, ordain, and establish the following rules and ordinances for the government of the same, which shall from henceforth be inviolably observed and kept:

First.—The decoration shall be styled and designated "The Royal Red Cross," and shall consist of a Cross, enamelled crimson, edged with gold, having on the Arms thereof the words Faith, Hope, Charity, with the date of the institution of the decoration; the centre having thereon Our Effigy.

On the reverse side our Royal and Imperial Cipher and Crown shall be shown in relief on the centre.

Secondly.—The cross shall be attached to a dark blue riband edged red, of one inch in width, tied in a bow and worn on the left shoulder.

Thirdly.—The decoration may be worn by the Queen Regnant, the Queen Consort, or the Queen Dowager of the United Kingdom of Great Britain and Ireland; and it shall be competent for Us, Our Heirs and Successors, to confer the decoration upon any of the Princesses of the Royal Family of Great Britain and Ireland.

Fourthly.—It shall be competent for Us, Our Heirs and Successors, to confer the decoration upon any ladies, whether subjects or foreign persons, who may be recommended to Our notice by Our Secretary of State for War for special exertions in providing for the

nursing, or for attending to, sick and wounded soldiers and sailors.

Fifthly.—It shall be competent for Us, Our Heirs and Successors, to confer this decoration upon any Nursing Sisters, whether subjects or foreign persons, who may be recommended to Our notice by Our Secretary of State for War, or, as the case may be, by the First Lord of the Admiralty through Our said Secretary of State, for special devotion and competency which they may have displayed in their nursing duties with Our Army in the Field, or in Our Naval and Military Hospitals.

Sixthly.—The names of those upon whom we may be pleased to confer the decoration shall be published in the London Gazette, and a registry thereof kept in the office of Our Secretary of State for War.

Lastly.—In order to make such additional provision as shall effectually preserve pure this honourable distinction, it is ordained that if any person on whom such distinction shall be conferred shall by her conduct become unworthy of it, her name shall be erased, by an order under Our sign Manual, from the register of those upon whom the said decoration shall have been conferred.

And it is hereby declared that We, Our Heirs and Successors, shall be the sole judge of the conduct which may require the erasure from the register of the name of the offending person, and that it shall at all times be competent for Us, Our Heirs and Successors, to restore the name if such restoration should be justified by the circumstances of the case.

Given at Our Court at Osborne, this twenty-third day of April, one thousand eight hundred and eighty-three, in the forty-sixth year of Our Reign.

By Her Majesty's Command,
HASTINGS.

THE ALBERT MEDAL.

WARRANT extending the two Decorations styled respectively "THE ALBERT MEDAL OF THE FIRST CLASS" and "THE ALBERT MEDAL OF THE SECOND CLASS" to cases of Gallantry in or on land.

H.M.R.

By the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, &c., to all to whom these presents shall come, greeting:

Whereas a Warrant was given under Our Royal Sign bearing date the 7th March 1866, in the 20th Our reign, "instituting a new decoration to be The Albert Medal," and such Warrant was in the following, that is to say:—

H.M.R.

By the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, &c., to all to whom these presents shall come,

Whereas We, taking into Our Royal consideration at loss of life is sustained by reason of shipwreck and other perils of the sea; and taking also into consideration the many daring and heroic actions performed by mariners and others to prevent such loss and the lives of those who are in danger of perishing in wrecks and perils of the sea; and taking into consideration the expediency of distinguishing acts by some mark of Our Royal favour:

For the purpose of attaining an end so desirable of rewarding such actions as aforesaid, We have created and, and by these presents for Us, our successors, institute and create, a new Decoration which We are desirous should be highly prized and eagerly sought after, and are graciously pleased to ordain, and establish the following rules and Ordinances for the government of the same, which shall henceforth be inviolably observed and kept.

First.—It is ordained that the distinction shall be The Albert Medal, and shall consist of a gold ped badge or decoration enamelled in dark blue, Monogram composed of the letters V. and A., surmounted with an Anchor erect in gold, surrounded with a ribbon in bronze, inscribed in raised letters of gold "For Gallantry in Saving Life at Sea," and surmounted by a representation of the Crown of His Royal Highness the Prince Consort, and suspended from a ribbon of five-eighths of an inch in width with four white longitudinal stripes.

Secondly.—It is ordained, that the Medal shall be suspended from the left breast.

Thirdly.—It is ordained, that the names of those upon whom We may be pleased to confer the Decoration shall be published in the 'London Gazette,' and a register kept in the Office of the Board of Trade.

Fourthly.—It is ordained, that anyone who, after receiving the Medal, again performs an act which, if he had not received such Medal, would have entitled him to it, such further act shall be recorded by a bar to the ribbon by which the Medal is suspended; and for every such additional act an additional bar may be added.

Fifthly.—It is ordained, that the Medal shall only be awarded to those who, after the date of this instrument, in saving or endeavouring to save the lives of others from shipwreck or other peril of the sea, or their own lives, and that such award shall be only on a recommendation to Us by the President of the Board of Trade.

Sixthly.—In order to make such additional provision as shall effectually preserve pure this most honourable distinction, it is ordained, that if any person to whom such distinction is conferred be guilty of any disgraceful conduct which in Our judgment is such as to render him unworthy of the said Decoration, his name shall be erased from the registry of individuals to whom the said Decoration shall have been conferred, and an especial Warrant under Our Royal Sign and his Medal shall be forfeited. And every person to whom the said Medal is given, shall, before the same, enter into an engagement to return it, if his name shall be so erased as aforesaid, as a regulation. It is hereby further declared,

that We, Our heirs and successors, shall be the sole judges of the circumstance demanding such expulsion. Moreover, We shall at all times have power to restore such persons as may at any time have been expelled to the enjoyment of the Decoration.

And whereas a Warrant was given under Our Royal Sign Manual, bearing date the 12th day of April 1867, in the 30th year of Our reign, intituled a Warrant revoking a Warrant dated the 7th day of March 1866, instituting a new Decoration to be styled "The Albert Medal," and instituting in lieu thereof two new Decorations, to be styled respectively "The Albert Medal of the First Class," and "The Albert Medal of the Second Class."

And whereas the Warrant of the 12th day of April 1867, after reciting the said Warrant of the 7th day of March 1866, proceeded as follows:

"And whereas it has been represented to Us, that mariners and others perform many acts in preventing loss of life from shipwreck and other perils of the sea, that are not of a character sufficiently daring and heroic to bring them under Our warrant above cited, and are yet worthy of some distinguishing mark of Our Royal favour. And whereas We, taking into our consideration that it is expedient to reward such mariners and others who perform heroic actions to prevent loss of life from shipwreck and other perils of the sea, are pleased, in place of the Decoration created by Our Warrant of the 7th March 1866, to institute and create two Decorations, which We are desirous should be highly prized and eagerly sought after, and are graciously pleased to make, ordain, and establish the following Rules and Ordinances for the government of the same, which shall from henceforth be inviolably observed and kept.

First.—It is ordained, that one of the said two Decorations shall be styled 'The Albert Medal of the First Class,' and shall consist of a gold oval-shaped Badge or Decoration, enamelled in dark blue, with a Monogram composed of the letters V. and A., interlaced with an Anchor erect in gold, surrounded with a Garter in bronze, inscribed in raised letters of gold, 'For Gallantry in Saving Life at Sea,' and surmounted by a representation of the Crown of His Royal Highness the Prince Consort, and suspended from a dark blue ribbon of an inch and three-eighths in width, with four white longitudinal stripes.

Secondly.—It is ordained, that the other of the two Decorations shall be styled 'The Albert Medal of the Second Class,' and shall consist of the like shaped enamelled Badge, save and except in this class it shall be entirely worked in bronze, instead of gold and bronze, and suspended from a dark blue ribbon of five-eighths of an inch in width, with two white longitudinal stripes.

Thirdly.—It is ordained, that each Medal shall be suspended from the left breast.

Fourthly.—It is ordained that the names of those upon whom We may be pleased to confer either of these Decorations shall be published in the 'London Gazette,' and a registry thereof kept in the Office of the Board of Trade.

Fifthly.—It is ordained, that anyone who, after having received either of the Medals, again performs an act which, if he had not received such Medal, would have entitled him to it, such further act shall be recorded by a bar attached to the ribbon by which the Medal is suspended; and for every such additional act an additional bar may be added.

Sixthly.—It is ordained, that the Medals shall only be awarded to those who, after the date of the said Warrant of the 7th March 1867, have in saving or endeavouring to save the lives of others from shipwreck or other peril of the sea, endangered their own lives, and that such award shall be made only on a recommendation to Us by the President of the Board of Trade.

Seventhly.—It is ordained, that the Albert Medal of the First Class shall be confined to cases of extreme and heroic daring, and that the Albert Medal of the Second Class should be given in cases which, though falling within the cases contemplated by this Warrant, are not sufficiently distinguished to deserve The Albert Medal of the First Class.

Eighthly.—In order to make such additional provision as shall effectually preserve pure this most honourable distinction, it is ordained, that if any person on whom such distinction is conferred be guilty of any crime or disgraceful conduct which in Our judgment disqualifies him for the said Decorations, his

name shall forthwith by erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and his Medal shall be forfeited. And every person to whom the said Medal is given shall, before receiving the same, enter into an engagement to return the same if his name shall be so erased as aforesaid under this regulation. It is hereby further declared, that We, Our heirs and successors, shall be the sole judges of the circumstance demanding such expulsion. Moreover, We shall at all times have power to restore such persons as may at any time have been expelled to the enjoyment of the Decoration."

And whereas it has been represented to Us, that many heroic acts are performed on land within Our dominions in preventing loss of life from accidents in mines, on railways, and at fires, and other perils on shore:—

"And whereas, We, taking into Our consideration that it is expedient to reward such of Our faithful subjects and others who perform such heroic acts are graciously pleased to extend the two Decorations styled respectively *"The Albert Medal of the First Class"* and *"The Albert Medal of the Second Class"* to cases of Gallantry in saving life on land; and for the exclusive government of the same, when conferred in such cases, but not otherwise, We are pleased to make, ordain, and establish the following Rules and Ordinances, which shall from henceforth be inviolably observed and kept.

First.—It is ordained that *"The Albert Medal of the First Class,"* when conferred for Gallantry in saving life on land, shall consist of a gold oval-shaped Badge or Decoration, enamelled in crimson, with a Monogram composed of the letter V. and A., erect in gold, surrounded with a Garter in bronze, inscribed in raised letters of gold, *"For Gallantry in Saving Life on Land,"* and surmounted by a representation of the Crown of His Royal Highness the lamented Prince Consort, and suspended from a crimson riband of an inch and three-eighths in width, with four white longitudinal stripes.

Secondly.—It is ordained, that *"The Albert Medal of the Second Class,"* when conferred for Gallantry in saving life on land shall consist of the like badge, save and except that it shall be entirely worked in bronze instead of gold and bronze, and shall be suspended from a crimson riband of five-eighths of an inch in width, with two white longitudinal stripes.

Thirdly.—It is ordained, that each Medal shall be suspended from the left breast.

Fourthly.—It is ordained, that the names of those upon whom We may be pleased to confer either of these decorations shall be published in the *"London Gazette,"* and a register thereof kept in the Office of one of Our Principal Secretaries of State.

Fifthly.—It is ordained, that anyone who, after having received either of the Medals, again performs an act which, if he had not received such Medal, would have entitled him to it, such further act shall be recorded by a bar attached to the riband by which the Medal is suspended; and for every such additional act an additional bar may be added.

Sixthly.—It is ordained that the Medals shall only be awarded to those who, in saving or endeavouring to save the lives of others from accidents in mines, on railways, or at fires, or other peril within Our dominions, other than perils of the sea, have endangered their own lives, and that such award shall be made only on a recommendation to Us by the First Lord of Our Treasury.

Seventhly.—It is ordained that *The Albert Medal of the First Class* for Gallantry in Saving Life on Land shall be confined to cases of extreme and heroic daring, and that *The Albert Medal of the Second Class* for Gallantry in Saving Life on Land shall be given in cases which, though falling within the cases contemplated by this Warrant, are not sufficiently distinguished to deserve *The Albert Medal of the First Class*.

Eighthly.—In order to make such additional provision as shall effectually preserve pure these most honourable Decorations, it is ordained that, if any person on whom either of such Decorations is conferred be guilty of any crime or disgraceful conduct which in Our judgment disqualifies him for the same, his name shall, by an especial Warrant under Our Royal Sign Manual, be forthwith erased from the register of those upon whom the said Decoration shall have been conferred, and his Medal shall be forfeited. And every person to whom the said Medal is given shall, before receiving the same, enter into an engagement to return the same if his

name shall be so erased as aforesaid under this regulation. It is hereby further declared that We, Our heirs and successors, shall be the sole judges of the circumstance demanding such expulsion. Moreover, We shall at all times have power to order that any person who may at any time have been expelled shall be restored to the enjoyment of the Decoration.

Given at Our Court at St. James, this Thirtieth day of April, One thousand eight hundred and seventy-seven, in the Fortieth year of Our reign.

By Her Majesty's Command.
(Signed) RICHD. ASSHEFORD CROSS.

THE QUEEN has been pleased to issue the following Warrant, under Her Majesty's Royal Sign Manual, amending Warrants regulating the award of the two Decorations styled respectively *"THE ALBERT MEDAL OF THE FIRST CLASS"* and *"THE ALBERT MEDAL OF THE SECOND CLASS,"* for Gallantry in saving, or endeavouring to save, life at sea and on land.

VICTORIA R.

VICTORIA, by the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, &c. to all to whom these presents shall come, greeting.

Whereas a Warrant was given under Our Royal Sign Manual, bearing date the 7th of March 1866, in the 30th year of Our reign, intitled a "Warrant instituting a new Decoration to be styled 'The Albert Medal';"

And whereas a Warrant was given under Our Royal Sign Manual, bearing date the 12th day of April 1867, in the 30th year of Our reign, intitled a "Warrant revoking a Warrant dated the 7th day of March 1866, instituting a new Decoration to be styled 'The Albert Medal,' and instituting in lieu thereof two new Decorations, to be styled respectively 'The Albert Medal of the First Class,' and 'The Albert Medal of the Second Class';"

And whereas, a Warrant was given under Our Royal Sign Manual, bearing date the 30th day of April 1877, in the 40th year of Our reign, intitled a "Warrant extending the two Decorations styled respectively 'The Albert Medal of the First Class,' and 'The Albert Medal of the Second Class,' to cases of Gallantry in saving life on land;

And whereas in the said Warrant dated the 12th April 1867, it is ordained that the award of "The Albert Medal of the First Class," and "The Albert Medal of the Second Class," severally inscribed "For Gallantry in Saving Life at Sea," shall be made only on a recommendation to Us by the President of the Board of Trade; and whereas, in the said Warrant dated the 30th April 1877, it is ordained that the award of "The Albert Medal of the First Class," and "The Albert Medal of the Second Class," severally inscribed "For Gallantry in Saving Life on Land," shall be made only on a recommendation to Us by the First Lord of Our Treasury;

And whereas it seems to Us expedient to amend the said Warrants, dated respectively the 12th April 1867, and 30th April 1877, in so far as relates to the Rules therein established respecting the recommendations that shall be made to Us for the award of the said Medals; We are hereby graciously pleased to make, ordain, and establish the following Rule and Ordinance respecting such recommendations, which shall, from henceforth, be inviolably observed and kept:

It is ordained that the Award of either of the Medals, styled respectively *"The Albert Medal of the First Class,"* and *"The Albert Medal of the Second Class,"* shall be made only on a recommendation to Us by Our Principal Secretary of State for the Home Department; Provided always, that the preliminary steps and inquiries concerning the award of the Albert Medal, severally inscribed "For Gallantry in Saving Life at Sea," be as heretofore with the President of the Board of Trade.

Given at Our Court at St. James's, the thirteenth day of September, one thousand eight hundred and eighty-one, in the forty-fifth year of Our reign.

W. V. HARCOURT.

FLEET CIRCULAR No. 12.—C.

Admiralty, 22nd April 1880.

GOOD CONDUCT MEDALS AND GRATUITIES.

With reference to Articles 676 and 1,137 of the Queen's Regulations and Admiralty Instructions defining the

tions for which the character of Exemplary be awarded, my Lords have received various notations from Captains of Her Majesty's ships to the difficulty they experience in awarding the character, which by the present regulations is to be given to men whose "conduct, smartness, and manner of deporting themselves and conducting their various duties have been such as to warrant their being held up as examples worthy of emulation."

My Lords, having given the subject much careful consideration, do not see any sufficient reason for disallowing the use of the word Exemplary for the purpose of describing the conduct of men who, in addition to the character of Very Good, have so distinguished themselves as to be considered, both on account of their conduct and the manner in which they performed their duties, as examples worthy of emulation.

My Lords have, however, determined that for the character of the Good Conduct Medal and Gratuity to no longer be conditional on the award of the character of Exemplary, and that a continuous character of Very Good shall henceforth be considered sufficient for a man eligible for Medal and Gratuity. The character of Very Good must therefore be awarded with care and discrimination than has often been the case.

A man being sentenced to punishment by Court-martial or summarily awarded—

1. Punishment.

2. If by Civil Power see Article 30, 1890.

3. Reduction to a lower rating or rank.

4. Award of Good Conduct Medal or Badge.

5. Award in Cells, or

6. Award below the Privilege Leave List.

7. A man will, under the accompanying regulations, be entitled to the character of Very Good, and therefore to the award of the Medal or Gratuity, if he has a continuous character of Very Good for Medal or Gratuity purposes will always in such cases be broken. 8. A man who has a continuous character of Very Good for Medal or Gratuity purposes will be eligible for a Medal, and fifteen years of continuous Very Good character for a Gratuity. 9. In such case he has been recommended for the last year, subject to the provisions of the enclosed Articles 676, 723, and 1,137, of the Queen's Regulations, 1870.

10. Entitlement of a Man to the Medal:—

1. A man must have been recommended for it on his Certificate for three consecutive years;

2. He must be recommended for it by the Captain under whom he is serving, when he becomes eligible and has fulfilled the required conditions of service;

3. Entitlement of a Man to the Gratuity:—

1. A man must have been awarded the Medal and have never forfeited it;

2. He must have been recommended for it on his Certificate for three last consecutive years;

3. He must, subsequently to his receiving the medal and until pensioned, have always been awarded a character of "Very Good" or "Exemplary";

4. He must be recommended for it by the Captain under whom he is serving when his Pension is applied for.

5. In order to carry out this arrangement it will be necessary that the additional words "Medal recommended" or "Gratuity recommended," should be entered in the men's certificates accordingly, when characters are required to be recorded on the certificates. The additional words are also to be noted in the additional words in the Service and Conduct Book.

6. Noting recommendations for Medals and Gratuity Certificates, it is to be understood that the character of men being eligible by previous notations on their certificates does not make it imperative for the Captain to recommend them. Invariable Very Good and the satisfactory manner in which their duties are performed are to be the only guide.

7. The character of Very Good and Gratuity purposes will be the only guide.

8. A change is made in the Regulations reserving the right of dealing exceptionally with cases of men who have distinguished themselves by action or otherwise, or of men who have a continuous Very Good character.

9. The changes indicated above are applicable to the

Coast Guard and also to the Royal Marines Ashore and Afloat.

13. The enclosed amended Articles 676, 723, and 1,137 are to be substituted for the present Articles which are so numbered in the Queen's Regulations, 1870, and which are to be considered as cancelled when these rules come into operation, as is also clause 9 of Article 690.

14. Time served by men who, after completing time for pension, re-engage under the provisions of Article 18 of the Addenda, 1880, will reckon for the Medal and Gratuity, but the award of the Medal after the completion of such time will not count towards increase of Pension.

TEMPORARY PROVISION.

15. Awards of character under the existing Regulations are to be made to the 30th June next, inclusive, and no character of Very Good awarded between 1st July 1876 and that date is to be considered as valid for Medal and Gratuity purposes.

By Command of their Lordships,

ROBERT HALL.

To the respective Commanders-in-Chief, &c.

GOOD CONDUCT MEDALS AND GRATUITIES.—SEAMEN.

676. Men holding any of the ratings specified in Column G. of Appendix VI., page 680, of the Queen's Regulations, 1870, may, under the following rules and until they are pensioned, be recommended, if of Very Good character, for the Good Conduct Medal and Gratuity, as also may Pensioners who return to the Service within five years of their being pensioned, but for the Medal only. The awards will be made irrespective of the complement, it being intended that nothing but a man's own misconduct shall be a bar to his obtaining these distinguishing marks of the approbation of the Admiralty, should he serve sufficiently long.

1. If recommended by the Captain under whom he is serving at the time, 10 years of continuous Very Good character, under Art. 723 as amended, will entitle a man to the Medal, and if recommended by the Captain under whom he is serving when his pension is applied for, 15 years of continuous Very Good character will entitle him to a Gratuity, subject, however, to all the following provisions, and provided the man had never been awarded a character below Very Good, except for a period not exceeding one year in his first five years of time reckoning for Pension.

2. After a man has been awarded seven years of such continuous Very Good character as will under these Regulations count towards the Medal, the Captain will, if the man continues to be Very Good, and he considers him deserving thereof from his invariable Very Good Conduct and Exemplary manner of performing his duties, add to the character of Very Good given on his certificate, whenever he is required to record it, the words "Medal recommended," and after 12 years of such Very Good character, the Captain will in like manner add the words "Gratuity recommended."

3. No man is entitled to the Medal unless

(a.) he has been recommended for it on his certificate for three consecutive years,

(b.) he is recommended for it by the Captain under whom he is serving when he becomes eligible.

4. No man is entitled to a gratuity unless

(a.) he has been awarded the Medal and has never forfeited it,

(b.) he has been recommended for the Gratuity for three consecutive years,

(c.) he has been continuously awarded a character above Good since he received the Medal until he is pensioned,

(d.) he is recommended for it by the Captain under whom he is serving when his pension is applied for.

5. Exemplary is in all cases to be considered as equivalent to Very Good for Medal and Gratuity purposes.

6. Whenever the Captain sees fit to withhold the required recommendations he will record fully his reasons in the Service and Conduct Book.

7. Time only which reckons for Pension under Art. 2,006 is to be allowed for Medal, that is, from the age of 18 for continuous service men, and from the age of 30 for non-continuous service men, and the character given before attaining such ages respectively has no effect on a claim to Medal and Gratuity.

9. A break in service caused by a man being invalided will not be considered as breaking the continuity of his Very Good character, or of recommendations for Medal or Gratuity, provided he rejoins as soon as the state of his health will admit and completes the required service.

10. Desertion, reduction to the second class for conduct, imprisonment, or the award of character less than good after attaining the age of 18 if a C.S. man or of 20, if a non C.S. man, shall render a man absolutely ineligible for Medal or Gratuity, except as provided for in clauses 11, 12, and 13.

11. Imprisonment by the Civil Power shall not prejudice a man's claim to the Medal or Gratuity, unless it shall have been so directed by the Admiralty, if the man was serving at home at the time, or, if abroad, by the Commander-in-Chief.

12. In order not entirely to exclude from the honour of a Medal a man who may have committed himself in the early years of his service reckoning for pension, but who may have since become a Very Good character, the Admiralty will consider (with reference to the grant of a Medal without Gratuity) the case of any man who can show 15 years of continuous Very Good character, notwithstanding anything he may have done, or any character which may have been awarded to him, except Bad or Indifferent, in his previous service.

13. The Admiralty will also consider the case of any man who would be excluded under the foregoing Regulations, but who may be specially recommended on account of his having shown highly Exemplary conduct in action, or otherwise; but in such case no Gratuity will be awarded.

14. The scale for Gratuities shall be as follows—
 Chief Petty Officers, having served as Chief 8
 and First Class Petty Officers for not less than 10 years
 First Class Petty Officers, having served as such for not less than 10 years 13
 Second Class Petty Officers, having served as such for not less than seven years 10
 Leading Seamen, having served as such for not less than five years 7
 Able Seamen, and others 5
 Gratuities will not be given to men who serve after being pensioned.

15. In cases where the man recommended may not have served the full period to entitle him to the Gratuity applicable to his rating, he shall receive such lower rate, with reference to his combined service in several capacities, as may, in the opinion of the Admiralty, be proper to award to him.

16. Lists of men recommended for Medals and Gratuities are to be transmitted to the Admiralty, in the form prescribed for the purpose, by the Commanders-in-Chief and Senior Officers, at Home and Abroad, and the District Captains of Coast Guard, as soon as the men become eligible for them, and when the approval of the Admiralty has been received, the Medals and Gratuities are, when possible, to be presented before the Ship's Company by the Captain of the ship. A complete history of Badges, showing the dates of award, deprivation, and restoration, must be given on the copies of certificate sent into Office.

17. If, pending the presentation of the Medal, the man's conduct has not been satisfactory, it is to be withheld, and the particulars of the case reported to the Admiralty.

18. It must be distinctly understood that Medals are only granted on the condition that the recipients continue to serve for Long-Service Pension, unless invalided; and that, in the event of a man who has been granted a Medal declining to go on serving to complete such time, he shall surrender the Medal on his discharge, unless he has completed fifteen years of man's service, in which case he may retain it.

19. If it is desired that men who have received Medals should also be given Gratuities, separate application must be made for the latter on the men being recommended for Pension.

20. In the case of a man who has joined from the Army, the general character given to him on his discharge will be taken as his character throughout the whole of his Army service, subject, however to the rules as to 10 consecutive years of Very Good or Exemplary character.

21. The Good Conduct Medal of a Petty Officer or Seaman which has been forfeited for misconduct may, with the sanction of the Admiralty, be restored on the

completion of his time for pension, provided his character during the last five years of his service has been Very Good.

22. In regard to men in the Service before the 1st of July 1870, previous Very Good character will be allowed to reckon for Medal and Gratuity, provided their conduct had been such as to render them deserving thereof under the foregoing Regulations.

23. Between the 1st of July 1870 and 30th June 1870 inclusive, Exemplary character only will reckon towards Medals and Gratuities and not Very Good.

24. These Regulations apply to the Coast Guard Afloat and on Shore.

XVII. CERTIFICATES.—SHIPS' COMPANY.

723. A Parchment Certificate in the established form is to be prepared for every man and boy on first entry. Special Inquiry is always to be made on a volunteer offering himself for entry, as to whether he had ever been in the Service; and if so, and he fails to produce his Certificate, on no account is a fresh one to be prepared for him until application has been made to the Accountant-General on the established Form, and the Form, with the required particulars, returned to the Captain.

2. On first entry the religious denomination of every man or boy is to be noted on his Parchment Certificate, and it is also to be recorded in the Service and Conduct Book of each ship in which he may serve, in the event of any man of good character representing himself as having become a member of a religious denomination other than that under which he had been entered, and is anxious to have the record altered accordingly, the Captain may permit the change to be made.

3. The Parchment Certificates are from time to time to be very carefully filled up and signed as required by Clause 7 and by the Form. When awarding the character of a man, the Captain will take to his assistance the Executive Officer and the Officer of the man's division, or the Marine Officer, as the case may be, and fully consider all the entries against him in the Service and Conduct Book, so that this duty, so important both to the man and to the Service, may be performed justly and with proper deliberation.

4. Characters are to be recorded as—

- a. Exemplary;
- b. Very good;
- c. Good;
- d. Fair, or passable;
- e. Indifferent;
- f. Bad.

5. "Exemplary" is to be entirely exceptional, and is only to be awarded to men who have during the period, but without regard to their former history, so departed themselves as to be considered, both on account of their excellent conduct and the manner in which they have performed their duties, as examples worthy of imitation, and to be held up as a pattern to the service.

6. "Very good" must be awarded with great care and discrimination, and it is not to be given merely because a man has kept clear of the defaulters' book and escaped punishment. As it is now to take the place of "Exemplary" for the award of Medal and Gratuity, the greatest care must be taken in ascertaining the character.

7. On a man being punished by sentence of Court-martial or summarily awarded—

- a. Corporal punishment;
- b. Imprisonment;
- c. Disrating or reduction;
- d. Deprivation of Good Conduct Medal or Badge;
- e. Reduction to the Second Class for Conduct;

f. Reduction to a lower class for leave than the privilege leave list; or if he commits any offence for which he was otherwise punished and which reduces his character below Very Good, his actual character since it was last recorded to the date of the offence for which he is punished was committed is to be recorded on his Certificate and in the Ledger and the Service and Conduct Book; for the intervening period to the date when the punishment took place or commenced his character is to be awarded as his offence may have deserved, but it is never to be above good for that period, and from thenceforward his actual character is to be again recorded at the proper periods.

8. Special mention is to be made of any particularly meritorious conduct, both in the Certificate and in the Service and Conduct Book and Ledger.

9. The character of every man and boy is to be re-

on his Certificate by the Captain in his own hand, with his initials, on the 31st December of each year, and under his signature on the final discharge of the man or boy from the ship, as well as on occasions when specially required. Whenever the length of time the ship is in commission, or for other causes, the form requires it, a fresh line is commenced on the certificate, and the necessary made.

The conduct of each man or boy borne as a Supernumerary for more than three months is to be noted on his certificate, but if so borne for less than three months his conduct is to be noted on the List, as a guide to the award of character on the certificate at the proper time.

Men borne for less than three months are, when Supernumeraries are absent on leave, for other valid causes, notations, such as Time only, are to be made on their certificates when the character is not required to be thereon, and if it follows Very Good or Very Good, such time will be considered as Very Good accordingly, as the case may be, in the absence of any notation to the contrary, and recommendations for Medal or Gratuity will in like manner be considered as continuous in such cases. The same will also apply in all other cases of men borne on leave only as to their previous character being as continuous in the absence of notations to the contrary.

In the event of a man misconducting himself while on leave, a report is to be made by the Principal Officer to the Captain of the ship or the Commandant of the division to which the man belongs.

Time during which a Supernumerary is borne on leave home, if entitled to pay, is to be shown on the certificate, as well as his character.

Characters so recorded are, on these several occasions, to be read to the men by the Divisional or Principal Officer, as the case may be.

When the Captain gives up command at a broken commission, exceeding three months from the commencement of the year, he is invariably to fill in the initial men's Certificates; if within the month, he is only to fill up and initial the Certificates of the men whose characters have undergone since the last record on their Certificates.

Whenever a Good Conduct Medal is awarded, suspended, forfeited, or restored, or any Decoration or Medal granted, or a Good Conduct Badge is forfeited, the particulars are to be noted on the certificate, as well as in the Ledger and Service and Book.

The corner of the Certificate is only to be cut off when the man's character has been so bad as to render his re-entry into the Navy unlikely; whenever the corner is cut off the fact is to be noted in the Ledger and in the Service and Book and a report is to be immediately made to the Commander-in-Chief in the form established for such cases, with disgrace, which is to be adapted to the

no account is any erasure or any alteration made in the past to be made on the Certificate except by sanction of the Admiralty; if any error is made which requires immediate correction, the certificate is to be made, without erasure, under the signature of the Captain, and attested by his signature. Certificates will be retained in the offices of the ships in which the men may be borne or serving, and are finally discharged the Service; but when a man may require it, he is, on application to the Principal Officer in his Division, to be furnished with a copy of the certificate in the established form.

In the case of the death or desertion of any person, a notation of the fact is to be made on the Certificate, which is to be transmitted into Office with the Monthly

Questions relative to a man's character are to be made upon his Parchment Certificate are to be made as conclusive, unless the Certificate shall have been tampered with; in such a case it is the duty of the Captain, on noticing it, to immediately the particulars to the Admiralty and the Service might be made to the Service and Conduct to other Records in Office, to clear up the matter, on the result being communicated, the Principal Officer is to note it upon the Certificate and attest it with his signature, and also make notations to the same in the Service and Conduct Book.

† IV. GOOD CONDUCT MEDALS AND GRATUITIES, MARINES.

1. 137. Royal Marines, as particularized in column G. of the Table in the Appendix VI., page 680, and whether afloat or ashore, may be recommended for the Good Conduct Medal and Gratuity, as well as Pensioners from the Corps, but for Medal only, provided they return to the Service within five years of being pensioned. The awards are made irrespective of the strength of the Divisions of the Royal Marines, it being intended that nothing but a Marine's own misconduct shall be a bar to his obtaining these distinguishing marks of the approbation of the Admiralty, should he serve sufficiently long.

2. Ten years of continuous Very Good character shall render a Marine eligible for a Good Conduct Medal, and 15 years of continuous Very Good character shall render him eligible for a Gratuity, provided he had never been awarded a character below Very Good, except for a period not exceeding one year in his first five years reckoning for Pension.

3. After a Marine has been awarded seven years of such continuous Very Good character as will, under these Regulations, count towards the Medal, the Captain or the Commandant will, if the Marine continue to be Very Good, and he considers him deserving thereof from his invariable Very Good Conduct and Exemplary manner of performing his duties, add to the Very Good given on his Certificate, whenever he is required to record the Marine's Character, the words "Medal recommended," and after 12 years of such Very Good character, the Captain or the Commandant will, in like manner, add the words "Gratuity recommended."

4. To entitle a Marine to the Medal—

a. He must have been recommended for it by his Captain or Commandant on his Certificate for three consecutive years;

b. He must be recommended for it by the Captain or Commandant under whom he is serving when he becomes eligible and has fulfilled the required conditions of service.

5. To entitle a Marine to the Gratuity—

a. He must have been awarded the Medal and have never forfeited it;

b. He must have been recommended for it on his Certificate for three consecutive years;

c. He must, until pensioned, have been always awarded a character above Good;

d. He must be recommended for it by the Captain or Commandant under whom he is serving when his Pension is applied for.

6. Whenever Exemplary is awarded it shall in all cases be understood as being equivalent to Very Good for Medal and Gratuity purposes.

7. Whenever the Captain sees fit to withhold the required recommendation, he will record fully his reasons in the Service and Conduct Book. In the case of Marines on shore, the Commandant will do so in the corresponding record at the Divisional Head Quarters.

8. The character given to a Marine in such portion of under-age service as does not reckon for Pension has no effect on his claim to a Medal and Gratuity.

9. A break in service caused by a Marine being invalided will not be considered as breaking the continuity of his Very Good character, provided he rejoins as soon as the state of his health will admit, and completes the required service.

10. Desertion, reduction to the Second Class for conduct, imprisonment, or the award of character less than Good during any portion of the time which reckons for Pension, shall render a Marine absolutely ineligible for the Medal or Gratuity, except as provided for in the following paragraphs 11 and 12.

11. In order not entirely to exclude from the honour of a Medal a Marine who may have committed himself in the early part of his service reckoning for Pension, but who may have since become a Very Good character, the Admiralty will consider (with reference to the grant of a Medal without Gratuity) the case of any Marine who can show 15 years of continuous Very Good character, notwithstanding anything he may have done or any character which may have been awarded to him, except Bad or Indifferent, in his previous service.

12. The Admiralty will also consider the case of any Marine who would be excluded under the foregoing Regulations, but who may be specially recommended on account of his having shown highly Exemplary conduct in action, or otherwise; in such cases, however, no Gratuity will be awarded.

13. Imprisonment by the Civil Power shall not pre-

Judice a Marine's claim to the Medal or Gratuity unless it shall have been so directed by the Admiralty, if the Marine was serving at home, or, if abroad, by the Commander-in-Chief.

14. A Marine to whom a Medal has been awarded will be liable to be deprived of it summarily by warrant, under the hand of his Captain, for subsequent misconduct, subject to the ultimate approval of the Commander-in-Chief, or Officer in command of the Station, or by the Commandant of Royal Marines; the deprivation is always to take place publicly, and to carry with it the forfeiture of any claim to Good Conduct Gratuity on discharge. The Medal is to be returned to the Accoutant-General.

15. If a Non-commissioned Officer holding a Good Conduct Medal is reduced for misconduct he is to be absolutely deprived of his Medal.

16. The Good Conduct Medal of a Marine who had been deprived of it may, with the sanction of the Admiralty, be restored on the completion of his time for Pension, provided his character during the last five years of his service has been Very Good.

17. The infliction of any of the punishments specified in Clause 7, Article 723, page 7, a to f, after a Medal has been awarded, entails forfeiture of the Medal, except as provided for in the following Clause (18).

18. A Marine may be deprived of his Medal without being deprived of any Good Conduct Badge; and it is left to the discretion of the Captain or the Commandant to take away one Badge without depriving a Marine of his Medal.

If a Badge is taken away without loss of Medal, the Medal is not to be worn until the Badge is regained.

If the Badge is not regained within 12 months from the date of deprivation the Medal is absolutely forfeited.

If two or more Badges are taken away, and not one only, or if a Marine loses a second Badge, his Medal is absolutely forfeited.

19. Notations on Parchment Certificates are to be made in all cases of suspension and restoration of Medal in consequence of the loss of a Badge; and also in all cases of absolute forfeiture.

20. The scale for Gratuities shall be as follows:—

Non-commissioned Officers of Royal Marines in Class 1, Art. 1,147, having served as Staff-Sergeants and Sergeants of Royal Marines for not less than 10 years, and Marine Schoolmaster	£
Sergeants of Royal Marines in Classes II, III, and IV, Art. 1,147, having served as such for not less than ten years	20
Corporals and Bombardiers of Royal Marines, having served as such for not less than seven years	15
Gunners, Privates, Musicians, and Buglers of Royal Marines	10
	5

Gratuities will not be given to Marines who serve after being pensioned.

21. In case where the Marine recommended may not have served the full period to entitle him to the Gratuity applicable to his rank, he shall receive such lower rate, with reference to his combined service in several capacities, as may, in the opinion of the Admiralty, be proper to award him.

22. Lists of Marines recommended for Medals and Gratuities are to be transmitted to the Admiralty, in the established form, by the Commander-in-Chief and Senior Officers at Home and Abroad, and the Commandants of Royal Marines, as soon as the Marines become eligible for them; and when the approval of the Admiralty has been received, the Medals and Gratuities are to be presented before the Ship's company by the Captain of the Ship, and in the case of Marines on shore, by the Commandants on parade. A complete history of Badges, showing the dates of award, deprivation, and restoration, must be given on the Copies of Certificates sent into office.

23. It must be distinctly understood that Medals are only granted on the condition that the recipients continue to serve for Long-Service Pension, unless invalided; and that, in the event of a Marine who has been granted a Medal declining to go on serving to complete such time, he shall surrender the Medal on his discharge, unless he has completed 15 years of service reckoning for Pension, in which case he may retain it.

24. If it is desired that Marines who have received Medals should also be given Gratuities, separate application must be made for the latter on their being recommended for Pension.

25. In the case of a man who has joined the Marines from the Army, the general character given to him on his discharge will be taken as his character throughout the whole of his Army service, subject, however, to the rules as to 10 consecutive years of Very Good or Exemplary character.

26. If, pending the presentation of the Medal, the Marine's conduct has not been satisfactory, it is to be withheld, and the particulars of the case reported to the Admiralty.

27. In the case of Marines in the Service on the 1st July 1876, time served before that date, with Very Good character, will be allowed to reckon for the Medal and Gratuity, provided their conduct has been such as to render them deserving of being considered Very Good under these Regulations.

28. Between the 1st July 1876 and 30th June 1880 inclusive, Exemplary Character only will reckon towards Medal and Gratuity and not Very Good.

MARINES' CERTIFICATES.

With reference to Art. 1,125, Marines' Certificates are to be filled up in accordance with the amended Art. 723, in so far as its provisions can be made applicable to them.

MEMORANDUM.

Admiralty, 6th May 1870.

(REGULATIONS RESPECTING MEDALS GRANTED FOR ACTS OF BRAVERY IN SAVING LIFE.)

The Lords Commissioners of the Admiralty having sanctioned Medals granted for acts of bravery in saving life being worn by officers and men of the Royal Navy in Uniform, subject to their Lordships' approval;

the decoration, together with a statement of the act of bravery performed, should be sent to the Secretary of the Admiralty, in order that the recipient's name may be registered, and the necessary authority issued, should their Lordships think proper, for the distinction to be worn.

By Command of their Lordships,
Vernon Lushington.

HUMANE SOCIETY'S MEDALS.

Circular No. 11.—C.

Admiralty, 10th March 1860.

HUMANE SOCIETY'S MEDALS.

The Royal Humane Society having made arrangements for reducing the size of their Medals, in future, in order to admit of their being worn,—and for granting Clasps and Bars for subsequent acts of bravery, in cases

where a medal has been already granted,—my Lords Commissioners of the Admiralty are hereby pleased to notify to the Officers and Men of Her Majesty's Navy and Marines their permission to Officers and Men to wear such Medals and Clasps when awarded by the Humane Society.

By Command of their Lordships,
W. G. Romaine.
To all Commanders-in-chief, &c.

LAND PRIVILEGES IN THE COLONIES TO NAVAL AND MILITARY OFFICERS.

Notice is issued by the Secretary of State for the Colonies, for the information of Officers wishing to retire from Her Majesty's naval or military service, for the purpose of settling in those colonies, which offer advantages to that class of settlers in the acquisition of lands.

1. Colonies which offer Privileges.

Only Colonies which now offer land privileges to Naval and Military Officers are British Columbia (Mainland) and Honduras.

2. Officers entitled to Privileges.

Officers to whom such privileges are offered are Naval Officers of the Military Branch, of all grades lower than that of Sub-Lieutenants; Military Officers of all grades not lower than that of Subalterns; years' standing; (c) Regimental staff Officers; and Medical Officers of both Services, of not less than five years' standing.

3. Officers not entitled to Privileges.

Officers not entitled to land privileges are, Naval Chaplains; Commissariat Officers; Sub-Lieutenants under seven years' standing; Medical Officers of less than five years' standing; Midshipmen; Cadets; and Officers of every description; Officers of any of the Branches of the Navy or Army; and, lastly, Officers who have ceased for the space of three calendar years to belong to Her Majesty's Service, and have not obtained the Memorandum of Rank and Service hereinafter mentioned.

4. Nature and Extent of Privileges.

In British Columbia (Mainland) a certain quantity of land is granted in lieu of remission of purchase money. In the above-named Colonies, land must be purchased under the land regulations for the time being in force in the Colony, and a certain amount of the purchase money is then remitted. These allowances are regulated as to rank and length of service of the Officer as shown in the following scales, viz.:-

	Acres.
Officers of 25 years' service, in the whole	600
Officers of 20 " " "	500
Officers of 15 " " "	400
Officers of 10 years' service and upwards, in the whole	400
Officers of 15 years' service or less, in the whole	300
Officers of 20 years' service, and upwards, in the whole	300
Officers of 7 years' service and upwards, in the whole	200

In Honduras a remission of purchase money is allowed in lieu of acquisition of lands according to the following scale:-

	£
Officers of 25 years service and upwards, in the whole	600
Officers of 20 " " "	500
Officers of 15 " " "	400
Officers of 10 years' service and upwards, in the whole	400
Officers of 15 years' service or less, in the whole	300
Officers of 20 years' service and upwards, in the whole	300
Officers of 7 years' service and upwards, in the whole	200

Officers receive allowances corresponding with the rank to Officers in the army as prescribed in His Majesty's Order in Council of 11th June, 1865.

Memorandum of Rank and Service.

Any Officer desirous of availing himself of these privileges must obtain a Memorandum, if a Naval man,

from the Lords Commissioners of the Admiralty, and if a Military man, from the Office of the General Commanding-in-Chief specifying his rank, length of service, and date of retirement. This document will not be issued more than once to the same Officer; and it must, within one year from the date of the Officer's retirement, be presented to the Governor of one of the above-named Colonies, otherwise the Officer will not be entitled to any land privileges in the Colony.

No document from the Office of the Secretary of State is necessary.

6. Location Ticket.

As the sole object of the Regulations is to encourage *bona fide* settlement of Naval and Military Officers in the Colony, an Officer, on presentation of his Memorandum of Rank and Service to the Governor, will receive in the first instance a Location Ticket only, for the land which in British Columbia he may obtain, or which in either of the other Colonies he may have purchased to the extent of his remission money.

7. Crown Grant.

At the expiration of two years from the date of such Location Ticket, the Officer, on paying the customary survey and other fees, will receive in exchange for it a Crown Grant, provided he can show to the satisfaction of the Governor, but not otherwise, that he is a *bona fide* settler in the Colony, and has not only continuously resided therein since the receipt of his Location Ticket, but that he has resided on the land described in it for such length of time, and made substantial and permanent improvements thereon of such description and value as the Governor may have prescribed in any general notice published by his authority in the Government Gazette of the Colony.

N.B.—The term of residence and the extent of improvements at present required are as follows:—

In British Columbia, that the Officer or his family shall reside continuously on the land for two years, and build a house and make improvements.

8. Lapse of Claim of Crown Grant not applied for in time.

If application should not be made for a Crown Grant in exchange for the Location Ticket within a twelve-month from the expiration of the two years for which it was issued, the Officer's claim will be considered as extinguished, and the land will absolutely revert to the Crown.

9. Land not transferable until Grant issued.

No transfer of the land will be allowed or be valid until a Crown Grant thereof has been obtained.

10. Provision in case of Death.

But if an Officer has obtained a Memorandum of Rank and Service and dies before he can obtain a Location Ticket the Governor of the Colony is authorised to make the Memorandum available, as he may think proper, in favour of a child or children or other nearest representative of the deceased, who will then become entitled to the same rights and be subject to the same conditions as attached to the deceased. In case an Officer dies after the Location Ticket has been obtained, the land to which it refers will be granted to his legal representative.

11. Permanence of the Regulations cannot be guaranteed.

As the land regulations in the above named Colonies are liable at any time to be altered, Her Majesty's Government cannot guarantee the permanence of these regulations—nor can the amount of remission in purchase money made to Officers be increased on account of any increased value which may at any time be set up upon the Crown lands in the Colony.

NOTE.—No Appointments made after the 20th of the Month preceding publication can be inserted in the body of the **NAVY LIST** until the following List is published. A list of the Appointments, &c., which have taken place between the 20th and the 24th ultimo inclusive will be found at page 598.

Officers on the Retired List who have commuted their Retired Pay, and Officers of the Royal Marines Retired on Gratuities, must send annually between 1st January and 31st March a notification to the Secretary of the Admiralty of their being alive, otherwise their names will be removed from the List.

The EDITOR of the Navy List will be glad to receive any communications in reference to errors in the List, addressed to him at the ADMIRALTY, WHITEHALL, LONDON.

**.* Communications for the Editor of the Navy List, addressed to the Publisher from abroad, should be post paid, in order to ensure attention, but it is more convenient to address to the Editor direct, as above, upon such subjects.*

The NAVY LIST is compiled and published by order of the Lords Commissioners of the Admiralty for the convenience of the Service; but, as errors may occasionally occur, their Lordships must expressly reserve their right to determine the status of any Officer according to the actual circumstances of the case, independently of any entry in the Navy List.

By Command of their Lordships,

EVAN MACGREGOR.

NAVAL AND GREENWICH HOSPITAL PENSIONS.

The attention of Officers on the Retired Lists, desirous of being considered in the awards of Naval and Greenwich Hospital Pensions, is directed to the necessity of applying to the Secretary to the Admiralty for the forms as to services, claims, circumstances, &c. required to be filled up by candidates.

These Pensions are established for the purpose of affording relief to retired Officers of long service who are old, infirm, "wounded, or disabled," and in poor circumstances; the periods of service, &c. required to render them eligible are shown at page 625 of the Queen's Regulations and Admiralty Instructions of 1879.

MEMORANDUM.

The sentence of a Court-Martial, placing an Officer at the bottom of the list of his rank involves the loss of previous time of service in that rank; so also, when the sentence of a Court-Martial takes away any seniority from an Officer, it thereby affects his Full and Half-pay, in cases where the same depend upon seniority; and it carries with it the loss of the benefit of the service, included in the seniority forfeited, in cases where the Full and Half-pay depend upon actual service.

HALF-PAY.

Admiralty, 14th June 1871.

1. My Lords are pleased to direct that in future every Officer entitled to Half-pay shall, without application on his part, be placed on the Half-pay List as soon as his full-pay ceases, and his accounts are clear.

2. Commanding Officers of Her Majesty's Ships are to transmit to the Accountant-General of the Navy and Comptroller of Navy Pay, immediately that either they or any of the Officers under their command, are discharged to Half-pay, one of the returns herein-after specified, and headed respectively "(A) Foreign Service," "(B) Home Service."

3. The Form already required to be furnished, and specified at page 175 (Appendix) of the Addenda (1868) to the Admiralty Instructions, will suffice for officers returning to Half-pay from Foreign Service, amended as per specimen annexed and marked A.

4. Whenever an Officer is discharged abroad to return to England, who will be entitled to Leave of Absence on Full-pay after arrival, the Forms headed "(A) Foreign Service," directed to be forwarded to their Lordships, the Commander-in-Chief, and the Accountant-General, are to be handed to him with his pay documents for delivery; but if he will not be entitled to such Full-pay Leave, it will only be necessary to furnish him with the Forms for their Lordships and the Accountant-General. The date of his leaving England, and also the circumstance under which he is returning home, are to be filled in previously; and should he take passage in a Ship of War, the date of arrival is to be inserted and certified by the Commanding Officer of the Ship in which he takes passage; should he return to England in any vessel not belonging to the Royal Navy, then the date of arrival is to be inserted and certified by the Commander or owners of such vessel.

II. VIII. By Her Majesty's Orders in Council, it is directed that the leave is only allowed at their Lordships' discretion, on return from Foreign Service, as follows:—

For every complete six months service abroad, provided the absence has not been less than one year One week.

For every month served beyond the last period of six months One day.

Staff-Captains, Staff-Commanders, and Navigating Lieutenants, whatever their rank and seniority may be, are in all matters of command, and in all details relating to the duties of the Fleet, and to the discipline and interior economy of Her Majesty's Ships, to be held subject to the authority of any Officer, not below the rank of Lieutenant, who may be in charge of the executive duties of the Ship, or in charge of any other special service or duty, of whatever seniority such Officer may be.

They will be required to take a share in the ordinary duties of their Ships, such as watch-keeping, acting as Divisional Officers, as in the case of Gunnery Lieutenants. But this participation in the ordinary duties is not to interfere with their special navigating duties, and is to be arranged at the discretion of the Captain.

RELATIVE RANK OF THE OFFICERS OF THE NAVY AND ARMY.

EXTRACT FROM THE REGULATIONS.—1870.

The relative rank of Officers of the Navy with each other and with Officers of the Army shall be as laid down in the following Table, and shall in every case take effect according to the dates of their respective commissions, or appointments, except when the relative rank is dependent on the attainment of seniority or completion of service, in which case it shall take effect from such attainment of seniority or completion of service in the particular rank:—

(For Table, as modified by Order in Council of 23rd August 1883, see p. 489.)

Nothing contained in these regulations is to give a claim to any Officer of the Navy to assume command of Her Majesty's Land Forces on shore, nor to any Officer of the Army to assume command of any of Her Majesty's squadrons or Ships, or of any of the Officers or Men thereto belonging, unless under special authority from the Government in England for any particular service. But when Officers of the Navy are employed on shore, on joint service with Her Majesty's Land Forces, their relative rank shall carry with it all precedence and advantages attaching to the rank with which it corresponds (except command as aforesaid), and shall regulate the choice of quarters, rates of lodging money, servants, forage, fuel, and light, or allowances in their stead.

The precedence of the Naval Commander-in-Chief in India is next below the Commander-in-Chief in India, if not a Member of Council, and irrespective of their relative Military rank.

At Durbars, Processions, and other Public Ceremonies in India, a distinctive place will be assigned

to the Senior Naval Officer on the spot in the absence of the Commander-in-Chief, without reference to his relative military rank.

Under the regulations formerly in force, the precedence of the Officer in command of Her Majesty's Forces in any Colony, was dependent on the question whether or not he was entitled to administer the Government of the Colony in the absence of the Governor. But the alteration of circumstances has rendered this arrangement in some cases inconvenient or anomalous, therefore it is Her Majesty's pleasure that the following rules be now observed in the Colonies in regard to the precedence of Military and Naval Officers in command of Her Majesty's Forces:—

- The Senior Officer in command of the troops, if of the rank of a General, and the Officer in command of Her Majesty's Naval Forces on the Station, if of the rank of an Admiral, are to have precedence next after the Governor, their own relative rank being determined by the Queen's Regulations on that subject.
- The Senior Officer in command of the troops, if of the rank of Colonel or Lieutenant-Colonel, and the Officer in command of Her Majesty's Naval Forces on the Station, if of equivalent rank, are to have precedence next after the Bishop and the Chief Justice, their own relative rank being determined by the Queen's Regulations on that subject.
- If below the rank of Colonel or Lieutenant-Colonel, the Senior Officer in command of the Troops, and the Officer in command of Her Majesty's Naval Forces on the Station, are to continue to take rank, as has heretofore been the case next after the Solicitor-General.

[illegible]

* The relative precedence is not affected by a General Officer happening to be the Lieutenant Governor of a fortress at home. In all matters wherein the Army and Navy Administration are concerned Fleet Surgeons will rank with and as Brigade Surgeons.

UNIFORM REGULATIONS.

Admiralty, 7 May 1879.

In pursuance of Her Majesty's pleasure, the following are the descriptions of the Uniform to be worn by the Officers, Petty Officers, Seamen, and Boys of the Royal Navy.

FROM CHAP. II.—CEREMONIES AND DISTINCTIONS.

§ XV. UNIFORM.

Uniform.

105. The Officers, Men, and Boys of Her Majesty's Fleet and the Royal Marines shall wear such Uniform as the Admiralty shall, in pursuance of Her Majesty's pleasure, from time to time direct, and of which the description will be published.*

When to be Worn.

106. Every Officer, from the time of his joining the Fleet, Squadron, or Ship to which he shall be appointed, to that of his being removed from it, shall wear the Uniform established for his rank, except when he shall have leave from the Admiralty of the Senior Officer to be absent from his duty, or as herein-after provided.

Plain Clothes.

2. Permission may be given to Officers to wear plain clothes on ordinary leave; but at Reviews, Public Balls, or Entertainments given by Naval or Military Authorities, by Civil Functionaries, or by Military Messes at ports at which their Ships may be lying, Officers are to wear the Uniform of their ranks.

Subordinate Officers.

3. Subordinate Officers when on ordinary leave are to wear the Uniform of their ranks; but permission may be granted to them to wear plain clothes when going into the country, or to ride, snoot, play cricket, or for exercise.

Foreign Ports.

4. In Foreign Ports great discretion should be exercised in allowing Officers to appear out of Uniform, as in such cases they can have no right to expect to be recognised as British Officers.

Full Dress.

107. Full dress is always to be worn on State occasions, whether at home or abroad, by all Naval and Marine Officers.

Undress.

108. Undress is to be worn when visits of ceremony are being exchanged on arrival at Foreign Ports, or when meeting Foreign Officers or other Foreign Functionaries, and also at Courts Martial, at Funerals, and upon all other occasions of ceremony when full dress is not described. Marine Officers are on these occasions to wear their full dress.

Morning Dress.

109. Morning dress, that is, the frock coat and sword, is to be worn on ordinary occasions, such as waiting upon Superior Officers, Surveys, and Examinations. Marine Officers on these occasions are to wear their undress.

* A description of the uniform to be worn by the Officers and men of the Fleet will be published from time to time in the Navy List.

Boarding Officers.

110. Officers boarding Foreign Ships of War are to wear their undress uniform, cocked hats, epaulettes, and side arms; when boarding other vessels frock coats and side arms.

Other Occasions.

111. On other occasions not specially provided for, the Commander-in-Chief or the Senior Officer on the spot will regulate the Uniform to be worn.

Officers and Men to be in same Colour.

112. Officers employed afloat are to wear white or blue trowsers as may be directed by the Senior Officer but on all occasions they are to be in the same colour as the men; this rule does not, however, apply when the men are in white working dress.

Cocked Hats and Side Arms.

113. All Naval Officers, when on shore, or when on duty, in full dress, or in undress coat with epaulettes, are to wear the cocked hat and sword of their respective ranks.

Mourning.

114. On all occasions of mourning, Officers are to wear a piece of black crape round the left arm above the elbow, and no other mark of mourning is ever to be worn unless specially ordered. Men may wear bands of black silk or crape, 3½ inches wide, on the left arm above the marks of distinction.

Officers on Retired and Reserved Lists.

115. Officers on the Retired and on the Reserved Lists, whose names appear on the List of the Navy, are permitted to wear the Uniform of their respective ranks on State and other occasions of ceremony.

§ XVIII. WEARING DECORATIONS AND MEDALS.

Decorations and Medals how to be worn.

125. Her Majesty approves of the following Regulations as to wearing Decorations and Medals:—

- Decorations and medals are to be worn in full dress.
- Miniature orders and medals, or ribbons only, may be worn by officers in the undress uniform.
- Decorations and medals are to be worn on the left breast, in a single horizontal line, suspended from a single bar, placed on a line one inch below the point of the shoulder, but no part of the bar or buckle is to be seen.
- The buckle of the Companionship of the Bath, however, being part of the decoration, is to be shown.
- The ribbon is not to exceed one inch in length, unless the number of clasps requires it to be longer.
- The ribbon of the Badges of Knights Commander of the Orders of the Bath, the Star of India, and of St. Michael and St. George is to be worn inside the collar of the coat, the "Badge" being suspended two inches below the lower edge of the collar.
- When the decorations and medals cannot, on account of the number, be suspended from the bar so as to be fully seen, they are to overlap.
- Medals will be worn in the order of the date at which they were conferred, the first decoration or medal obtained being placed farthest from the shoulder.

2. The following is the order of arrangement:—

- I. British decorations.
- II. British Medals.
- III. Foreign decorations.
- IV. Foreign medals.

3. The medal for long service and good conduct is to be worn after the war medal.

4. Medals granted to Petty Officers and Seamen may either be worn as indicated in the foregoing paragraphs, or be stitched in a straight horizontal line on the jacket or frock.

5. When ribbons only are worn, they must be half an inch in length.

6. Medals awarded by a society for bravery in saving human life are, if specially authorised, to be worn on the right breast.

* Chief Warrant, Warrant Officers, and Chief Officers of Coast Guard who were entitled to these medals before promotion are to wear them.

FROM CHAP. XIII.—INSTRUCTIONS FOR THE CAPTAIN.

499. Clause 5. He is to see that the men are properly clothed, in the established uniform according to the nature of the climate in which they may be serving.

Regulation Kit.

500. The Captain will take care that the Regulation Kit for Petty Officers, Seamen, and Boys, is strictly adhered to; he will not permit the slightest deviation from the established patterns or drawings, so that, in transfer, Men and Boys may be spared the expense of alterations.

2. The numbers of articles may, however, be exceeded when of the authorised pattern, if they can be conveniently stowed.

Before being examined by the Civil Service Commissioners he will be required to pass the medical examination according to the prescribed regulations, and must have been found physically fit for the Navy; rejection at such examination will finally exclude him from the Navy.

8. The candidate will be required to produce (1) a certificate of the date of his birth, or a declaration thereof made before a magistrate; (2) a certificate of good conduct from the masters of the school or schools at which he may have been educated during the two previous years, or, if educated at home, from his tutor or the clergyman of the parish in which he resides; and (3) a certificate of good health.

9. The candidates will be tested by examination in the following subjects:—

	Marks.
(1.) Arithmetic: including proportion, vulgar and decimal fractions	250
(2.) Algebra: including fractions and simple equations of one unknown quantity	175
(3.) Geometry: definitions, postulates, axioms, and subjects of the first twenty-six propositions of Euclid's Elements	175
(4.) English: writing from dictation, reading with intelligence, and parsing easy sentences	100
(5.) French: translating, by aid of a dictionary, French into English, and English into French; reading, parsing, and speaking	200
(6.) Scripture history	100

* A Certificate of Baptism will not be accepted.

Candidates will be further examined in any two of the following subjects they may select:—

	Marks.
Elementary mathematics: miscellaneous questions in arithmetic, algebra, (including quadratic equations), and geometry to the end of the first book of Euclid's Elements	300
Latin: reading, parsing, and translating, by aid of a dictionary, Latin into English, and English into Latin	300
Geography and English History	300

The final order of merit will be determined by the sum of the marks obtained in the test, as well as in the further examination.

In arithmetic the candidate will be required to obtain five tenths, and in each of the other subjects of the test examination four tenths of the marks allotted thereto. In English the candidate must obtain four tenths of the marks allotted for each of the two subdivisions of the subject.

10. Colonial and Service Cadets will be appointed on passing the test examination; they must, however, obtain 600 marks in the aggregate, as well as the proportion of marks in arithmetic and other subjects required from the candidates who compete.

11. A candidate who passes the test examination, but does not succeed in the competition, will be entitled to compete at the next examination, provided he is within the limits of age at that time. No candidate will be allowed to compete more than twice. A candidate who fails to pass the test will not be entitled to another trial, but he will be allowed to compete at the next examination if he receives a fresh nomination and is still within the limits of age.

12. A candidate who, owing to illness, fails to appear at the examination for which he has obtained his nomination may receive a second nomination, provided he is still within the limits of age.

13. For all Cadets entered under these regulations, the payment will be at the rate of 70*l.* per annum for the period in the "Britannia," to be paid half-yearly in advance to the Accountant-General of the Navy. But the Lords Commissioners of the Admiralty reserve the power of selecting, from among the Cadets entered at each half-yearly examination, a number, not to exceed 10, being sons of Officers of the Navy, Army, or Marines, or of Civil Officers under the Board of Admiralty, with respect to whom the annual payment will be 40*l.* only. In this selection their Lordships will have regard solely to the pecuniary circumstances of the Cadets.

14. The period of training on board the "Britannia" will be four terms; there will be two terms in each year. The first term of each year will be from February to July, the second from September to December.

The vacations will be five weeks at Christmas, two weeks at Easter, and six weeks at Midsummer.

15. There will be examinations in Seamanship and Study at the end of each term.

Cadets who pass unsatisfactory examinations, or who are reported for unsatisfactory conduct, will be "warned," and they will be liable to be discharged at the end of the following or any subsequent term, should they again be reported as failing to attain the proper number of marks at the examinations, or for unsatisfactory conduct.

If a Cadet is reported for unsatisfactory conduct during his final term he will be discharged without being allowed to present himself at the examination for passing out of the "Britannia."

Any Cadet who shall appear to their Lordships for any reason to be unfit for the Service will be removed from the "Britannia."

16. It is to be distinctly understood that the period of training on board the "Britannia" is a time of probation, and the parent or guardian of every Cadet will be required to sign a declaration (on the admission of the Cadet to the "Britannia") to the effect that he shall be immediately withdrawn on the receipt of an official intimation of his being considered unfit for the Navy.

17. Cadets will, on passing out of the "Britannia," rank according to the amount of sea time they obtain at their final examination, and those who obtain equal amounts of sea time will rank in the order of merit in which they pass out of the "Britannia."

18. The parent or guardian of every Cadet will be required to provide outfit under the regulations in force.

19. No Pay or pocket money will be allowed by Government to Cadets in the "Britannia."

By Command of their Lordships,
EVAN MACGREGOR.

NAVAL CADETS.—REGULATIONS RESPECTING CADETS WHILE UNDER TRAINING.

(For the information of Parents and Guardians.)

1. The Naval Cadets who join the "Britannia" are allowed four terms—two in each year—to complete their course of study;—at the expiration of which they go up for final examination.

2. The terms are from about the 1st February to the 15th July, and from about the 1st August to the 31st December; and the vacations will be six weeks at Midsummer, five weeks at Christmas, and two weeks at Easter; the dates of commencement of vacation depending upon the completion of the examinations by the President, Royal Naval College, Greenwich.

3. The friends of the Cadets must be prepared to receive them during all the vacations.

4. The following payment will be required from the Parents or Guardians of each Cadet while in the "Britannia," as a contribution towards the cost of his education:—

Before the commencement of each term, 2*5s.*; except in the case of those received at the reduced rate of 40*l.* a year, whose half-yearly payments will be 30*l.* only. Claims will be made upon the parents or guardians by the Accountant-General of the Navy for these sums as they become due, and the money should be at once remitted. In the event of non-payment, although the Cadets will not be refused admission into the Ship while their friends are being communicated with, they will not be considered as entered for tuition until the amounts have been received.

5. In addition to the above payments, any expenses incurred by a Cadet for clothing, books, &c., as well as the allowance of 1*s.* a week paid as pocket-money, will be included in the personal account sent in to the Parent from the Ship at the end of each term.

Captains of Cadets are paid 2*s.* and Chief Captains 2*s.* 6*d.* a week pocket-money, but of this sum only the ordinary allowance of 1*s.* will be charged to the Cadet.

6. All travelling expenses for Cadets will be advanced by the Paymaster of the "Britannia," who will charge the sum to the Cadet's personal account.

7. Since the Cadets will have a weekly allowance paid to them as pocket-money, and as an amount is allowed by the Government to pay the expenses attending their amusements, it is requested that their friends do not give them any money except on joining, or on their return from the Vacations, and then the amount must not exceed Ten Shillings. It is particularly requested that this Regulation be adhered to. Such money as may be required by a Cadet for any special circumstances will be advanced by the Paymaster under the authority of the Captain of the "Britannia."

8. It is particularly requested that the Cadets bring their Linen clean, and Clothes and Boots in good order, when they join the ship, and also when they return from leave, and that the outfit, as required, be complete.

9. Cadets are not permitted to open an account with Tradesmen. Parents and Guardians are therefore requested to pay no bills that may be sent them.

10. Should there have been any infectious disease in the house where Cadets have been staying during their holidays, notice of the circumstance is to be given to the Commanding Officer of H.M.S. "Britannia"; and they are not to join until they have received a communication from him that they may do so.

11. All letters relative to the Cadets should be addressed as follows:—"The Commanding Officer, H.M.S. 'Britannia,' Dartmouth."

12. Should Cadets bring valuable Gold Watches or Chains with them to the Training Ship, they will be taken from them and placed in security until they return to their homes. Silver Watches will be allowed to be used.

13. Parents or Guardians of Cadets must, in all cases of permanent change of residence, communicate the same to the Captain of the Training Ship, without delay.

By Command of their Lordships,
EVAN MACGREGOR.

1. Vacancies for Appointments as Engineer Students in the Dockyards will be filled principally by means of competitive examinations open to all sons of British subjects, being of the prescribed age and of good moral character, but their Lordships will reserve to themselves the right to nominate a few Candidates at each entry who will be appointed on passing the examination specified in paragraph 11.

The Candidates to be nominated will be selected by the Board of Admiralty from sons of officers of the Navy, Army, or Royal Marines who have been killed in action or who have been lost at sea on active service, or killed on duty, or who have died of wounds received in action or injuries received on duty within six months from the date of such action or injury, or sons of officers of the Navy or Royal Marines who have performed long and meritorious service. The number to be so nominated will not exceed one fifth of the total number of Engineer Students to be entered. Except as regards exemption from the Competitive Examination, these Candidates will be subject in all respects to these regulations.

2. The number of appointments to be made in each year and the Dockyard at which Engineer Students are to be entered will be fixed by their Lordships.

3. The List of Candidates for these appointments on competition will be kept at the office of the Service Commissioners. All applications for the

forms to be filled up by persons who wish to compete must be sent to the *Secretary, Civil Service Commission, London, S.W.*, on or after the 1st of January in each year, and care must be taken that the forms, when filled up, are returned so as to reach the *Civil Service Commissioners* on or before the 15th March following, as no notice will be taken of forms received after that date. The list of Nominated Candidates will be kept at the Admiralty.

4. Candidates must not be less than Fourteen, nor more than Sixteen Years of age on the 1st day of May in the year in which they are examined.

5. Evidence of age and character will not be required before the examination, but Candidates successful in it will not be eligible for appointment unless they satisfy the Civil Service Commissioners on these points.

6. The Medical Examination of the successful Candidates will be held under the authority of their Lordships, as soon as possible after the result of the Educational Examination is made known. No candidate will be entered as an Engineer Student unless he is pronounced to be physically fit. Candidates in or near London will be medically examined by the Medical Director-General of the Navy at the Admiralty. Those residing near one of Her Majesty's Dockyards, or one of the First Reserve ships, or Drill Ships of the Royal Naval Reserve, or the Flag-ship at Queenstown, will be examined by the Medical Officers attached thereto. The Medical examination will be conducted in all respects in strict accordance with the Instructions for the examination of persons for admission into the Naval Service. All Candidates at the time of their Medical Examination must produce Certificates to the satisfaction of the examining Officers that they have been vaccinated, or they must be revaccinated before they can be considered for entry into the Dockyard.

with an asterisk), or in reading aloud, will be disqualified, and their other papers will not be examined. Successful Candidates will be entered as Engineer Students in one of the Dockyards, according to the number of appointments which it may be decided to make that year; they will be taken according to their position on the examination list. Candidates who obtain less than 700 marks in the aggregate will not be placed upon the list.

11. The Candidates who are nominated by their Lordships will be required to pass the same test examination in the first four subjects as the Candidates who enter for the Competitive Examination. They will also be examined in the other subjects to ascertain the extent of their knowledge and to determine their order of merit, and no nominated Candidate will be appointed as an Engineer Student who obtains less than 700 marks in the aggregate.

12. Candidates will be informed by letter from the Civil Service Commission of the result of their Examination as soon as it has been ascertained.

13. The Candidates who obtain appointments will be entered as Engineer students not later than the 1st July in each year, and must join with their Parents or Guardians in a Bond for 300*l.* to enter, if required, into Her Majesty's Naval Service as Assistant Engineers, if at the expiration of their training they should obtain Certificates of good conduct and efficiency for entry in that capacity. These Bonds and the Indentures of Apprenticeship must be completed in all respects before the Students join the Dockyard.

14. The Parent or Guardian of each Engineer Student entered in future will be required to make four annual payments during the first four years of the Student's training, viz.—30*l.* each year for the first two years, and 20*l.* each year for the two subsequent years. It will, however, be at the discretion of my Lords to reduce these annual payments in the case of sons of officers killed or drowned or who have otherwise lost their lives on service. Should an Engineer Student leave or be dismissed from the service, the payments which have been made in his behalf will be forfeited.

15. The first payment is to be made before the Student is entered in the Yard, and the three next payments are to be made on or before the 30th day of June in each of the three succeeding years. The payments are to be made to the Cashier of the Yard to which the Student is appointed. In case of failure of payment the Student will be discharged.

16. The parents or guardians of all Engineer Students will also be required to provide the uniform (see Par. 23) or other clothing, washing, and necessities of each student. Board and Lodging, and Medical Attendance will be provided by the Admiralty. The Students will be required to reside in one of the Dockyards or in a vessel adjacent thereto.

17. The weekly pay of Engineer Students during their training will be as follows, provided they are well reported on by the Officers:—

First Year	One Shilling	} a week.
Second "	Two Shillings	
Third "	Three "	
Fourth "	Five "	
Fifth "	Eight "	
Sixth "	Ten "	

18. Five weeks' leave (30 working days) on full pay will be granted each year to all Engineer Students whose conduct and progress have been satisfactory. This leave is to be taken during the School Vacations at Midsummer and Christmas.

19. The students are not to be checked pay while on leave, nor when hurt. When sick they will be checked of their pay after they have been absent for six months in the aggregate during any period of twelve months. At the expiration of this time a special report is to be made to their Lordships in each case. Students pronounced at the end of twelve months' absence on account of sickness or hurt to be permanently unfit, or unlikely to be capable of entering Her Majesty's Navy as Engineer Officers, will be discharged.

20. Engineer Students will be under the supervision of the Superintendent of the Dockyard, and a Staff of Officers, and subject to such rules and regulations as their Lordships may deem necessary.

21. Special Regulations will be made for Engineer Students in the Dockyards, so as to make a distinction between them and the Workmen.

22. Engineer Students in their first year of training

who may be desirous of leaving the service, and whose reasons are considered satisfactory, may be allowed, under their Lordships' authority, to have their Indentures and Bonds cancelled, but this concession is not to be claimed as a right.

23. Engineer Students will remain for Six Years at one of the Dockyards for practical training in the Workshops, and to receive instructions in Iron Ship-building. While the Engineer Students are being instructed in Iron Shipbuilding they are to be under the direction of the Chief Constructor. They will attend the Dockyard Schools for such periods, and to pursue such studies as may from time to time be determined on; they will also pass a portion of their time in the Drawing Office. Means will be afforded them of acquiring the groundwork of the knowledge required by a Naval Engineer respecting the working of Marine Engines and Boilers, including those repairs which can be carried out aboard, the practical use of the various Instruments used in the Engine-room, including the Indicator, and of becoming generally acquainted with the duties of a Naval Engineer.

24. Engineer Students will be examined once a year under the direction of the President of the Royal Naval College. They will be examined by the Engineer Officers of the Admiralty at the end of the fourth, fifth, and sixth years of their service as to their practical acquirements and knowledge of steam machinery. Prizes will be given annually at each Dockyard to the Engineer Students most highly reported on as regards their skill as workmen. Practical Engineering will be considered an essential subject at Examinations, and in the lists showing the results of Examinations the numbers obtained in Practical subjects will be shown distinct from those obtained in Educational subjects. No Engineer Student will be granted a qualifying Certificate for entry at the Royal Naval College unless he obtains at least 50 per cent. of the total number of marks for Practical Engineering on his final Examination, and also displays a competent knowledge of the subjects taught in the Dockyard Schools.

25. The Examination of the Sixth-Year Students is to be held in time for the necessary Certificates to be forwarded to the Admiralty on or before the 23rd June in each year, and it will include tests of their skill as workmen. Those found qualified will, on the completion of their term of service at the Dockyards, be entered as Acting Assistant Engineers on probation, and proceed to the Royal Naval College at Greenwich on the 1st October succeeding the Examination, where they will pass through a course of higher instruction.

26. Those Engineer Students who fail to pass the Examination at the end of their Six Years' Service will be allowed to remain one year longer at the Dockyards, and will then be re-examined, when, if they are unable to pass, they will cease to be eligible for the rank of Naval Engineer. The Pay of a Student during such year of probation will be the same as during the sixth year.

27. Engineer Students will not be entered as Acting Assistant Engineers until they have been pronounced fit for Her Majesty's Naval Service by the Medical Officers, and have learned to swim.

28. The pay of Acting Assistant Engineers while at the Reserves will be 4*s.* a day, and they will receive 1*s.* 6*d.* a day in lieu of Provisions, &c. While at Greenwich they will be provided with quarters, and during their first session they will be paid 6*s.* a day, and 1*s.* 6*d.* a day towards the mess expenses. Those selected for further study will receive their full pay and 1*s.* 6*d.* a day towards the mess.

29. The period of study at Greenwich will be one session, extending from the 1st October to the 30th June following. All will be examined under the direction of the President of the Royal Naval College on the completion of their course at Greenwich, and will receive Certificates according to their merit, in three classes. Those who obtain First Class Certificates will receive Commissions dated the same day as their Acting Appointments. Those who obtain Second Class Certificates will receive Commissions dated six months after the date of their Acting Appointments, and those who obtain Third Class Certificates will receive Commissions dated the day after their discharge from the Royal Naval College. The additional time given for First Class Certificates and Second Class Certificates will reckon in all respects as time served as Assistant Engineer. In the event of any Acting Assistant Engineer failing to pass satisfactorily at the final examination at Greenwich, his Commission

will be withheld for such a period as may be determined on by their Lordships.

30. Two Assistant Engineers will be selected annually from those who take the highest place at the Examination on the completion of their course at Greenwich, to pass through a further course of scientific instruction if they desire it. These two will be allowed to remain two more sessions at Greenwich, on the completion of which they will be sent to Sea as Assistant Engineers, and after one year's service at Sea, they will be considered eligible to fill vacancies occurring in the Dockyards and at the Admiralty.

31. Those passing the Second and Third Sessions at Greenwich will be attached during the vacations between the 30th June and 1st October to the Dockyards or Steam Reserves, where they will be employed sketching Machinery, attending trials of new and repaired Engines, and gaining such professional information as will be most useful to them for the purposes of Engine Design.

32. No Assistant Engineer who has passed Three Sessions at Greenwich will be allowed to leave Her Majesty's Service within seven years of the completion of his term at Greenwich, unless he shall pay the sum of 5000*l.* to defray the charges of his education. Such resignation to be subject in each case to their Lordships' approval.

FLEET CIRCULAR No. 5.—N.

Admiralty, 4th March 1901.

GUNNERY AND TORPEDO INSTRUCTION.

Mr. Lords Commissioners of the Admiralty are pleased to approve of the following additional regulations for future Gunnery and Torpedo instruction to Officers in Her Majesty's Fleet:

I.—Special Torpedo Class.

1. One Special Torpedo Class will be held in each year, to commence the third Wednesday in July, to be composed chiefly of officers qualifying as Gunnery and Torpedo Lieutenants and Lieutenants, R.M.A.

2. A small number of other Officers who obtain a special certificate at Greenwich in electricity, will, at their Lordships' discretion, be allowed to follow this course, and they will be appointed to full pay for this purpose. They will be examined at its conclusion and the result reported to the Admiralty.

3. The Officers qualifying as Gunnery and Torpedo Lieutenants will be allowed leave between the close of the course at the Royal Naval College and the commencement of the Torpedo course. The total amount of vacation hitherto granted is not altered.

II.—Special Half-Pay Class.

1. One class will be held in each year, to commence the second Monday in April, for officers on half pay desirous of obtaining a general knowledge of Torpedo warfare.

2. Directly after the above a course of instruction in Gunnery for Officers of the rank of Commander and upwards will be held on board H.M.S. "Excellent."

III.—Lieutenants' Courses.

1. Three courses of instruction in Gunnery and Torpedo will be held in each year for Lieutenants.

2. Officers will be on full pay; they will be appointed on the Saturday preceding the second Monday in January and April, and first Monday in October, to the "Vernon," for the short course of Torpedo instruction, and on its completion in eight weeks' time they will be transferred to the books of the Gunnery Ships for the short course of Gunnery instruction, which will last 91 days as heretofore; an additional seven days will be allowed to the November Gunnery course for the Christmas vacation.

3. An examination will complete each of the above courses, in which marks will be given as follows:

	No. of Marks.
Gunnery course	- 600
Torpedo course	- 350

Three classes of certificates will be awarded: for a 1st class 500 marks in Gunnery and 315 in Torpedo must be obtained, for a 2nd class 450 in Gunnery and 250 in Torpedo, for a 3rd class 400 in Gunnery and 245 in Torpedo.

4. Should an Officer fail to obtain 245 marks in Torpedo, and 420 marks in Gunnery, or of his own accord leave before the completion of either of these courses, the time served in either will only be allowed to count as half-pay time, although he may have been in receipt of full pay. The fact of passing a good examination will be noted in an Officer's favour.

5. Any Officers obtaining a 1st Class Certificate will at their Lordships' discretion be placed on a List for appointment to ships, not carrying a Gunnery or Torpedo Lieutenant, for Gunnery and Torpedo duties involving one shilling a day extra pay whilst so employed.

6. After an absence of 3 years from the Gunnery and Torpedo Schools these Officers must regularly fit themselves of further appointment in the same capacity. The qualifying course will include 6 weeks in the "Excellent" and 1 month in the "Vernon."

7. These Officers will not be in addition to the complement.

IV.—Junior Executive Officers.

1. Torpedo instruction is to be regularly imparted to all Acting Sub-Lieutenants, Midshipmen, and Naval Cadets in sea-going vessels by the Torpedo Lieutenant, or where such an Officer is not borne by the Gunnery Lieutenant; should neither Torpedo nor Gunnery Lieutenant be borne, the Captain is to select for the duty an Officer who has completed a course of instruction on board the "Vernon."

2. The instruction is to comprise an elementary knowledge of electricity, and its practical application in submarine warfare.

3. Torpedo instruction will not be included in the examination for Midshipmen, but will form part of the periodical examination of the Junior Branches, and in addition to the 650 marks now allotted to Gunnery, 350 are to be given to Torpedo. The result is to be inserted in the Report S. No. 255.

4. The certificate of proficiency in Gunnery required from a Midshipman on presenting himself for examination abroad in Seamanship is to contain a statement to the effect that he has been instructed in and has a fair knowledge of Torpedo. This provision is to come into operation in 9 months from the date hereof.

5. An Acting Sub-Lieutenant, on completing his examination at the Royal Naval College, will be granted a short period of leave, on the expiration of which he will join the "Vernon" for a course of Torpedo instruction. This course will last one month, and be followed by an examination.

6. If a candidate fails to obtain a certificate in Torpedo he will forfeit one month's seniority, and be again examined at the end of a month. Failure at this second examination will render him liable to discharge from the Service. On completing examination in Torpedo

an Acting Sub-Lieutenant will be discharged to the "Excellent" to undergo his Gunnery Course.

7. The full numbers for the Gunnery and Torpedo examination will be 800, of which 600 will be for Gunnery and 200 for Torpedo:

3. An examination will follow the completion of this course, when a certificate of proficiency must be obtained in both subjects. This examination will be optional in the case of Chief Engineers.

4. Should an Officer fail to pass, the time he has been under instruction will count as half-pay time only, though he will receive full-pay. The fact of passing a good examination will be noted in an Officer's favour.

ROBERT H. L.L.

To all Commanding Officers, &c.

THE BEAUFORT TESTIMONIAL.

The Beaufort Testimonial, which was founded in 1809 to commemorate the service of Rear-Admiral Sir Francis Beaufort, K.C.B., who filled the post of Hydrographer of the Navy from 1829 to 1855, consists of some instrument or work of a kind to be practically useful to a Naval Officer.

It is bestowed annually on the Officer who, in qualifying for the rank of Lieutenant, passes at the Royal Naval College the best examination in the subjects laid down in the Queen's Regulations and Admiralty Instructions as comprised in Navigation.

Candidates for the Beaufort Testimonial must signify their intention of competing one month before the time for their examination, and more searching questions will be set them on all subjects.

THE GOODENOUGH MEDAL AND FUND.

The Goodenough Fund—founded in memory of the late Captain James G. Goodenough, C.B., C.M.G., who died on 20th August 1875, whilst serving as Commodore on the Australian Station, from wounds inflicted with poisoned arrows in an unprovoked attack by natives of Santa Cruz—consists of a sum of about 8000. The interest of this sum is employed annually in providing a Gold Medal, called the Goodenough Medal, which is conferred on the Sub-Lieutenant who, when qualifying for the rank of Lieutenant, passes the best examination of his year in Gunnery, provided he has also taken a first-class certificate in Seamanship. Any balance that remains, after payment of expenses, is also handed over to him.

THE GILBERT BLANE MEDAL.

In 1830 the late Sir Gilbert Blane, Bart., formerly a member of the Board for sick and wounded seamen, established, with the sanction of the Board of Admiralty, for the encouragement of Naval Medical Science, a fund vested in the Corporation of the Royal College of Surgeons of London, in trust, for the purpose of conferring a gold medal once in every two years on each of the two Medical Officers (Fleet, or Staff Surgeons, or Surgeons) who shall produce the most approved journals of their practice "in the form in which they have been kept from day to day" whilst in Medical charge of a ship of war in the Royal Navy.

The Presidents of the Colleges of Physicians and of Surgeons, and the Medical Director General of the Navy award the medals biennially for the two best journals sent into office during the preceding period of two years.

* Separate classes in Gunnery and Torpedo are now given, and the Rules will appear in the next Addenda to the Regulations.

2. The new scales of full-pay and allowances to apply to all Officers, unless they request, in writing, within such time as may be prescribed, to be paid according to those now in force, in which case they will continue to receive the old rates of pay and allowances during all their future service.

3. Officers to whom option is given as to half-pay, promotion, and retirement, and who elect to be dealt with under the old Regulations, will retain their present rights, except so far as they are expressly limited by these Temporary Provisions; but in that case it must be clearly understood that they will have none of the advantages of the new Regulations.

When so retired, the names of those who have hoisted their flags, or have been employed at the Admiralty, will, if they should desire it, be retained on the Active List according to seniority, until such time as they would have been compulsorily retired under the Order in Council of 24th March 1866; but they will not be entitled to rise above the rank of Admiral or Retired Admiral. Their names to be supplementary to the established numbers of the List, and to be printed in Italics; and when ultimately removed from the List by death or otherwise, the vacancies so caused not to be filled up.

17. All Captains now on the Active List, of less than 8 years' standing, to be allowed the same option, except that they will in no case be allowed to remain on the Active List after the age of 55.

18. Until the Active Lists of Captains, Commanders, and Lieutenants shall have been reduced to 150, 200, and 600 respectively, only one in every four vacancies caused by retirement, and promotions consequent thereon, to be filled up. Vacancies caused by death to be filled up as they occur.

19. No further additions to be made to the List of Reserved Flag Officers.

20. The new requirements of service for promotion not to be enforced with regard to Commanders and Lieutenants now on the Active List, who are at the present time qualified by service for promotion under the old Regulations.

21. Such Commanders and Lieutenants now on the Active List, as are not at the present time qualified by service for promotion, will be promoted under the new Regulations.

22. All Commanders and Lieutenants now on the Active List, who may be retired under the provisions of this scheme, to be allowed the option of retiring on the terms of the new Regulations, or on the retired scale provided by Her Majesty's Orders in Council of 1st August 1860, 9th July 1861, and 24th March 1866. In either case, however, they will be retired at the respective ages of 50 and 45, or when they have not served for 5 years, but they will retain their present privilege as to rising in rank.

[See Order in Council of 21st July 1876, as to promotion of Commanders on attaining 15 years' seniority.]

23. The advantages conferred by the Order in Council of 29th June 1867 on some of the reserved Captains (F. G. List) to be extended to all such Captains, these Officers to be placed, according to seniority, as vacancies occur, on the Retired List, under Orders in Council of 24th April 1847, 25th June 1851, and 26th June 1867; and to rise to Flag Rank according to their seniority as Captain.

24. Until the present Active Lists shall have been reduced to the proposed numbers, any Officers may, with their consent, and at Our discretion, be retired: if above 40 years of age, on the terms of the new Regulations, if under 40 years of age, on the active half-pay of their rank. [Extended as regards Lieutenants by Order in Council 29th November 1879.]

All present Rules and Regulations, except in so far as they are expressly altered or limited by these General or Temporary Provisions, shall be deemed to remain in force.

SERVICE REQUIRED TO QUALIFY OFFICERS FOR PROMOTION TO FLAG RANK ON THE ACTIVE OR RETIRED LISTS.

ORDER IN COUNCIL, No. 11.—C.

At the Court at Osborne House, Isle of Wight,

The 4th day of August 1873.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 1st of August 1873, in the words following, viz.:—

"Whereas in Your Majesty's Order in Council of 22nd February 1870, governing the promotion and retirement of Flag Officers and others of Your Majesty's Fleet, clause six of section two appoints as follows:—

"Captains retired from that rank to be entitled to rise by seniority to the rank of Retired Rear-Admiral, if before retirement they had served the time to qualify them for promotion."

"And whereas we are of opinion that this condition may be modified, we humbly propose to Your Majesty that the clause above recited be cancelled, and the following substituted:—

"Captains who have been, or who may in future be, retired from the rank under Your Majesty's Order

in Council of 22nd February 1870, to be entitled to rise by seniority to the rank of Retired Rear-Admiral if they have served three years as Captain in command of a Ship of War at sea."

[See Order in Council, 4th August 1873, cancelling this.]

"And whereas clause five of section two of Your Majesty's said Order in Council is as follows:—

"To qualify a Captain whose seniority brings him in turn for advancement to the Active List of Flag Officers he must have completed six years' Sea Service as Captain, or its equivalent in Harbour Service, but the first three years of such period must be Sea Service in command of a Ship of War at sea, such Officers as arrive at their turn for promotion without having completed the qualifying Service to be retired."

"And whereas in section five, which defines 'Harbour Service,' clause two contains the following sub-clause:—

"(a.) Service in Harbour Ships or their Tenders (with the exception of the Harbour Ships and Tenders as Ascension, Port Royal, Hong Kong, and Rio de Janeiro, and at such other Foreign Ports as we may determine), and Service in First Reserve (Coast Guard) Ships, after the first three years of such Service, such first three years to reckon as Sea Service."

"And whereas we are of opinion that the above recited clauses may render it unduly difficult for Captains who, as Lieutenants qualified in Harbour Ships as Gunners, Lieutenants, and also in some other special cases, to obtain the amount of Service required to qualify them for promotion to Flag Rank.

"We therefore humbly propose to Your Majesty that the sub-clause above recited of the second clause of the fifth section of Your Majesty's said Order in Council be cancelled and the following sub-clause substituted:—

"(a.) Service of an Officer when borne on the books of any Harbour Ship, or of any First Reserve (Coast Guard) Ship, subject to the following exceptions:—

"1. Three years served in any Harbour Ship or First Reserve (Coast Guard) Ship, or in any Tender to such Ship, as Lieutenant or Commander, or in those ranks combined, shall count as Sea Service, but not as Sea Service in a Ship of War at sea.

"2. Three years served either before or after 1st August 1873, or partly before and partly after that date, as Captain in command of any Harbour Ship or First Reserve (Coast Guard) Ship, or any Tender to such Ship, shall count as Sea Service, but not as Sea Service in a Ship of War at sea.

"This shall not apply to any Officer who retired before 1st August 1873.

"3. Service subsequent to 1st August 1873, in Tenders to Harbour Ships and to First Reserve (Coast Guard) Ships at Home, and in Harbour Ships Abroad, and their Tenders, shall, in such cases as we may direct, count as Service in a Ship of War at sea."

(Under this power Tenders to First Reserve Ships have been allowed to count as service in a ship of War at Sea.)

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

ORDER IN COUNCIL. No. 22.—C.W.

At the Court at Windsor,

The 4th day of December 1873.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 3rd of December 1873, in the words following, viz:—

"Whereas by clause eight, section one, of Your Majesty's Order in Council of 22nd February 1870, it is established that—

"Rear-Admirals shall not be eligible for promotion to the rank of Vice-Admiral on the Active List until they have completed one year's Sea Service, or its equivalent in Harbour Service as Flag Officer; but such officers as arrive at their turn for promotion without having completed the qualifying service, and not having attained the age for retirement, to remain on the Active List until qualified for promotion, or until retired; if promoted, to take rank according to former seniority."

"And whereas Your Majesty's subsequent Order in Council of 5th August 1873, with a view to providing temporarily for a more uniform flow of advancement to the ranks of Flag Officer, Captain, Commander, and Lieutenant in Your Majesty's Navy, authorised an increase, by 10, of the number of Rear-Admirals as laid down in the Order in Council of 22nd February 1870, by which increase, in consequence of the limited number of appointments open to that rank, it is rendered impossible to provide for every Officer obtaining the necessary qualifying service before he arrives at his turn for promotion:—We do most humbly submit that, in order to avoid the necessity of passing over Officers who are, in other respects, well qualified for advancement, We be empowered to cancel the before-recited clause of Your Majesty's Order in Council of 22nd February 1870, and to supplement the powers conferred by the same Order in Council so far as refers to the compulsory retirement of Admirals and Vice-Admirals by the following provision, viz:—

"Flag Officers who have not hoisted their flag, as Flag Officers, to be retired at the age of 60."

"The Lords Commissioners of Your Majesty's Treasury have signified their concurrence in the cost of this proposal."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

ORDER IN COUNCIL. No. 8.—C.W.

At the Court at Osborne House, Isle of Wight,

The 21st day of July 1873.

Present:

The QUEEN'S most Excellent Majesty in Council. WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 19th of July 1873, in the words following, viz:—

"Whereas we have had under our consideration the case of the Commanders of Your Majesty's Navy who have been placed on the Retired List of their Rank under Your Majesty's Orders in Council of 22nd February 1870, and 4th August 1873, and who, not having the required sea service, are not entitled to a step of rank on retirement; and whereas under the provisions of Your Majesty's Order in Council of 5th August 1873, Captains are allowed one step in rank, according to seniority, after retirement, irrespective of any qualifying service. We most humbly submit to Your Majesty that Commanders who have already been retired, or who may hereafter retire, without having served sufficiently long at sea to qualify them for promotion to the rank of Captain, may, at our discretion, be allowed to assume the rank of Retired Captain on attaining fifteen years' seniority, but without any increase of Retired Pay or Widow Pension."

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

PROMOTION OF FLAG OFFICERS, CAPTAINS, COMMANDERS, AND LIEUTENANTS, AND RETIREMENT OF SUB-LIEUTENANTS.

(These provisions are modified by Order in Council, 4th August 1875.)

At the Court at Osborne House, Isle of Wight,

The 5th day of February 1873.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 29th December 1871, in the words following, viz:—

"Whereas Your Majesty, by Order in Council of 22nd February 1870, has graciously pleased to establish Regulations for the promotion and Retirement of Officers of the Navy, and whereas we are of opinion, in view

of the small number of promotions that have taken place during the past year, that it is expedient to provide for the immediate advancement of a limited number of the present Commanders and Lieutenants, and also to diminish the restrictions on the promotion of Commanders, Lieutenants, and Sub-Lieutenants, imposed by Your Majesty's aforesaid Order in Council, until such time as the Active List of Captains, Commanders, and Lieutenants shall be reduced to the numbers thereby established: And whereas we are further of opinion that it is expedient to make other amendments in the temporary provisions of the said Order in Council, and also that it is necessary to establish regulations for the retirement of Sub-Lieutenants, we do hereby order that the said Regulations be modified as follows:—

"We would, therefore, most humbly submit to Your Majesty—

"1. That we be empowered to promote ten Commanders to the rank of Captain, and ten Lieutenants to the rank of Commander, from this present date.

"2. That until the list of Captains is reduced to one hundred and fifty, we be authorised to promote Officers to vacancies caused by retirement, according to the following scale:—

"(a.) One Commander in every vacancy which now exists, or which shall hereafter arise, on the List of Captains, due to the retirement of Admirals.

"(b.) One Commander in every two vacancies which now exist, or shall hereafter arise, on the List of Captains, due to the retirement of Vice-Admirals, Rear-Admirals, or Captains.

"(c.) One Lieutenant in each vacancy arising on the List of Commanders from the above promotions.

"3. That we be further authorised, until the List of Commanders is reduced to two hundred, to promote one Lieutenant in every two vacancies now existing, or in future arising from the retirement of Commanders.

"4. All vacancies arising from deaths, resignations, &c., to be filled up as they occur.

"5. That until the List of Sub-Lieutenants is reduced to two hundred and fifty, we be authorised to confer promotion on any Sub-Lieutenant who is, in our opinion, worthy of advancement, although such promotions may cause the List of Lieutenants to be temporarily in excess of the numbers authorised by Your Majesty's aforesaid Orders in Council.

"6. Captains who were promoted to that rank before the 1st April 1870, and who elected the new regulations for retirement, to be allowed, if physically unfit, or if they have not served for seven years, on retirement, an amount of retired pay not less than that to which they would have been entitled to receive under the regulations which were in force prior to the 1st April 1870.

"7. Sub-Lieutenants to be compulsorily retired at the age of forty, or at any age if physically unfit for service.

"8. Until the List of Sub-Lieutenants is reduced to two hundred and fifty, any such Officers to be allowed, with their consent and at our discretion, to retire irrespective of age.

"9. Retired Pay to be granted as follows:—After three years' seniority, *£*s. 6d. per diem, an additional *£*d. being given for each complete year beyond three served as Sub-Lieutenant until the maximum is reached, viz., *£*s. 6s. per diem.

"10. Officers who in our opinion, are not deserving of receiving retired pay on the above scale, to be granted such low rate of pay as we may think fit toward them.

"11. Service for retired pay to be calculated in accordance with the provisions of Your Majesty's Order in Council of 22nd February 1870, relating to Flag Officers, Captains, Commanders, and Lieutenants, time during which a Sub-Lieutenant may be on half-pay after he has served three years in that rank to reckon in the proportion fixed by the Order in Council.

"12. Sub-Lieutenants to be allowed, at their own request and with our consent, to commute their retired pay under the rules laid down by the Lords Commissioners of Your Majesty's Treasury for administering the Act 34 and 35 Vict. cap. 50.

"13. The existing rules as to half-pay to Sub-Lieutenants while on the Active List to remain in force.

"We therefore most humbly submit that Your Majesty will be graciously pleased to sanction these arrangements, which have received the concurrence of the Lords Commissioners of Your Majesty's Treasury."

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

CIRCULAR No. 10.—C.

At the Court at Osborne House, Isle of Wight,

The 5th day of August 1875.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the third of August, one thousand eight hundred and seventy-five, in the words following, viz.:—

"Whereas we have had under our consideration the effects of Your Majesty's Orders in Council of twenty

second February, one thousand eight hundred and seventy, and fourth August, one thousand eight hundred and seventy-three, in so far as they relate to the retirement and promotion of Flag Officers, Captains, Commanders, and Lieutenants of Your Majesty's Navy: And whereas large reductions of these lists have been thereby effected, which, though highly satisfactory in one point of view, have resulted in a great stagnation of promotion: We are of opinion that it is expedient to provide temporarily for a more uniform flow of advancement to these ranks; to relax slightly the rules as regards the age at which Flag Officers and Captains may be optionally retired, and to modify still further the restrictions respecting the advancement to Flag Rank of Officers on the Retired List and promotions on that List.

"We would therefore most humbly submit to Your Majesty:—

"1. That we be empowered for the present to promote annually seven Captains to Flag Rank, effecting this by promoting to Flag Rank as heretofore in vacancies caused by death and retirement, and by supplementing any vacancies short of seven at the end of each year, so long as a maximum number of sixty-eight Flag Officers be not exceeded:—

"Adjusting the Flag Ranks thus:—	
3 Admirals of the Fleet.	} Total 68.
10 Admirals.	
20 Vice-Admirals.	
35 Rear-Admirals.	

"Promotions to the List of Admirals to be in the proportion of one to two in vacancies caused by retirement until the number is reduced to ten, and the addition to the list of Vice-Admirals and Rear-Admirals to be in the proportion of one Vice-Admiral to every two Rear-Admirals added to the list; should there be more than seven vacancies in any year the excess not to be filled up in that year, provided the list of Flag Officers is kept up to fifty.

"2. That, for the present, we be also empowered to promote annually twelve (and should vacancies occur as many as fifteen) Commanders to the rank of Captain, effecting this by filling every vacancy and supplementing any vacancies short of twelve at the end of each year, so long as a maximum number of one hundred and seventy-five Captains be not exceeded; should there be more than fifteen vacancies in any year the excess not to be filled up in that year.

"3. That, for the present, we be also empowered to promote annually twenty (and should vacancies occur as many as twenty-five) Lieutenants to the rank of Commander, effecting this by filling every vacancy, and supplementing any vacancies short of twenty at the end of each year, so long as a maximum number of two hundred and seventy-five Commanders be not exceeded; should there be more than twenty-five vacancies in any year the excess not to be filled up in that year, provided that the list is kept up to two hundred.

"4. That, for the present, we be authorised to sanction the optional retirement of Flag Officers and Captains at the following ages, viz.:—

"Admirals and Vice-Admirals . . .	55
"Rear-Admirals . . .	50
"Captains . . .	45

"Such optional retirement to be subject in each case to our approval, and to be restricted to three Flag Officers and six Captains annually, power being reserved to us, with the sanction of the Lords Commissioners of Your Majesty's Treasury, to extend this option to a larger number hereafter should such course appear desirable.

"5. That one step in rank, according to seniority, be granted to all Rear-Admirals and Captains who may have been, or who may hereafter be, placed on the Retired List, under the provisions of Your Majesty's Order in Council of twenty-second February, one thousand eight hundred and seventy, irrespective of any qualifying service; such advancement not to carry with it any increase of retired pay.

"We further beg to state that the Lords Commissioners of Your Majesty's Treasury have given their assent to the cost of these proposals."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed.

And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

No. 39.—C.W.

At the Court at Windsor,

The 29th day of November 1870.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 27th of November 1870, in the words following, viz.:

"Whereas we have had under our consideration the effect of Your Majesty's Orders in Council of 22nd February 1870 and 5th February 1872, both as regards the limitation of the number of Lieutenants in Your Majesty's Fleet and the restrictions for the promotion of Officers to that rank; and whereas the Navigating Class of Your Majesty's Fleet is being rapidly reduced on account of the special entries for that class having been for some time past discontinued.

"We are of opinion that it is necessary:—

"1. To increase the number of Lieutenants for executive duties;

"2. To supplement in addition, but gradually, the List of Lieutenants as substitutes for the Navigating Officers; and

"3. To make better provision for the promotion of Sub-Lieutenants.

"We do most humbly submit that Your Majesty will be pleased to sanction:—

"1. That the number of Lieutenants for Executive duties shall be 300.

"2. That we be authorised to increase that number of Lieutenants gradually to 1,000 in proportion as the numbers on the Lists of Staff Commanders and Navigating Lieutenants fall below the number fixed by Order in Council of 1870, viz. 250, so that eventually the List of Lieutenants shall be 800 for Executive duties and 200 for Navigating duties.

"3. That we be empowered to promote 75 Sub-Lieutenants during the present year without reference to the number on the Lieutenant's List; and in each successive year a number that shall not exceed the number that has been added to the List of Sub-Lieutenants in the previous year.

"4. That we be authorised to continue the retirement of Lieutenants on the terms sanctioned in para. 24, Chapter X. of the Order in Council of 22nd February 1870.

"The Lords Commissioners of Your Majesty's Treasury have concurred in these proposals, and we do most humbly submit that Your Majesty will be graciously pleased to sanction the same being carried into effect."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

No. 38.—N.

At the Court at Windsor,

The 24th day of March 1880.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 10th of March 1880, in the words following, viz.:

"Whereas Your Majesty was graciously pleased by Order in Council of the 22nd February 1870, Sec. II. Par. 6, to make the following provision as regards officers of Your Majesty's Navy accepting the Regulations then established, viz.:

- Captains retired from that rank to be entitled to rise by seniority to the rank of Retired Rear
- Admiral if before retirement they had served the time to qualify them for promotion;

thus restricting the award of Retired Flag Rank to officers qualified for the Active Flag, and whereas under Your Majesty's subsequent Order in Council of the 5th August 1870 all Captains retired from that rank have been entitled to one step in rank, by seniority, irrespective of service, the distinction between officers

qualified and not qualified for promotion being thereby abolished; We would humbly represent to Your Majesty that we consider the distinction reasonable, and we are of opinion that it is expedient to grant to Captains qualified for promotion a concession proportionate to that conferred by Your Majesty's Order in Council of 5th August 1870 on unqualified officers.

"We would therefore humbly submit that Your Majesty will be pleased to sanction the following provisions, viz.:

"1. Captains who have been or may be retired from that rank (unless retired on account of non-service) to be allowed to rise to the rank of Vice Admiral on the Retired List if before retirement they had or shall have served the time necessary to qualify a Captain for promotion to the rank of Rear Admiral on the Active List.

"2. Such advancement to be conferred according to seniority, any officer hereby qualified for Vice Admiral's rank, and who has been debarred from rising above the rank of Rear Admiral by the restrictions of the Order in Council of the 22nd February 1870, to date his promotion to Vice Admiral from the day on which he would have been promoted had such restrictions not been in operation.

"3. Promotion not to confer claim to increase of Retired Pay."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

At the Court at Osborne House, Isle of Wight,

The 5th day of January 1881.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 1st of January 1881, in the words following, viz.:

"Whereas by the provisions contained in the third clause of Your Majesty's Order in Council of the 8th of August 1873, and by Article 361 of the Regulations of 1870 for the Government of Your Majesty's Naval Service, We are empowered under certain conditions to promote annually twenty and, should vacancies occur, as many as twenty-five Lieutenants to the rank of Commander, and whereas the number of vacancies has not in any year enabled us to make the full number of advancements, We would humbly represent to Your Majesty that it is in our opinion desirable, for the present, to make as many as twenty-five promotions in the course of the year without regard to the number of vacancies, and we would therefore submit that We be empowered to advance annually as many as twenty-five Lieutenants to the rank of Commander under conditions similar to those contained in the afore-said Order in Council and Article of the Regulations, namely, effecting such promotions by filling every vacancy and by supplementing any vacancies short of twenty-five at the end of each year, so long as a maximum number of two hundred and twenty-five Commanders be not exceeded; should there be more than twenty-five vacancies in any year the excess not to be filled up in that year, provided that the List is kept up to two hundred. We would submit that the condition of the Order in Council of the 5th of August 1875 to the effect that the increase in the number of Commanders over two hundred is to be regarded as of a temporary nature be maintained, and that the provisions of the present Order be applicable to the promotions bearing date the 31st ultimo.

"We would represent to Your Majesty that the Lords Commissioners of Your Majesty's Treasury have expressed their concurrence in these proposals."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

SERVICE ON COMMITTEES, &c.

At the Court at Windsor,

The 16th day of May 1870.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 10th of May 1870 in the words following, viz.:

"Whereas by Your Majesty's Orders in Council of the 22nd February 1870, Your Majesty was pleased to sanction certain proposals for the retirement of the Executive and Civil Officers of Your Majesty's Fleet: Whereas we are of opinion it is desirable that further regulations be laid down on certain points connected with the Scheme of Retirement then sanctioned, we would humbly propose to Your Majesty:

"1st. As regards service of Officers on Committees or Commissions of Inquiry in connection with naval matters of importance, we are of opinion that, considering the value of such enquiries, it is but just to allow a certain portion of such service to count as full service as regards Pay, Half-pay, and Retirement, though not to reckon as service to have Officers from compulsory retirement on account of non-service; we would therefore submit, that we be empowered to allow Officers to count a portion of the time so employed, namely, up to six months on Committees and Commissions, as full time; afterwards as two-thirds of full time; but the maximum addition to what an Officer would have been allowed if all his Committee time had counted as Half-pay time, to be two years.

"2nd. As regards civil employment at or under the Admiralty, we would humbly submit that when an Officer is retired from the Active List on account of age, non-service, or otherwise, and we deem it advisable to retain him in such civil employment, he should continue in receipt of his former emoluments as though he had remained on the Active List, until he ceases to be in such civil employment, that his retired pay should then be calculated according to the total period of service he may have completed, reckoning his civil employment as service for this purpose.

"3rd. As regards promotion on the Lists of Navigating and Medical Officers, and in the ranks of Paymaster and Chief Engineer, we would submit to Your Majesty, that we be allowed to fill up not more than one in four

vacancies which may be caused by Retirement, or Promotion consequent on Retirement, until the Lists may be reduced to the numbers authorised by Your Majesty's above-named Orders in Council; and we would beg to point out that provision for making such promotion in the ranks of Captain, Commander, and Lieutenant, was contained in the Order of Council of 22nd of February 1870.

"4th. As regards the promotion on Retirement of Staff Commanders and Paymasters, whereas it is laid down by Your Majesty's Order in Council of 25th June 1867, that Staff Commanders having served 20 years in the ranks of Navigating Lieutenant and Staff Commander shall receive, when retired, the rank of Retired Captain, and that Officers having served 15 years in those ranks shall retire with the rank of Retired Commander; and by Your Majesty's Order in Council of 28th July 1864 it is laid down that Paymasters who may have completed 20 years' service, including Acting Paymasters' time, and not more than 4 years' time as Assistant Paymaster, shall be retired with the rank of Paymaster-in-Chief: And whereas by Your Majesty's Order in Council of 22nd February 1870 it has been provided as to Commanders and Lieutenants placed on the Retired List that these Officers shall be granted the rank of Retired Captain and Retired Commander only at our discretion: We are of opinion that it will be for the benefit of Your Majesty's Service that similar conditions should be made applicable to the Promotion on Retirement of Staff Commanders and Paymasters, so that these Officers should no longer be entitled to claim the respective ranks of Retired Captain, Retired Commander, and Paymaster-in-Chief, when removed from the Active List, but that such promotion should, in addition to the above-mentioned requirements of service, be governed also by qualifications of good and meritorious service: We therefore humbly submit that in future such Promotions on Retirement be made at our discretion. We beg further to represent that, so far as financial arrangements are affected, the Lords Commissioners of Your Majesty's Treasury have signified their concurrence in the above-mentioned proposals."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed: and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

(Signed) ARTHUR BELLI.

QUALIFICATIONS FOR THE RANK OF STAFF CAPTAIN.

ORDER IN COUNCIL, No. 36.—N.

At the Court of Windsor,
The 18th day of March 1880.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 16th of March 1880, in the words following, viz. :—

Whereas by Article 237 of the Regulations established under Your Majesty's Order in Council of the 4th of February 1870 for the Government of Your Majesty's Naval Service, it is provided that 'To qualify a Staff Commander for the rank of Staff Captain he must receive an appointment as Master Attendant, Assistant Master Attendant, or Queen's Harbor Master, or be must, with 20 years sea-service as a Commissioned Navigating Officer have performed some special service, the nature of which is to be mentioned in the 'Gazette,' and whereas the effect of these provisions has been to exclude from advancement to the rank of Staff Captain Officers unable to acquire the above-mentioned qualifications but yet deserving, in our opinion,

of such promotion. We would humbly submit that Your Majesty will be graciously pleased to cancel the said Article 237 and to substitute the following provisions, viz. :—

'To qualify a Staff Commander for the rank of Staff Captain he must receive an appointment as Master Attendant, Assistant Master Attendant, or Queen's Harbor Master, or he must have completed 15 years sea-service as a commissioned Navigating Officer and have performed such special services as in the opinion of the Admiralty render him deserving of promotion.'

'We would represent to Your Majesty that it is not proposed to increase the number of Staff Captains at present authorized, and that consequently no additional expenditure beyond that authorized by the Regulations will be incurred by these proposals.'

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

C. L. PERL.

RETIREMENT OF CHAPLAINS.

At the Court at Osborne, Isle of Wight,
The 5th day of February 1872.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 10th of January 1872, in the words following, viz. :—

'Whereas Your Majesty was pleased, by your Order in Council of 22nd February, 1870, to establish Regulations for the Retirement of Chaplains, and Chaplains and Naval Instructors of Your Majesty's Navy: And whereas we are of opinion that it is expedient, in the interests of Your Majesty's Service, to allow such Officers to cease to serve Your Majesty at a period earlier than that laid down by the Order in Council: And whereas we are also of opinion that the services of such Officers, if of a certain duration, should not be unrecognized: We do therefore most humbly submit that Clause 6, paragraph 3, of the said Order in Council be cancelled, and that We be authorised to make the following regulations:—

"1. That any Chaplain who obtains from us permission to accept a living, or desires to retire from Your Majesty's Service, may, provided that he has not less than 10 years' service, be retired with pay on the following scales, viz. :—

After 10 Years' Service £ 50 per annum.

" 15 £ 100

" 20 £ 150

The amount earned by service under Order in Council of 22nd February 1870.

"2. That Chaplains who have less than 10 years' service and accept a living, will be considered as desiring to resign Your Majesty's Service, and will accordingly not be entitled to any pecuniary retiring allowance, or to either Half or Retired Pay. The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 10th day of December 1884, in the words following, viz. :—

'Whereas it has always been considered, as recited in Your Majesty's Order in Council of the 20th October, 1860, that Half Pay is awarded to the Officers of Your Majesty's Fleet on the principle of its being a reward for past service as well as a retaining fee for the future; and Whereas, by certain of Your Majesty's Orders in Council, We are empowered in cases where Officers of Your Majesty's Navy have been guilty of misconduct or neglect of duty, or have incapacitated themselves for Active Service by irregular and imprudent conduct, to reduce their half pay and retired pay and pension below the rates to which they would otherwise be entitled by service, and in certain cases to retire Officers compulsorily on account of age, non-service, or physical unfitness; and Whereas We are of opinion that it is advisable to amend in some respects the provisions of the said Orders in Council and to extend in some degree the powers conferred upon Us: We would humbly submit that Your Majesty will be graciously pleased to approve of the under-mentioned provisions:—

"1.—An Officer may be placed on the retired list of his rank if—

(a.) He is guilty of such repeated acts of misconduct or neglect of duty as in our opinion make him unfit for further active service.

or

(b.) He is in our opinion, after careful inquiry, unfit for further active service, through intemperance or irregular conduct or habits.

provided that his retired pay shall in no case exceed the half pay which he was entitled to receive previous to his retirement.

"2.—Sub-Lieutenants, and Assistant Paymasters shall be liable to compulsory retirement under clause 1 of these provisions, Officers so retired shall have no claim to Half pay or Retired Pay, but shall be eligible to receive, should we see fit to award it, a gratuity not to exceed £25 for each year of service in the rank of Sub-Lieutenant or Assistant Paymaster, nor £250 in the whole.

"3.—The Retired Pay of Engineers and Assistant Engineers is to be liable to reduction in cases of misconduct, in accordance with the provisions of the Order in Council of 22nd February, 1870, sect. X. Par. 6, with respect to Navigating and Civil Officers.

"4. Officers of Coast Guard shall be liable to compulsory retirement under clause 1 of these provisions; also to such reduction of pension as would be applied to Warrant Officers who have been guilty of misconduct.

"5. Nothing in these provisions shall prejudice or affect our power to discharge or dismiss Officers, or to place Officers on reduced rates of half pay, or retired pay, nor give to any person who has been removed from Your Majesty's Service any claim to half pay, retired pay, retiring allowance, or gratuity."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

No. 20. C.W.

At the Court at Windsor,

The 27th day of November 1878.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 23rd of October 1878, in the words following, viz.:

"Whereas by Your Majesty's Order in Council of 20th April 1877, Your Majesty was pleased to sanction the compulsory retirement at the age of 45 years of Officers holding the rank of Engineer:

"And whereas we are now of opinion it may be desirable under circumstances of emergency to retain these Officers in Your Majesty's Service until they attain the age of 50 years: We humbly submit that under circumstances of emergency the present age for the compulsory retirement of officers holding the rank of Engineer may be extended to the age of 50 years, and that the optional age for retirement be 45 years.

"And in consideration of the additional service that may be required of these Officers after the age of 45 years, increased retirement be granted to them on the following scale:—

"Engineers qualified for promotion:—

For each year's service on Full Pay after the age of 45 years 7 <i>l.</i> 10s.
For each year on Half Pay after the age of 45 years 3 <i>l.</i> 13s.

"And further that power be reserved to us to suspend, under circumstances of emergency, the above provision under which an Engineer may at his option retire at the age of 45.

"We do most humbly submit that Your Majesty will be pleased to sanction these our proposals, the expense that may be occasioned by the same being incurred in by the Lords Commissioners of Your Majesty's Treasury."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed: and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

C. L. PRER.

Order in Council of 18th August 1832.

No. 13.—N.

At the Court at Osborn House, Isle of Wight,
The 18th day of August 1832.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 7th of August 1832, in the words following, viz:—

"Whereas, by the provisions of Your Majesty's Order in Council of 22nd February 1870, Sec. X., the retired pay of Chief Engineers, R.N. entered after 25 years of age depends on their service only, instead of on age and service combined as is the case with other Chief Engineers. Whereas the aforesaid Officers do not ordinarily reach the rank of Chief Engineer at a sufficiently early age to allow them, before they are compulsorily retired at 55 years of age, to complete the 11 years' service requisite under Sec. II. Art. 4, and Sec. IX. (note) of the said Order in Council, to enable them to reckon all junior service for increase of retired pay, and they, in consequence, receive on retirement only the active Half-pay of their rank.

"Whereas we are of opinion that, although the provision adversely affecting these Officers was designed to obviate the possibility of a high scale of retired pay being applicable to them after comparatively short service, yet it was never intended to exclude efficient Officers from all participation in the benefits of the

scale of retired pay established by Your Majesty's Order in Council of 22nd February 1870.

"And whereas Engineer Officers will not in future be entered after the age of 25: We beg to recommend that Your Majesty will, by your Order in Council, extend Clause 4 of Sec. X. of the Order in Council of 22nd Feb. 1870, so far as relates to Chief Engineers on the Active List on 1st April 1832, in the following manner, viz:—

"Chief Engineers who entered after 25 years of age, and who have completed 8 years' service in that rank, shall, on compulsory retirement, if otherwise qualified, be granted an amount of retired pay equal to a rate of half pay based on the following provision, viz., that all confirmed Junior service shall be allowed to count for such rate of half-pay irrespective of the provisions of the scale relating to Junior Service in the Order in Council of 22nd Feb. 1870."

the effect of which will be more nearly to assimilate their retired pay with that of Officers similarly situated who entered under 25 years of age.

"We beg to observe that the Lords Commissioners of Your Majesty's Treasury have signified their concurrence in this proposal."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

Admiralty, 9th December 1880.

Altering part of Article 267, Queen's Regulations.

My Lords Commissioners of the Admiralty are pleased to direct that Article 267 of the Queen's Regulations and Admiralty Instructions be cancelled, and that the following article be substituted for it.

Earlier Promotion for Proficiency.

"267. Engineers and Assistant Engineers who hold
"or who may obtain First Class Professional Certificate from the Royal Naval College, or who hold
"Diplomas of the First Class of the Royal School of

"Naval Architecture, shall be promoted to Chief Engineer after 10 years' service;
"and those
"who hold or may obtain Second Class Professional Certificates from the Royal Naval College, or who obtained Second Class Fellowships of the Royal School of Naval Architecture, shall be promoted to Chief Engineer after 13 years' service;
"provided that in all cases they shall have conducted themselves satisfactorily in every respect, and have proved themselves thoroughly efficient in the performance of their duties."

By command of their Lordships,
G. O. TRAVELL.

RETIRING PENSIONS TO CHIEF GUNNERS, CHIEF BOATSWAINS, CHIEF CARPENTERS, AND WARRANT OFFICERS.

EXTRACT FROM THE REGULATIONS.

They shall be pensioned at 55 years of age, and at any age, if found unfit for service at sea; and they may, by the permission of the Admiralty, be pensioned, at their own request, at 60 years of age.

The following shall be the scale of Pensions:—

	For each Year's Service, above the Rank of Petty Officer.	Addition for each Year's Service as Seaman or Petty Officer, but the additional time allowed for Service as Seaman-Gunner not to count.	Maximum for Service only.	Minimum for Service only.
Chief Gunner	£ s.	£ s.	£	£
Boatswain	5 0	1 10	150	No fixed Minimum.
Carpenter				
Warrant Officers:—				
Under 10 years	3 10	1 10	130	Under 5 years' service as warrant officer, 40l. With 5 years' do. and under 10, 50l. With 10 years' do. and under 15, 75l. With 15 years' service as warrant officer, 95l.
With 10 years	4 0	1 10	120	

Chief and other Gunners, Boatswains, and Carpenters, holding appointments in Her Majesty's Yards, if not entitled to civil superannuation, shall be allowed to count such service as time towards pension, on the above scale.

In the event of the above-mentioned officers having sustained injuries on duty not nearly equivalent to the loss of a limb, or being disabled by sickness contracted in the service, and not from want of proper care on their own part, an increase of not more than 10l. a year may be made to whatever Retiring Allowance may be awarded to them under the foregoing scale, provided they have not already received compensation for the same.

For ruptures and minor injuries received on duty gratuities shall be granted under Article 1978 of the Regulations, at the discretion of the Admiralty, instead of the above increase.

Whenever an application for pension on account of age, long service, or disability is made by a Chief or other Gunner, Boatswain, or Carpenter who has received a wound or injury in the service, the Captain will direct the Medical Officer to make a report, which he will forward with the application, for the information of the Admiralty, stating clearly the extent to which the injury affects the applicant, and the degree in which it incapacitates him from contributing towards his own support; if the injury was received before the 30th of August 1870, and no hurt certificate is produced, the

applicant's statement should be supported by any documentary evidence that can be produced.

Special Pensions, or gratuities in excess of the foregoing scale for service may, at the discretion of the Admiralty, be awarded when special services have been rendered requiring special reward; and such lower rates of pension as the Admiralty may think proper may be granted to officers who have been guilty of misconduct.

Time during which an officer shall not have maintained a good character in the ships in which he has served shall not be allowed to reckon as service for Pension.

Chief and other Gunners, Boatswains, and Carpenters, may, in such cases as it may be for their advantage, be pensioned on the scale for seamen, their service in the above ranks being allowed to reckon as superior petty time.

Chief Gunners, Chief Boatswains, Chief Carpenters, and Warrant Officers who have been dismissed from Her Majesty's service for what may be considered venial offences in the case of seamen, may, at the discretion of the Admiralty, be allowed Naval Pensions on the seamen's scale, provided they have twenty-one years' service, or are from age or other causes unfit for service as seamen in the Navy.

In such cases the time served as Warrant Officers may be allowed to reckon as superior single petty time under Article 2010.

GOOD SERVICE PENSIONS.

The following are the established Good Service Pensions for Naval and Marine Officers:—

Flag Officers, 10 Pensions of 500*l.* a year each, two of which may be held by Vice-Admirals, and two by Rear-Admirals qualified for promotion.

Captains, R.N. 12 Pensions of 300*l.* a year each.

Medical Officers 3 " 100*l.* "

General Officers 6 " 200*l.* "

Colonels and Lieutenants 3 " 150*l.* "

Colonels.

These Pensions shall not be held in addition to any other Pensions, unless it shall be a Pension conferred for wounds or injuries received in the Service.

Only Captains, Royal Navy, and Colonels and Lieutenant-Colonels, Royal Marines, on the *Active List* shall be eligible for the award of Good Service Pensions; but such Pensions may be granted to Flag Officers on the Retired List, Medical Officers, and to General Officers of Marines, whether on the Active, Reserved, or Retired Royal Lists; provided in the cases of Flag Officers that retirement has taken place after attaining Flag Rank, and that the retired pay together with the Good Service Pension shall not exceed the half-pay of an Admiral of the Fleet.

Good Service Pensions shall be awarded to Flag Officers and Captains for distinguished service at sea, and in determining their claims, preference shall be given, in cases of special gallantry, to officers who have commanded ships in action against the enemy.

Flag Officers and General Officers of Royal Marines in receipt of these Pensions shall be allowed to retain them after being retired; but, in the case of Flag Officers, if the Retired Pay and Good Service Pension together exceed the Half Pay of an Admiral of the Fleet, the Retired Pay shall be reduced so as to make the two together equal to that amount.

Captains retired from that rank shall be allowed to receive, in Retired Pay together with Good Service Pension, a sum not exceeding 500*l.* a year; but, should the two together exceed that sum, they will be retired on 500*l.*, relinquishing their Good Service Pension.

Captains, Royal Navy, and Colonels and Lieutenants-Colonels, Royal Marines, shall forfeit their Good Service Pensions on promotion to be Flag, or General Officers, on the Active List.

Lieutenant-Colonels and Colonels of Marines to be allowed to receive in Retired Pay together with Good Service Pension a sum not exceeding 500*l.* a year, but should the two together exceed that sum they will be retired on 500*l.* a year relinquishing the Good Service Pension.

Should any Flag Officers holding a Good Service Pension be in receipt of, or become entitled to a Civil Pension, exceeding the value of his Good Service Pension, the latter Pension shall be suspended so long as he receives such Civil Pension; and the vacancy thus occasioned may be filled up; but, as a rule, it is not intended that more than one such supernumerary Pension shall be in existence at the same time.

When such employment shall have ceased, the officer shall resume his Good Service Pension, although the List be full, but in such case the next vacancy shall not be filled up.

A Captain shall be allowed to draw his Good Service Pension irrespective of the receipt of Full or Half Pay or Civil Salary.

A Flag Officer shall give up his Good Service Pension if he become Governor of Greenwich Hospital or Naval Aide-de-Camp to Her Majesty.

A Naval Aide-de-Camp to Her Majesty deriving emolument from his office shall not be allowed to hold any Pension, unless it be a pension conferred for wounds or injuries received in the Service.

An Admiral of the Fleet shall not be allowed to hold any Pension, unless it be a Pension conferred for wounds or injuries received in the Service.

An officer promoted to the rank of Admiral of the Fleet on the Retired List under the provisions of the Order in Council of 22nd of February 1870, Section I, para. 7, shall, in consideration of the rank not carrying increase of Retired Pay, be allowed to retain the Good Service Pension, or if not in possession of one shall be eligible for it.

Officers generally and the efficiency of the Service, will be by adopting, as far as possible, in the Royal Marines, the principle of Retirement and Promotion now established in the Army by Your Majesty's recent Royal Warrant, and by extending the system of compulsory retirement established in the Royal Marine Corps by Your Majesty's Order in Council of the 22nd February 1870, we humbly submit for Your Majesty's approval the following Scheme, which we have submitted in the form of Regulations, which have been framed with the object of providing a fair and even flow of promotion throughout the whole Corps of Royal Marines.

In special cases in which the circumstances may appear to us to call for exceptional consideration, it shall be sufficient that the disability shall have been contracted in the service.

"In the case of an Officer placed upon temporary half pay in consequence of injuries caused in and by the service, we may, provided a Medical Board report that the Officer is unfit for further service, place such Officer upon permanent half pay, after not less than one year.

"But such Retired Allowances, by way of annuity, are only to be granted in special cases, with the consent of the Treasury, and the rates are to be made so as to coincide, as far as may be, with the principle of a pension of 225*l.* a year at 45 years of age.

"13.—All service for the purposes of gratuity, pension, and retirements to count from the age of 30, except in the case of Officers who entered the service prior to the 1st April 1870, who, under the Order in Council of the 5th February 1872, retain the right of counting time from the age of 18 if appointed before that age, and from the date of their Commission if appointed after 18.

ORDER IN COUNCIL.—C.W.

At the Court at Balmoral,

The 23rd day of October 1870.

Present:

The QUEEN'S most Excellent Majesty in Council.

Whereas there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 19th of October 1870, in the words and figures following, viz:—

"Whereas we have had under our consideration certain cases in which Officers of Your Majesty's Naval and Marine Forces have been dismissed from Your Majesty's Service by Court-Martial for misconduct, or have been allowed to resign their Commissions to avoid trial by Court-Martial: And whereas such Officers are, in some cases after good service for many years, rendered destitute by being thus deprived of all professional re-

sources: We do therefore most humbly submit, that we be empowered at our discretion to grant compassionate allowances from this date, both to such Officers and also to those who may hereafter be so removed from the list of Your Majesty's Naval or Marine Forces, provided that such allowance shall in no instance exceed one-third of the amount of half-pay to which the Officer was entitled at the time of such removal, and provided also that such allowance shall not in any case exceed 100*l.* per annum.

"The Lords Commissioners of Your Majesty's Treasury have signified their concurrence with these proposals."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed.

NAVAL RETIREMENT PREVIOUS TO 1870.

(So far as still in operation.)

FLAG OFFICERS.

B.

1851.

Her Majesty, by Her Order in Council of 25th June 1851, having been graciously pleased to sanction certain arrangements proposed by the Board of Admiralty, with a view to the general benefit of the Naval Service, and at the same time, the ultimate reduction of the present charge for half-pay, the Lords Commissioners of the Admiralty hereby give notice of the mode in which the arrangements in question will be carried into effect.

The number of Flag Officers will in future be reduced to 90, exclusive of Admirals of the Fleet; of these 21 to be Admirals, 27 Vice-Admirals, and 51 Rear-Admirals: this reduction will be effected as follows, viz.:-

1st. By removing to a Reserved Half-pay List those Officers now on the Active List who have not served for their Flag, under the Order in Council of 30th June 1827. These Officers will receive, as at present, the Half-pay of Rear-Admirals, but they will be allowed the same advantage of rising in rank as if they had remained on the Active List.

2nd. By awarding ten Retired Service Pensions, of 150*l.* each, to such Flag Officers as are either above 70 years of age, or are physically incapable of further Active Service, such Officers to be placed on the Reserved List, and the vacancies occasioned by death to be filled up from the Active List. These Pensions will not be held in addition to the Good Service Pension.

1866.

1. Compulsory retirement to be extended to all the Executive Lists.

2. Admirals to be retired on attaining 70 years of age, or when physically unfit for service.

3. Vice-Admirals to be retired on attaining 68 years of age, or when physically unfit for service.

4. Rear-Admirals to be retired on attaining 65 years of age, or when physically unfit for service.

5. Flag Officers, at present on the Active List, who may be retired under these Regulations, will retain all the privileges of rising in rank and pay to which they are now entitled; but no Flag Officer who has not hoisted his Flag will be considered eligible for the appointments of Vice- and Rear-Admirals of the United Kingdom, or promotion to the rank of Admiral of the Fleet.

6. The Active Flag List to be reduced to 85:—

Admirals of the Fleet and Admirals . . .	21
(But not to be more than three Admirals of the Fleet at one time.)	
Vice-Admirals	29
Rear-Admirals	42
Total	85

This reduction to be made gradually, by only filling up two out of every three vacancies caused by the removal of Flag Officers who accept Greenwich Pensions, and by retirements from age, whether optional or compulsory. Vacancies from all other causes to be filled up as they occur. Vacancies on the List of Flag Officers on Reserved Half-pay in receipt of Service Pensions, and on the List of Flag Officers of Greenwich Hospital, will not be filled up.

7. Flag Officers at present on the Active List, who have hoisted their Flags, or been employed at the Admiralty since their promotion to Flag Rank, are to be allowed to retain their places on the Active List, if they should prefer it, but they may be placed on the Retired List at their own request, with the consent of the Admiralty. Officers coming on the Flag List after this date will be subject to compulsory retirement at the age specified above, whether they have served or not.

CAPTAINS.

1847.

The plan of retirement published in the London Gazette of 1st Sept. 1847, and carried out by Her Majesty's Order in Council of 24th April 1847, provides:—

1st. That the rank of Retired Rear-Admirals shall be given, by Seniority, to such applicants from the 14*th* 6*d*. Half-pay List as may be willing to accept it, with the pay of 17*l.* 5*s.* per diem, and the corresponding pension to their widows, under the usual restrictions.

2nd. An addition of 7*l.* 6*d.* per day to be given to applicants, by Seniority, from the 12*th* 6*d.* and 10*th* 6*d.* Half-pay Lists, being Captains of not less than 20 years' standing and 55 years of age. Officers from both Lists to be permitted to assume the title of Retired Rear-Admiral at the period when they would have obtained the Flag by Seniority had they remained upon the Active List, and (under Order in Council of 17 May 1858) to rise to the higher grades on the Flag List, according to the Seniority which they respectively held on the List of Captains. Their widows to be entitled to a pension of 110*l.* per annum, and to the pension of Rear-Admiral's widow when the rank of Retired Rear-Admiral has been attained.

3rd. The vacancies upon the 11*th* List to be filled up, in turn of Seniority, by Officers then accepting the 18*th* per diem; but no new admissions to the 11*th* 5*s.* List to be made until it is reduced below the number of 25, which it is not to exceed afterwards. The permanent Retired List to be reduced to 100, by making one appointment for every two vacancies, the first 25 Officers upon the List receiving 17*l.* 5*s.* per diem, and the remaining 75, 17*l.* per diem, with the right of assuming the rank of Retired Rear-Admiral when entitled to it by Seniority.

1851.

The number of Captains on the Active List will be reduced to a number not permanently exceeding 350, and the reductions shall be effected as follows, viz.:-

1st. As vacancies occur on the Active List of Flag Officers, the Captain first in Seniority, who has served for his Flag, will be promoted; reserving, however, Her Majesty's undoubted right of selection. Those Captains will rise to their Flags, and who have not so served, will be placed on the Reserved Half-pay List, rising in rank as at present, but with the Half-pay only of Rear-Admirals.

2nd. By keeping up the Retirement of 1846 to the number of 200, to be effected by permitting Captains, who are above 55 years of age, and who have been on the Captain's List for ten years, to be eligible for retirement. The Retirement will be so kept up to 200 until the List of Captains shall be reduced to 350; the Retired List then to be diminished by only retiring one in two vacancies until it shall be reduced to 100.

3rd. By observing the rule of promotion, as it is now in force, of promoting one in three vacancies, except in special and individual cases, until the number is reduced to 350.

1860.

All Captains who have attained, or shall hereafter attain, the age of 60, without having served in their present Rank, to be placed on a Retired List, and receive Retired Pay as follows:—

On 10 <i>th</i> 6 <i>d.</i> Half-pay List when retired . . .	18 <i>th</i> per diem.
On 12 <i>th</i> 6 <i>d.</i>	20 <i>th</i> "
On 14 <i>th</i> 6 <i>d.</i>	21 <i>st</i> "

Such Officers to assume the Rank and Title of Rear-Admiral at the time they would have obtained their Flag by Seniority, had they remained on the Active List.

Captains who may arrive at the head of the List, without having served in that Rank, to be placed on the List of Reserved Flag Officers, with the pay of 25s. per diem.

Captains now on the 11s. 6d. Half-pay List not to be affected by these arrangements unless by their own desire.

1864.

1. The Active List of Captains to be reduced from 350 to 300.

2. The existing system of placing on a Retired List all Captains who may from time to time attain the age of 50 without having served in their present rank, shall be extended to Captains who may attain the age of 60 and have served a portion of but not the full sea-time required to qualify them for promotion to the Active List of Flag Officers. Such Officers to receive Retired Pay as follows:

If on the 10s. 6d. Half-pay List when retired	15s. per diem.
If on the 12s. 6d. " " "	" " "
If on the 14s. 6d. " " "	20s. " "

Such Officers to assume the rank and title of Rear-Admiral at the time they would have obtained their Flag by seniority had they remained on the Active List, and then to receive Retired Pay at the rate of 25s. per diem, subject, however, to the proviso contained in paragraph 8.

3. The above system of retirement to be extended to Captains who may have attained the age of 55, provided they be willing and desirous to accept the same, subject to the proviso contained in paragraph 8. When the Active List of Captains shall have been reduced to 300, no Captain shall be eligible for retirement under this clause who has not been five years on that List.

4. Captains who shall be found physically unfit for service may, at the discretion of the Board of Admiralty, be allowed to retire, irrespective of age, at the several rates of 12s. or 20s. a day, according to their standing on the List, provided they shall have served at sea in the ranks of Lieutenant, Commander, or Captain a combined period of fifteen years; and, if less than that period of service, at the rate of 10s. a day. Such Officers to be allowed to rise in rank and pay with other Captains of their standing, subject to the proviso contained in paragraph 8.

5. A limited number of Captains who may have attained the age of 50, and who are not desirous of further employment, to be allowed, at the discretion of the Board of Admiralty, to retire on the foregoing conditions, and subject to the same proviso. When the Active List of Captains shall have been reduced to 300, no further retirement of Officers to take place under this clause.

6. Captains who may arrive at their turn for promotion to the Flag List, without having served the time required to qualify them for their Active Flags, to be placed on the List of Reserved Rear-Admirals.

These Officers, and also such Officers as may, under the provisions of the Order in Council of 1st August 1860, have been already promoted to the Reserved Flag List, to be allowed pay at the rate of 25s. a day; subject, however, to the proviso contained in paragraph 8.

7. The increased rate of 25s. per diem Half-pay to be extended to Officers who, under the provisions of the Order in Council of 1st August 1860, have already attained or may hereafter attain the rank of Rear-Admiral on the Retired List, subject to the same proviso. All Officers who are either now, or who may be in future, retired under the provisions of the Order in Council of 1st August 1860, to be allowed to rise to the higher grades on the Retired Flag List, according to the seniorities which they respectively held on the List of Captains, but without receiving any further increase of Retired Pay or emolument.

8. No Officer who was not on the Active List of Captains previously to the 1st of August 1860 to be allowed more than the pay of 20s. a day on attaining the rank of Rear-Admiral, unless he shall have completed one year's service at sea in the rank of Captain.

1866.

1. Captains to be retired on attaining 60 years of age, or when physically unfit for service, on the terms of the Order in Council of 9th July 1864. Those at present on the Active List, who, before attaining the age of sixty, shall have served the necessary time to qualify them for promotion to the Active Flag List, are to be allowed to retain their places on the Active List, if they should prefer it; but no Captain will be eligible for promotion to the Active Flag List after 60 years of age, or when physically unfit for service.

2. Officers promoted to the rank of Captain after the date authorised by Her Majesty's Order in Council, to be subjected to compulsory retirement on attaining the age of 60, whether they have served or not.

3. Captains of 60 years of age who have served the necessary time to qualify them for promotion to the Active Flag List, and who remain on the Captains' List, until promoted to Rear-Admiral, to be placed on the Retired List, but will be allowed to rise by seniority to the Rank and Pay of Vice-Admiral and Admiral respectively. Captains who have served their time, but who retire voluntarily before reaching the top of the List, will not be entitled to rise to higher pay as Flag Officers than 25s. a day, in accordance with the Order in Council of 9th July 1864.

4. Captains who have not served their time for Active Flag Rank, and who have been unemployed for ten years, to be retired on the terms of the Order in Council of 9th July 1864.

5. Captains' List to be reduced gradually to 250, by filling up only two out of every three vacancies caused by age, retirements from that List, whether optional or compulsory. Vacancies from all other causes are to be filled up as they occur.

COMMANDERS.

1840.

This List consists of 50 of the Senior Commanders on the List, who have the option of receiving the Retired Rank of Captain, with the Half-pay of 10s. 6d. per diem, being the lowest rate of Half-pay allowed to a Captain. Their widows are allowed pensions of 75l. per annum if otherwise entitled thereto.

The number of Commanders on the Active List is reduced to 450.

3. By placing on reserved half-pay all Commanders who have not served afloat, or in the Packet Revenue Service, within twenty years, or who are physically incapable of service, and by continuing from time to time to remove such Officers from the Active List to Reserved Half-pay. Officers who may be thus placed on reserved half-pay will be allowed to retain all the advantages they now enjoy of rising in pay or rank, or of receiving the Greenwich Out-Pension. (This list was abolished in May 1863.)

1851.

The number of Commanders on the Active List will be reduced to a number not permanently exceeding 450, and the reduction will be effected thus:—

1. By selecting 50 Commanders to be Captains, as above specified.

2. By increasing to 100 the List of Commanders promoted to the rank of Retired Captain under the Order in Council of 1840, and keeping such Retirement open until

1856.

1. That the List of Captains on the Reserved List, established by Order in Council of 25th of June 1851, be increased from 50 to 100, by selecting from the Active List of Commanders a number not exceeding 15 in the present and in each succeeding year, till the number of 100 be complete, when the vacancies only are to be filled up, by selection also from the Active List.

2. That the List of Retired Captains (established by Order in Council of 16th August 1849, and increased by Order in Council of 25th June 1851) be increased temporarily from 100 to 250, and permanently to 300. To effect this subsequent reduction, one Officer only will be promoted in two vacancies till the List be reduced to its permanent number of 300, but thenceforward one Officer will be promoted in each vacancy.

1860.

U. All Commanders on the Active List who have attained the age of 60, or who may hereafter attain that age, to be placed on a Retired List, with the rank and title of Retired Captain, and to receive Half Pay, according to their length of Sea Service, on the scale hereinafter mentioned.

GENERAL NOTES.—The Widows of Officers on the Reserved and Retired Lists only are entitled to the pensions applicable to the rank of their husbands at the date when they were last on the Active List, unless specially provided for in this Table. An exception, however, to this rule is made in the case of retired Captains when advanced to the rank of Flag Officers, whose widows are pensioned as the widows of Flag Officers. Orders in Council granting increased rates of Pension are never retrospective.

The rules for Pensions and Compassionate Allowances for Widows of Temporary Service Engineers and Assistant Engineers will be found with the other Regulations respecting these Officers.

PENSIONS AND GRATUITIES TO THE RELATIVES OF OFFICERS.

1. Widows of Officers of the Royal Navy, and the Royal Marines, may be allowed Pensions, and their Children Compassionate Allowances, at the rates specified in the table given before, and subject to the following regulations:

2. All applications for Pensions, and for Compassionate Allowances, must be addressed to the Secretary of the Admiralty for the decision of the Board.

3. The Pensions of all Widows shall commence from the day following that in which their Husbands died, provided application be made by the Widow within Twelve Months from the same, otherwise from the time only of such application.

4. Her Majesty's Orders in Council increasing Rates of Pension, or Compassionate Allowances, are not retrospective in their operation, and only affect the families of such Officers as may be on the Active List at the date of such Orders in Council, or subsequently thereto.

5. If the claim of a Widow to Pension shall not be established before her death, the amount of pension to which she would have been entitled if living, shall not be allowed to her representatives.

6. The Pensions authorized by these Regulations cannot be claimed as a *Right*—they are granted as rewards for good and faithful service rendered by deceased Officers—they will only be conferred on persons deserving the Public Bounty:—the ordinary Pension will not be granted to Widows whose private incomes may exceed the confidential scale which may from time to time be fixed by the Admiralty as the limit for each Rank of Officer, and the Pensions are liable to be discontinued altogether, in case of any misconduct rendering the Individuals receiving them unworthy of the Public Bounty.

7. A Widow shall not be eligible to be placed on the Pension List under any of the following circumstances:—

i. If her husband, being a Commissioned Officer, married after the age of Sixty Years;—or, being a Chief Gunner, Boat-wain, or Carpenter, or Warrant Officer, married after the age of Fifty Years; except such as were warranted prior to 30th June, 1850, or who were on the Active List of Chief or other Gunners, Boat-wains, or Carpenters on 1st October 1875, or subsequently placed thereon, in whose case the limit of age is sixty.

ii. If her husband, being capable of service, had, at his own solicitation, been excused from serving, when called upon, provided he was officially warned that his

Widow would thereby forfeit the Pension; or if her husband had been placed on permanent Half-Pay, or on the Retired List, on account of misconduct.

iii. If her husband had been guilty of any fraudulent misapplication of the public money, discovered and proved in the final settlement of his accounts.

iv. If her husband had been guilty of Bigamy; or if she had been living at the time of her husband's death in a disreputable state of separation.

v. If her husband died in the service of a Foreign State, unless serving with the permission of the Admiralty.

vi. If she had not been married Twelve Months to the Officer by whose right she claims the Pension, unless the said Officer was killed or drowned in an immediate act of duty. The Admiralty may, however, grant the Pension in cases of Officers dying before the expiration of Twelve Months from the time of their marriage, but only if satisfactory evidence is produced to show that the marriage did not take place under any circumstances which would imply that there was any fraud in the transaction, or any improper intention of obtaining the Pension for the Widow; and provided it be clearly shown that the Officer was in good health when he married, and that the disease which occasioned his death was not brought on by any misadventure, or by any circumstances over which he had control.

vii. If she shall receive any other Pension, Provision, or Allowance from the Government on account of her husband's services in a Naval or Military capacity; but Widows in receipt of Pensions from the Civil List are not deprived of their Naval Pensions on account thereof, and Widows who, in consequence of second marriage, may be eligible for either a Navy or an Army Pension, may elect to receive that which is most advantageous to them.

viii. If her private income exceeds the confidential scale fixed by the Admiralty as the limit for the rank last held by her husband; observing that the Widows of Commanders retired with the rank of Captain, Lieutenants retired with the rank of Commander, and so on, may enjoy the private income applicable to the higher rank without forfeiting their Pensions thereby.

ix. If the marriage took place subsequent to the Officer commencing his Retired Pay, or if the Officer, after having commuted, removed his name from the List of the Navy, although the marriage may have taken place before such commutation.

8. The Pensions of Widows whose private incomes may, after their Pensions have been awarded, increase beyond the limit fixed from time to time by the Admiralty for the rank last held by their husbands, shall be suspended as long as their private incomes exceed such limit; but may be restored again in the event of their private incomes decreasing within the limit.

9. The Widows of Commissioned Officers (except Chaplains) who shall have married after the 31st of December, 1830, are only entitled to the Pensions of their respective classes, in the event of their Husbands having ten complete years' seniority as Commissioned Officers, except the Husband be killed in action, or lose his life in the execution of the Service. If, however, the Officer had five years' seniority, was in good health when he married, and it be clearly shewn that the disease which occasioned his death was not brought on by any misconduct, or by any circumstances over which the Officer himself had control, the Admiralty may award Pensions in such cases as they think proper.

The Widows of Chief and other Gunners, Boatswains, and Carpenters, are only entitled to Pensions in the event of their Husbands having been warranted for a period of one year (inclusive time, immediately before confirmation, included) and provided they shall have been confirmed in the rank of Warrant Officer.

10. The Widow of a Chaplain shall not receive a Pension unless her Husband's name was on the List at the time of his death, nor unless she shall have been married during or prior to her Husband's service in the Navy, nor unless her Husband shall have served One Year on Full-Pay subsequent to their marriage, and shall have served Three Years on Full-Pay.

11. However, he had completed Ten Years' Service on Full-Pay, a Pension may be granted, although no portion of such service shall have been subsequent to their marriage, provided the Widow is otherwise eligible.

12. The Pensions of Widows who shall have re-married prior to the 31st of December, 1830, shall be paid to themselves, and their receipts shall, notwithstanding their coverture, be deemed a sufficient discharge for the payment of their Pensions.

13. In all cases of a Widow re-marrying, since 31st December, 1830, her Pension shall be suspended from the date of her re-marriage; but, in the event of her again becoming a Widow, her Pension may be restored, upon proof being adduced to the Admiralty that her private income does not exceed the limit fixed from time to time by the Admiralty for the rank last held by her husband, and that she is otherwise deserving the Public Bounty, but it will be again liable to suspension during future re-marriages.

14. A Widow, in consequence of re-marriage, either before or after the 31st December, 1830, with a Naval or Marine Officer, becomes again eligible for a Pension from naval funds, she may either revert to her first Pension, or be granted the Pension for which her second marriage rendered her eligible, whichever is most to her advantage.

15. Every Officer, whether on Full, Half, or Retired Pay, shall, in order to facilitate the decision upon the claim of his Family, after his decease, to the benefit of these Regulations, notify his marriage within one month of its taking place, to the Admiralty, according to the Form given.

16. With respect to marriages contracted in Scotland, none will be admitted, for the purposes of these Regulations, which cannot be proved either by an extract of the Register of the Kirk Session, or other legal record of the place in which the marriage shall have been celebrated;—or by an acknowledgment of a Marriage to be transmitted to the Admiralty, made and subscribed by the parties themselves in Scotland, in presence of a Magistrate, according to the Form given or a Decree of Declaration of Marriage.

17. The Widows of Officers on the Reserved and Retired Lists are only eligible for the Pension applicable to the rank of their husbands at the date when they were last on the Active List, except in the case of Retired Captains advanced to the rank of Flag Officers, whose Widows are pensioned as the Widows of Flag Officers.

18. *Widows of Marine Officers.*—The General Rules for the grant of Pensions to the Widows of Naval Officers are applicable to the cases of Widows of Marine Officers, except where otherwise stated in these Regulations.

In computing the period on the list of Commissioned Officers necessary to render Widows eligible for Pensions, in the case of Marine Officers who have been promoted to the ranks, three years in the ranks shall be allowed for the two years in commission towards such

qualifying period; and if under this rule the time is still insufficient, the Admiralty may, at their discretion, award a Pension notwithstanding, provided the actual service in all ranks amounts to the period required in the case of other Officers.

The Widows of Marine Officers who held Brevet or Honorary Rank on the Active List shall be granted the Pension applicable to that rank. The Widows of Marine Officers who were given an honorary rank on or after retirement shall only be entitled to the Pension applicable to the substantive rank of the Officer when last on the Active List.

19. *Widows and Children of Officers killed in Action.*—Gratuities, under the following regulations, shall be allowed, as Her Majesty's Royal Bounty, to the Widows and Orphans of such of the Officers mentioned in Article 1, as may be slain in the Queen's Service, in fights with the enemy, pirates, or smugglers, or in encounters with the Ships of friends by mistake, or in quelling disturbances on shore or afloat; and persons dying of their wounds within six months shall be considered as persons slain, viz.:

i. To a Widow, a Gratuity equal to a year's Full-Pay of the rank which her husband held at the time of his death.

ii. To each Orphan (who shall not be married, nor be of the age of twenty-one at the time of the father's death), one-third of the Gratuity to the Widow; posthumous children shall be considered as orphans.

In the calculation of these Gratuities, the Officer's Command Money and other Full-Pay allowances, except Table Money, shall be included.

20. In the case of an Officer killed in action, or dying from wounds received in action within six months, and not leaving a Widow, but leaving a Daughter or Daughters only, an annual Allowance, equal to the ordinary rate of Widows' Pension may, under special circumstances, be granted, instead of the Compassionate Allowance, to such Daughter or Daughters collectively. Such Allowances may be continued until the Daughter, or the last survivor of them, in case there be more than one, may become disqualified by marriage or otherwise.

21. *Children of Officers.*—Allowances on the Compassionate List to the legitimate Children of deceased Commissioned Officers, may be given in those cases in which the rank of the Officer would render his Widow eligible to be placed on the Pension List; provided it be shewn that the Children have no other Allowance, Pension, or Provision from the Government (except in the case of Boys under the age of eighteen who may be serving as Subordinate Officers in the Navy), and that their pecuniary circumstances, and those of their family, are so limited that they actually require assistance from the Compassionate Fund.

22. The claims of the Children will be considered according to the length, nature, and merit of the services performed by the Father; and as far as the decision upon claims can be governed by Regulation, in the following order, viz.:

- 1st. Children of Officers killed or drowned on duty.
- 2nd. Children of Officers dying from illness contracted in the Service.
- 3rd. Orphans having neither Father nor Mother.
- 4th. Children of Officers dying on Foreign Service.
- 5th. Children of Officers dying on Full-Pay at Home.
- 6th. Children of Officers dying on Half-Pay, and on the Reserved and Retired Lists.

23. The Allowances granted to the Sons of Officers may be continued until they attain the Age of Eighteen, or are otherwise previously provided for; and those to the Daughters may be continued until they marry, or attain the Age of Twenty-one, whichever shall first happen, and no longer; except in very special cases, in which it shall be shewn that such Sons or Daughters are afflicted with any mental or bodily infirmity, rendering them incapable of making any exertion for their own support; and that they are still in distressed circumstances.

24. Children who are being educated at the expense of Greenwich Hospital may be granted the minimum Compassionate Allowances applicable to their Father's rank, provided real poverty is proved to exist.

Compassionate Allowances may be drawn by Boys serving as Naval Cadets, or in other subordinate capacities in Her Majesty's Service, provided neither they nor their mothers have any private income.

25. All persons alluded to in Article 21 who are in receipt of *Sol.* a year from other sources, or whose Mothers have been refused Pensions on account of private income, are considered ineligible for Compassionate Allowances under ordinary circumstances.

34. In the event of a Widow re-marrying, her Children by the first marriage are still eligible for Compassionate Allowances, provided they are otherwise qualified to receive them.

35. Compassionate Allowances are granted for the year commencing 1st January, but are not payable till after the following 1st April.

36. Children who were born after their Fathers commenced their Retired Pay, are not eligible to be placed on the Compassionate List.

37. The aggregate amount of the Allowances to the Family of any Officer shall not exceed, in ordinary cases, the amount of the Half-Pay of his Rank and Standing at the time of his death. In the case of an Officer whose death is attributable to the Service, the aggregate amount of the Allowances to his Family shall not exceed *100l.* a year more than the amount of the Half-Pay of his Rank and Standing at the time of his death.

38. *Mothers*.—When an Officer is killed in action, or killed or drowned on duty, or dies of wounds or injuries received on duty within six months after being injured, and leaves no Widow nor legitimate child, but leaves a Mother who is a Widow in distressed circumstances, and who was dependent upon him, the Mother shall receive a Pension equal to the *ordinary* rate of Widow's Pension attached to the rank which her Son held at the time of his death; but if such Mother shall herself be in the re-

ceipt of a Pension as an Officer's Widow, or shall have any other provision of any kind from the public, in that case no Allowance will be made to her on account of her Son, unless she gives up her Pension or Allowance, and the Pension given to her Mother on account of her Son will be forfeited on her marriage, and will not be restored in the event of her becoming a Widow.

39. *Sisters*.—Sisters of Officers are not eligible for any Allowance, unless under very special and extraordinary circumstances. The Allowance will not exceed that which would be given to a Mother, and will not be given in any case unless the Officer shall have been killed in action, or killed or drowned on duty, or shall die of wounds or injuries received on duty within six months after being injured, and shall have left no Widow, legitimate child, nor Mother, nor unless the Sister shall be an Orphan, having no surviving Brother, and shall have been dependent for support upon the Officer killed. Every Pension so granted will cease when the person receiving it shall marry, or be in any other manner sufficiently provided for.

30. If there be no *ordinary* rate of Pension attached to the rank of the Officer, such Pension may be granted as the Admiralty may see fit, in the cases of both Mothers and Sisters, under the circumstances stated in Articles 28 and 29.

Men are not allowed their Pensions for any time during which they reside out of Her Majesty's dominions, except with the special permission of the Admiralty.

And with reference to these regulations it is to be noted that a captain, commander, or other commander-in-chief of a ship or vessel shall be deemed to be under the command of a flag when he shall actually have received some order from, or be acting in the execution of some order issued by a flag officer, whether he be or be not within the limits of the station of such flag officer, and in the event of his being directed to join a flag officer on any station he shall be deemed to be under the command of such flag officer from the time when he arrives within the limits of the station which circumstance is always

to be carefully noted in the log-book; and it shall be considered that he continues under the flag officer of such station until he shall have received some order directly from, or be acting in the execution of some order issued by some other flag officer duly authorized, or by the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral.

That in case of any Difference on any Question arising out of the above Scale, or omitted in the said Scale, the Lords Commissioners of the Admiralty shall have Authority to decide what the Freight shall be under the said Scale, or adorning as nearly as possible, in cases not specified, to the Spirit and Principles of the said Scale.

That on the Shipment of Gold, Silver or Jewels, or other Articles received on board as Treasure by special Order, the Rate of Freight *per Cent.*, according to the above Scale, shall be endorsed on the Bill or Bill of Lading, or Receipt or Receipts of the Officer receiving the Charge thereof, such Endorsement or Endorsements to be signed by the said Officer; but in case of any Difference of Opinion Abroad, or when immediate Reference cannot be had to the Lords of the Admiralty, it may be expressed, "at such Rate as the Lords Commissioners of the Admiralty shall decide."

When Treasure belonging to the Crown shall be shipped in any of His Majesty's Ships or Vessels with a Commissioner or Commander specially charged with the Care thereof, the Officer commanding such Ship or Vessel shall not be required to give any Receipt, nor to sign any Bill of Lading, and such Officer shall not receive any Freight on account thereof, nor be liable to make good any Loss or Damage which may happen to the same.

That the Lords Commissioners of the Admiralty shall have Authority to direct at what Time, and for what Time, and within what Limits, the War Freight shall be payable on Private Treasure received by Special Order.

And We do hereby further order and direct, That the whole Amount of the said Freight, when received, shall be divided into Four Parts, and distributed as follows, subject to the provision or provisions mentioned. One Fourth to the Admiral or Admirals, if more than one on the Station or in the Squadron to which the Ship receiving Treasure on board may belong; Two Fourths to the Captain or Officer commanding such Ship or Vessel, who shall give his Receipt or sign the Bill of Lading for the Treasure; and One Fourth to Greenwich Hospital, for the use of that Institution.

That when there shall be more than One Flag Officer on a Station, the said One Fourth Part shall be divided and distributed amongst the several Flag Officers on the Station, in the following Proportions, *viz.*

If there be but Two Flag Officers, the Chief shall have Two Third Parts of the said One Fourth, and the other shall have the remaining Third Part; but if the Number of Flag Officers be more than Two, the Chief shall have only One Half, and the other Half shall be equally divided amongst the Junior Flag Officers; but if there be no Flag Officer on the Station, or that the Ship or Vessel be not under the Orders of a Flag Officer, then that the Captain or Officer commanding the Ship or Vessel shall have Three Fourths, and Greenwich Hospital One Fourth.

I, A. B., am desirous of partaking in the Advantages with the Risks attendant thereon, arising out of the Conveyance of Freight of Treasure in any of the Ships or Vessels in the Squadron, (or, in the particular Ship, as the Case may be); And I hereby engage to make good to the Captain or Captains, Officer or Officers, commanding such Ships or Vessels respectively (or, Ship or Vessel, as the Case may be), such Part of any Loss or Damage for which he or they may be liable in respect to the Gold, Silver, Treasure, or other Articles so carried on Freight, and which he or they respectively shall have actually paid and satisfied, as shall be in proportion to the Share or Interest in the said Freight Money to which I may be entitled.

And that such Share or Shares of the Admiral or Admirals as aforesaid, to which he or they shall not be entitled on the Conditions hereinbefore expressed, shall go and belong to the Captain or Officer commanding the Ship or Vessel in which the Gold, Silver, Treasure, or other Article shall be carried on freight as aforesaid.

That in the Event of Loss or Damage happening to the Gold, Silver, Jewels, or other Articles so received on Freight, exceeding the total Freight Money, Greenwich Hospital shall not be entitled to receive any Sum on account of such Freight; and in Cases in which the Loss may not amount to the Whole of the Freight Money, Greenwich Hospital shall be entitled only to its Proportion of the Balance of Freight Money over and above such Loss or Damage.

That Commodores, with Captains under them, and Captains of the Fleet, are to be considered, agreeably to the Rules of the Service, as Flag Officers; and Commodores, without Captains under them, shall, with respect to Freight, be also considered as Flag Officers, when in the Command of a Station.

That when the Captain or Commander, or his Agent, shall have received the Freight, he shall pay over to the Senior Flag Officer and to the Treasurer of Greenwich Hospital, without Delay, their respective Shares, and the Captain shall be held responsible to both for any Loss which may occur through his Neglect or Delay in receiving or paying the same; but if there be any Question or Difficulty as to the Payment, he is to apprise the Senior Flag Officer and the Treasurer of Greenwich Hospital respectively of the Causes of such Delay.

That the Captain or Officer Commanding, on receiving any Treasure on board any of His Majesty's Ships or Vessels, shall transmit to the Senior Flag Officer, when such Captain or Officer commanding shall be under a Flag Officer, and in every Case to the Treasurer of Greenwich Hospital, and to the Secretary of the Admiralty, a Return of the Amount of such Treasure and of the Freight paid or to be paid thereon.

That when the Treasure shall, during the Voyage, be transhipped into One or more Ships, the Freight shall be divided, *pro rata itineris*, among the Admirals and Captains who may be entitled to share therein, according to the Services performed by the different Ships respectively; and if any difficulty or Dispute shall arise respecting such Division or Distribution, any party interested therein may refer the same to the Lords Commissioners of the Admiralty; and the Decision or Orders of the Lords Commissioners of the Admiralty, or any Three of them, as to such Division or Distribution, shall be final and conclusive thereon.

That, in order to prevent any Doubt or Misunderstanding as to the Rate or Distribution of Freight on Gold, Silver, Jewels, or other Articles as aforesaid, received on board Flag Ships, or any other of His Majesty's Ships and Vessels, and to prevent any private Agreements inconsistent with these Regulations, all Flag or other Officers are expressly forbidden to receive on board any of His Majesty's Ships or Vessels any Gold, Silver, Jewels, or other Articles as aforesaid, upon any Agreement or Condition different from these Regulations, or to take, demand, or receive any Sum, other than those established by these Regulations.

That these Rules and Regulations shall be in force from the Day on which they shall be received by His Majesty's Officers, and be thereupon taken and understood to be the established Rule and Custom of His Majesty's Naval Service, on the several particulars to which they refer, till they shall be revoked or otherwise altered by any Proclamation or Proclamations to be issued by Us.

Given at the Court at Carlton House, this Twelfth Day of July, One Thousand Eight Hundred and Nineteen, in the Fifty-ninth Year of His Majesty's Reign.

GOD SAVE THE KING.

TREASURE PLACED ON BOARD H.M.'S SHIPS FOR CUSTODY ONLY.

Admiralty, 4th June 1821.

SIR,—My Lords Commissioners of the Admiralty having had under their consideration a question relative to the Freight Money to be allowed for treasure deposited on board His Majesty's ships for custody only, have decided that freight for such a deposit should be paid as if such deposit were a conveyance from one place to another within the same station, and shall be divided (where it has been on board more than one of His Majesty's ships) among the Captains, as freight for conveyance would have been;—in all cases Greenwich Hospital is to have a share; and where, after any such deposit, new bills of lading, or new orders for conveyance, either on board another ship or the same ship, shall be made, the freight established for such conveyance by

the Order in Council is to be changed, over and above the freight which might be already due on the score of despatch.

I have it in command from their Lordships to acquaint you therewith for your information and guidance.

I am, &c. J. W. Croker.

BY THE KING.
A PROCLAMATION.

WILLIAM R.

And it is further established and declared, That such Freight shall be payable clear of all Deduction whatsoever; and that it shall be stipulated in the Bill of Lading that the Captains and Commanding Officers of Our Ships and Vessels shall not be liable to any Expenses attending the Shipment of such Treasure, or other Articles, until the same shall be safe alongside of their respective Ships or Vessels, and that their liability shall cease from the Moment they shall have landed the Treasure at the Port to which the Ships carrying the Treasure shall be destined.

And it is further declared, That in all other respects, save what is hereby altered, the said Proclamation of the Twelfth day of July One thousand eight hundred and nineteen, and the Rules and Regulations thereby established, shall continue in full force.

GOD SAVE THE KING.

BY THE KING.
A PROCLAMATION.

WILLIAM R.

WHEREAS We did, by Our Royal Proclamation of the Twenty-third Day of April last, establish and declare a Scale of Rates at which Freight should be payable for public and private Treasure conveyed on board any of Our Ships and Vessels: We have, by and with the Advice of Our Privy Council, thought fit further to ordain, declare, and command, and We do hereby ordain, declare, and command, That from and after the First Day of September next, the Freight for conveying Gold and Silver in any of Our Packets between any Two Ports, the navigable Distance between which shall exceed Six Hundred Leagues, shall be fixed at the Rate of One per Cent., both for Gold and Silver: and We do hereby establish and declare, that the Responsibility of the Officer in charge of such Treasure shall commence when it shall be safe alongside the said Packet, and shall cease the Moment that it shall be landed at the Port of Destination: And it is further declared, That in all other respects the said Proclamation of the Twenty-third Day of April last, and the Rules and Regulations thereby established, shall continue in full force.

GOD SAVE THE KING.

Admiralty, 24th October 1831.

My Lords Commissioners of the Admiralty are pleased to direct that Officers are not to constitute themselves judges of their own claims to Freight, nor deduct from Treasure belonging to the State such sums as they consider themselves entitled to, but that all claims for Freight on Public Treasure be submitted in the usual manner to the Lords of the Treasury for such orders as may appear to them to be required.

And with reference to the Circular Order of 4th June 1821, granting an allowance for Treasure deposited on board Her Majesty's Ships for *Custody only*, as if such deposit were a conveyance from one place to another within the same station, my Lords direct that the Regulations under that Order are not to be considered as applying to Public Treasure, but to Treasure belonging to Private individuals only.

By Command of their Lordships,
SIDNEY HERBERT.

1. Vacancies for appointments as Apprentices to Shipwrights and Fitters in Her Majesty's Dockyards at Chatham, Sheerness, Portsmouth, Devonport, and Pembroke are open to public competition.

2. The lists of Candidates for these situations are kept at the Admiralty in London, and by the Superintendents of the Dockyards named in paragraph 1, to whom all applications must be sent in before the 1st of March in each year.

3. The Candidates must not be less than Fourteen nor more than Fifteen years of age on the first day of the Examination. Proof of age will be required by the production of a Certificate of Birth. A Declaration before a Magistrate, accompanied by a certificate of Baptism, will be accepted in those cases only in which it is impossible to procure a Certificate of Birth. A Certificate of Baptism cannot be accepted under any other circumstances. The Superintendent of the Dockyard is to take particular care that no boy's name is forwarded to the Admiralty for examination unless his age is within the prescribed limits.

4. Candidates will be first required to satisfy the Superintendents of the Dockyards as regards their age, respectability, good character, and physical fitness before they can be considered eligible for entry into the Dockyard. Candidates in or near London, and who elect to be examined in London, will be required to satisfy the Admiralty on the points named above. If these conditions are satisfactory, they will then be examined by the Civil Service Commissioners in Educational subjects. All candidates must be children of British subjects.

5. Candidates will not be admitted for examination at the Dockyards until they have been pronounced fit for Her Majesty's Service by the Medical Officers of the yard. Candidates in or near London may be examined by the Medical Director-General of the Navy at the Admiralty. Candidates should possess the following physical qualifications at the minimum age:-

but a deficiency in these requisites will not exclude candidates who may be pronounced by the Medical Officers to be generally calculated to make efficient workmen. All such cases, however, are to be specially noted in the lists sent to the Admiralty, and the grounds upon which such Candidates have been admitted are to be fully stated. All candidates must produce certificates to the satisfaction of the examining Medical Officers that they have been revaccinated, or they must be revaccinated, before they can be considered eligible for entry into the Dockyard.

6. The examination will commence on the first Tuesday in May in each year, and will be held by the Civil Service Commissioners in London as well as at the several Dockyards.

8. Candidates who fail to pass in the first three subjects will be disqualified, and their other papers will not be examined. The candidates who display a competent knowledge of all the subjects named in paragraph 7 will be eligible for appointment in the various Trades, according to their position on the Examination Lists at the several Dockyards, and to the number of appointments which it may be decided to make that year.

9. Apprentices will be bound by Indentures to serve for seven years, and no candidate will be entered unless some relative or friend is able and willing to undertake the duty of the second party to the Indenture as to the support, &c., of the Apprentice during his apprenticeship. Board wages will only be allowed in the case of boys whose fathers have died or been killed in Service under the Admiralty, and when it can be proved the family are in distressed circumstances, or in other very special cases.

10. On the expiration of their period of service Apprentices will receive a certificate of their character and conduct, the progress they have made in their trade and in the knowledge of the subjects prescribed for Dockyard Apprentices.

12. A limited number of Apprentices who have passed five years at the Dockyard will be selected annually by competitive examination for study at the Royal Naval College at Greenwich. They will remain there three sessions, passing the vacation each year between the 30th June and the 1st October at one of the Dockyards.

13. Those selected for study at Greenwich must join with their parents or guardians in a bond for the sum of £50, to serve under the Admiralty for seven years if required after the completion of their Apprenticeship.

14. While at Greenwich, Dockyard Apprentices will be lodged, and will receive 1s. 6d. a day towards the mess. They will mess with the Acting 2nd Class Assistant Engineers.

When at their own Dockyards during the vacation, they will receive their pay as above, but not the messing allowance. When at other Dockyards, the messing allowance will be granted.

15. If found well qualified at the completion of their course at Greenwich, they may be sent to sea in one of Her Majesty's Ships for one year if the Lords Commissioners of the Admiralty think it desirable, and will then be appointed Supernumerary Draughtsmen, and employed temporarily as Assistants to the Foremen of the Dockyards, or in any other post for which they may be considered fit. In cases where their Lordships do not consider it desirable to send them to sea, they will be at once appointed to situations as above at the several Dockyards.

MISCELLANEOUS CIRCULARS, &c.

FLEET CIRCULAR No. 39.—N.

Admiralty, 9th December 1884.

(FOREIGN LANGUAGES.)

My Lords Commissioners of the Admiralty, having regard to the desirability of encouraging officers to acquire a colloquial knowledge of Foreign Languages, are pleased to lay down the following Regulations, viz. :—

1. The marks assigned for French at the Examination of Acting Sub-Lieutenants at the Royal Naval College, Greenwich, will be raised from 100 to 200; the total qualifying number for each class, and the minimum number required to be obtained at the College to qualify for a Lieutenant's Commission under Circular No. 1, N., of 1st February 1884, being increased. This rule is to take effect at the first Examination in 1885, and will therefore apply to the Acting Sub-Lieutenants who joined the College in June 1884.

2. Commissioned Officers of the Military Branch, and other Officers now eligible for Examination for Interpreter in European Languages, will be allowed, if the requirements of the Service admit, to proceed to the Continent for three months for the purpose of improving their colloquial knowledge of the French, German, Spanish, or Italian Languages.

3. Before being allowed to avail himself of this privilege, an Officer will be required either to satisfy the Civil Service Commissioners that he possesses an adequate grammatical knowledge of the Language which he has selected, or, if he has studied the Language at the Royal Naval College, to obtain a certificate to the same effect from the College Examiner.

4. On return to England, the Officer will be examined by the Civil Service Commissioners as to his colloquial knowledge, both as regards speaking, and readiness in interpreting the Language which he has studied.

5. If able to pass a satisfactory examination, he will be allowed full pay and harbour time for the three months of study abroad, but he will not receive any allowance for victuals, nor any other allowance in addition to full pay.

6. The privilege of study abroad will not be granted to any Officer more than once for the same Language.

7. The regulations contained in paragraphs 2 to 6 are provisional only, and the question of their continuance will be considered after 12 months' experience of their working.

By command of their Lordships,

EVAN MACCARTHER.

MEDALS AND ANNUITIES FOR CONSPICUOUS GALLANTRY IN ACTION.

MEDALS AND ANNUITIES FOR CONSPICUOUS GALLANTRY IN ACTION.

By Order in Council, dated the 7th July 1874, a Silver Medal has been established for such Petty Officers and Seamen of the Royal Navy, and Non-commissioned Officers and Privates of Royal Marines, as may at any time distinguish themselves by acts of conspicuous gallantry in action with the enemy.

This Medal may, at the discretion of the Lords Commissioners of the Admiralty, be accompanied by the grant of an annuity (not exceeding £20) in the cases of Chief and First-Class Petty Officers of the Navy and

Sergeants of Royal Marines, provided the amount authorised from time to time for such annuities, by the Lords Commissioners of Her Majesty's Treasury, is not exceeded.

As these rewards are intended for such men only as shall have rendered themselves individually conspicuous by some special act of pre-eminent gallantry in action with the enemy, great care is to be taken that the cases of the men recommended come strictly within the spirit of the Order in Council; and that the case of each man be accompanied by a full statement of the grounds on which his claim to this distinction is founded.

REGULATIONS FOR ENTRY OF OFFICERS IN THE ROYAL NAVAL RESERVE.

ORDER IN COUNCIL, MARCH 1, 1884.

At the Court of Windsor,
the 1st day of March 1884.

Present:

The QUEEN'S Most Excellent Majesty in Council.

Whereas by the Act twenty-four and twenty-five Victoria, chapter one hundred and twenty-nine, Her Majesty was empowered to avail herself of the services of a certain number of Officers of the Merchant Service of the United Kingdom, and of the Colonies and Dependencies of Great Britain, as Officers of Reserve to the Royal Navy; and whereas certain Regulations have been made under the said Act, and in pursuance of the said

Act and of the said Regulations made thereunder, a considerable number of such Officers have been enrolled as Officers of Reserve; and whereas by the Officers of Royal Naval Reserve Act, 1883, twenty-six and twenty-seven Victoria, chapter sixty-nine, it is enacted as follows, viz. :—

"1. It shall be lawful for Her Majesty to accept from time to time the offers of any persons who have been, are, or shall be Masters, Mates, or Engineers of Ships in the Merchant Service aforesaid, or of other British Ships not belonging to Her Majesty, or of any persons who have been Commissioned Officers, Masters, or Engineers in the Indian Naval Force of Her Majesty, or in the Naval Force of the East India Company, to serve as Officers of reserve to the Royal Navy, upon such terms and conditions as to Her Majesty may from time to time seem fit.

"2. The Lord High Admiral, or the Commissioners for executing his office, herein-after called the Admiralty, may enrol as Officers of Reserve to the Royal Navy so many of such persons as aforesaid as the Admiralty may from time to time deem expedient, under and subject to such rules, orders, and regulations as the Admiralty may, with the consent of Her Majesty in Council, from time to time establish; and such persons so enrolled shall bear such rank in respect to the Officers of the Royal Navy as the Admiralty may from time to time direct, and shall when called out for training or exercise, or on actual service, be subject to all the laws, regulations, and customs for the time being in force for the government and discipline of the Royal Navy."

"3. Such persons so enrolled as Officers of Reserve shall be entitled to receive such pay and allowances as the Admiralty, with the consent of Her Majesty in Council, may from time to time appoint; and if any such person is disabled or receives any hurt or wound in actual service, he shall be entitled to the same allowance or pension in respect thereof as an Officer of the Royal Navy of corresponding rank would be entitled to under similar circumstances; and if any such person is killed in action, or dies from any wound or accident resulting from the performance of his duty, his widow (if any) shall be entitled to the same pension as the widow of an officer of the Royal Navy of corresponding rank would be entitled to under similar circumstances."

"4. It shall be lawful for Her Majesty to continue the services of all persons who have been enrolled as Officers of Reserve to the Royal Navy before the passing of this Act, and the services of all such persons shall be deemed to be continued by Her Majesty as if this Act had not been passed, unless and until Her Majesty thinks fit to discontinue the same."

"5. All rules, orders, and regulations relating to persons enrolled as Officers of Reserve to the Royal Navy made before the passing of this Act by the Admiralty, with the consent of Her Majesty in Council, shall, with respect to all persons enrolled before the passing of this Act, continue in force as if this Act had not been passed, and shall also extend and apply, as far as may be (mutatis mutandis), to all persons so enrolled after the passing of this Act, but so that any rules, orders, and regulations made as aforesaid from time to time under this Act may repeal or alter all or any part of any rules, orders, and regulations made before the passing of this Act, and shall, unless otherwise expressed, extend and apply as well to persons so enrolled before the passing of this Act as to persons so enrolled after the passing of this Act."

"6. On the passing of this Act the Act of the Session of the twenty-fourth and twenty-fifth years of Her Majesty (chapter one hundred and twenty-nine), 'to enable Her Majesty to accept the services of Officers of the Merchant Service as Officers of Reserve to the Royal Navy,' shall be repealed; but this repeal shall not affect the past operation of the said Act, or the validity of anything already done, or any right, title, obligation, or liability already accrued thereunder."

And whereas the Lords Commissioners of the Admiralty have submitted for the approval of Her Majesty the Regulations appended to this Order, as Regulations proper to be substituted for the Regulations hitherto in force under the Act twenty-four and twenty-five Victoria, chapter one hundred and twenty-nine:

Now, therefore, Her Majesty is pleased to direct that the said Regulations appended to this Order shall take effect from the date hereof.

Instead of the anchor on the epaulettes and shoulder straps respectively, there is to be a badge consisting of a silver anchor in centre, surrounded with the words "Royal Naval Reserve" embroidered in gold. Instead of the bullion loop on the cocked hats, the loops to be formed of two gold braids, twisted the same as for coat sleeves.

The badge for the caps to consist of a device similar to that on the epaulettes, embroidered on blue cloth and surmounted by a crown.

The plate for the sword-belt to be the same as for Officers of the Royal Navy, substituting the letters "R.N.R." for the anchor in the centre.

Drill.

Lieutenants and Sub-Lieutenants on the Active List of the Royal Naval Reserve will be required to undergo in each year a course of twenty-eight days' drill and gunnery instruction on board one of the District Drill Ships, or if absent from England above a year, and unable to take their drill on board a Drill Ship they may perform it on board one of Her Majesty's ships abroad having a Gunnery Lieutenant.

But on a special report being made to the Lords Commissioners of the Admiralty by the Commanders of such Drill or Gunnery Ship in the United Kingdom, or by the Captain of such ship abroad, to the effect that a Lieutenant or Sub-Lieutenant of the Reserve is competent to instruct and drill men of the Reserve, then such Lieutenant or Sub-Lieutenant will be required to undergo seven days' test drill each year, and if such test drill is performed to the satisfaction of the officer superintending the drill, the further twenty-one days will be dispensed with; but if the seven days' test drill is not satisfactory, the further twenty-one days' drill must be performed.

Messing.

Officers, whilst on drill, will live on shore, and receive the following subsistence allowance, viz:—

Lieutenants 10s. a day.

Sub-Lieutenants 7s. a day.

All Officers called out for service will mess with Officers of their respective ranks in the Royal Navy.

* For Uniform of Honorary Paymasters and Honorary Assistant Paymasters, see next page.

Discipline.

Officers will be subject to naval discipline when attending drill, and when called out for actual service; and will also at any time whilst belonging to the Reserve be liable to lose their Commissions for conduct unbecoming the character of Her Majesty's service, at the discretion of the Lords Commissioners of the Admiralty. They are expected to provide themselves with a copy of the Queen's Regulations and Admiralty Instructions.

Service Afloat.

Officers of the Royal Naval Reserve will be called out for actual service by Royal Proclamation; and they will be liable to serve during the continuance of any national emergency, or until they may be regularly discharged by the direction of the Lords Commissioners of the Admiralty.

Pay and Allowances, and Pensions to Widows.

Officers will, whilst called out, or actual service, receive the pay of their corresponding ranks in the Royal Navy. Officers who may receive hurts or wounds whilst on active service in the Royal Navy, or whilst undergoing drill, will receive the same pensions and allowances to which Officers in the Navy would be entitled under similar circumstances.

Widows of Officers who, whilst on actual service, may be killed in action, or die from accident resulting from the performance of their duty, will receive the same pensions as the widows of Naval Officers of corresponding rank would be entitled to under similar circumstances.

Repeal.

All Rules, Orders, and Regulations made in pursuance of the Act twenty-four and twenty-five Victoria, chapter one hundred and twenty-nine, shall be repealed from the date when these Regulations come into operation; but this repeal shall not affect the validity of anything already done, or any right, title, obligation, or liability already accrued thereunder.

"Whereas Your Majesty was graciously pleased by Your Order in Council of 15th October 1875 to establish the rank of Midshipman in the Royal Naval Reserve; and whereas it has in our opinion become advisable to make provision for the promotion of the most deserving of these Midshipmen to the higher rank of Sub-Lieutenant although not fully qualified for that rank under existing Regulations, and for the removal from the list of the Royal Naval Reserve of those Midshipmen who

have either failed to obtain the Certificates in the Mercantile Marine suitable to their age, or to keep up their drills. We most humbly submit that Your Majesty may be graciously pleased by Your Order in Council to establish the following regulations:

1. Midshipmen Royal Naval Reserve who formerly passed through a course of training in the "Worcester" or "Conway," to be eligible for promotion to the rank of Sub-Lieutenant on completing 6 years service in the Royal Naval Reserve, provided—

2. The names of Midshipmen who fail to obtain these qualifications for promotion at 25 years of age to be removed from the Lists of the Royal Naval Reserve, except in any special case to be judged by us, where prolonged service abroad is the cause of the failure to qualify under these Regulations."

EXAMINATION FOR CERTIFICATES OF EFFICIENCY IN NAVIGATION AND SEAMANSHIP.

Board of Trade,
Marine Department,
March 1885.

1. This Examination, which is similar to that passed by the Owners of Pleasure Yachts, is at present confined to Officers belonging to, and Candidates for commission in, the Royal Naval Artillery Volunteers.

2. The Certificate which will be issued to successful Candidates is purely honorary, and will not be available under the Merchant Shipping Act for use in any capacity whatever, on board a ship which is required to carry a Certificated Officer.

3. The Certificate is chiefly intended to encourage these Officers to attain to greater proficiency in the knowledge of Navigation and Seamanship, and to enable Commanding Officers to test the acquirements of those they recommend to the Admiralty for Commissions.

4. The name of each Officer and Candidate who may desire to be examined must first be submitted to the Board of Trade by the Commanding Officer of the Brigade, together with the name of the Port at which he wishes the Examination to be held.

5. If the application is approved, the Candidate must apply personally at a Mercantile Marine Office to fill up the form of application, Exn. 2, and pay the usual fee of 2*l.* required by the Regulations.

SUBJECTS OF EXAMINATION.

6. *Examination in Colours.*—The Candidate must pass the examination in colours.

7. *In Navigation, &c.*—He will be required to give in writing definitions of various astronomical and other terms used in navigation. He must have a competent knowledge of the first five rules of arithmetic and the use of logarithms. He must be able to work a day's work complete, correcting the courses for deviation, leeway, and variation. He will be required to find the latitude by meridian altitude of the sun, and the difference of longitude from a given departure by parallel sailing; also to find the course and distance from one position to another by Mercator's method. He will be required to find the time of high water at a given port, to observe and calculate the amplitude of the sun, and to find the error of the ship's compass therefrom, and also the deviation, the variation being given. He must be able to find the daily rate of the chronometer from error observed, and to find the longitude from altitude of the sun by the usual methods. He will be required to find the true bearing of the sun, and the error of the ship's compass from an observed azimuth of the sun, both from an altitude and also from the "Time Azimuth Tables," and with the variation given compute the deviation; to find the latitude from a single altitude of the sun off the meridian; also to ascertain the true bearing of the sun and the ship's position by Sumner's method by projection. He must be able to compute the latitude from the meridian altitude of a star, &c.; he must be able to find

the magnetic bearing from equidistant compass bearings of any fixed object when at sea, and compute the deviation therefrom. He must construct a deviation curve upon a "Napier's" diagram which will be furnished by the examiner, and understand the practical application of the same, and give written answers to certain practical questions on the effect of the ship's iron upon the compasses, the method of determining the deviation, and compensating same by magnets and soft iron. He must understand the use of the sextant with its adjustments, and be able to observe with it, and find the index error by the horizon, also by the sun, and read off and on the arc. He must also be conversant with the use of Mercator's chart, and be able to find on either a "true" or "magnetic" chart, the course to steer and the distance from one given position to another; and find the ship's position on the chart from cross bearings of two objects; from two bearings of the same object, the course and distance between the bearings being given; also the distance of ship from the object at the time of taking the second bearing. He will be required to find the course to steer by compass in order to counteract the effect of a given current, and to find the distance the ship will make good towards a given point, in a certain time, and to work out practically the correction to apply to soundings taken at a given time and place, to compare with the depth marked on the chart. He must also pass a satisfactory examination in the International Code of Signals.

8. *In Seamanship, &c.*—He must give satisfactory answers as to his knowledge of making and taking in sail, and as to the management of a vessel under canvas in moderate, and in stormy weather. He must have a thorough knowledge of the Rule of the Road at sea as regards both steamers and sailing vessels; their regulation lights, and fog and sound signals; and be able to describe the signals of distress, and the signals to be made by ships wanting a pilot, and the liabilities and penalties incurred by the misuse of these signals. He must also understand the use and management of the rocket apparatus in the event of his vessel being stranded. He must be able to mark and use the lead and log lines; to cast a vessel on a lee shore; to moor and unmoor a ship; to keep a clear anchor, and to carry out an anchor. QUALIFICATIONS FOR THE ORDER OF THE BATH.

Extract from Supplementary Statutes of 24th June 1861.

It is ordained that the Military Division of the Third-class, or Companions, may be increased to six hundred and ninety, and shall not, except under special and temporary exigencies, exceed that number; and that no person shall be nominated thereto who doth not actually hold at the time of his nomination a Commission in our Army or Marines, or in our Indian Military Forces, or above the rank of Major, or a Commission in our Navy, or in our Indian Naval Forces, or of above the rank of Commander, or a Commission of equivalent or higher rank in the Commissariat Service of our Army, or Indian Military Forces, or in the Medical Service of our Army, Navy, or Indian Military and Naval Forces; nor shall any person be admitted into this Division unless his services have been marked by the especial mention of his name in despatches, as having distinguished himself by his valour and conduct in action against the

enemy, in the command of a ship of war, or of our troops, or at the head of a Military Department, or as having by some Active Service, under his immediate conduct and direction, contributed to the success of any such action; provided, nevertheless, and We do hereby declare that this last-mentioned regulation shall not be applicable to Commissariat and Medical Officers, and instead thereof, We further declare, that no Commissariat or Medical Officer shall be competent to be an ordinary member of the Military Division of the Second and Third Classes of the said Order unless it shall appear to us that by his meritorious services in actual war, in providing for the wants of our Army, or of our Indian Military Forces, or in taking care of the sick and wounded Officers, Soldiers, and Seamen of our Army and Navy, or of our Indian Military and Naval Forces, he has deserved such distinction.

REGULATIONS RESPECTING FOREIGN ORDERS.

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear that insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished service before the Enemy, either at Sea or in the Field, or unless he shall have been actually and entirely employed beyond Her Majesty's dominions, in the service of the Foreign Sovereign by whom the Order is conferred.

3. The Intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited to the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on any such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a notification thereof shall be inserted in the "Gazette," stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission,

may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's license and permission does not authorize the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of Her Majesty's Realm.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher class of the same order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

Foreign Office, May 10th, 1855.

REGULATIONS RESPECTING FOREIGN MEDALS.

1. Applications for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British Subjects in the Army or in the Navy, for military or for naval services should be addressed, as the case may be, to the Commander-in-Chief, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs, for Her Majesty's sanction; upon obtaining which they may grant such permission without any other formality.

2. Any British Subject is at liberty to accept and wear a Foreign Medal, not being the Decoration of a Foreign Order, bestowed by competent authority for acts of bravery in saving human life. An Officer, Soldier, Marine, or Sailor must, however, first obtain permission from the Commander-in-Chief, or the Lords of the Admiralty, as the case may be.

3. No permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

Foreign Office, Jan. 1870.

CLARENDOX.

THE VICTORIA CROSS.

VICTORIA R.

Whereas, We, taking into Our Royal consideration that there exists no means of adequately rewarding the individual gallant services either of Officers of the lower grades in Our Naval and Military Service, or of Warrant and Petty Officers, Seamen, and Marines, in our Navy, and Non-commissioned Officers and Soldiers, in Our Army, and whereas the Third Class of Our Most Honourable Order of the Bath is limited, except in very rare cases, to the higher ranks of both Services, and the granting of medals, both in our Navy and Army, is only awarded for long service or meritorious conduct, rather than in bravery in action or distinction before an enemy, such cases alone excepted where a general medal is granted for a particular action or campaign, or a clasp added to the medal for some special engagement, in both of which cases all share equally in the boon, and those who by their valour have particularly signalled themselves remain undistinguished from their comrades. Now, for the purpose of attaining an end so desirable as that of rewarding individual instances of merit and valour, We have instituted and created, and by these presents, for Us, Our Heirs and Successors, institute and create a New Naval and Military Decoration, which We are desirous should be highly prized and eagerly sought after by the Officers and Men of Our Naval and Military Services, and are graciously pleased to make, ordain, and establish the following rules and ordinances for the government of the same, which shall from henceforth be invariably observed and kept:

Firstly.—It is ordained, that the distinction should be styled and designated "the Victoria Cross," and shall consist of a Maltese Cross of Bronze, with our Royal Crest in the centre, and underneath which an escroll, bearing this inscription "For Valour."

Secondly.—It is ordained that the Cross shall be suspended from the left breast by a blue riband for the Navy, and by a red riband for the Army.

Thirdly.—It is ordained, that the names of those upon whom We may be pleased to confer the Decoration shall be published in the "London Gazette," and a registry thereof kept in the office of Our Secretary of State for War.

Fourthly.—It is ordained, that anyone who, after having received the Cross, shall again perform an act of bravery, which, if he had not received such Cross, would have entitled him to it, such further act shall be recorded by a Bar attached to the riband by which the Cross is suspended, and for every additional act of bravery an additional Bar may be added.

Fifthly.—It is ordained, that the Cross shall only be awarded to those Officers or men who have served Us in the presence of the enemy, and shall have then performed some signal act of valour, or devotion to their country.

Sixthly.—It is ordained, with a view to place all persons on a perfectly equal footing in relation to eligibility for the Decoration, that neither rank, nor long service, nor wounds, nor any other circumstance or condition whatsoever, save the merit of conspicuous bravery, shall be held to establish a sufficient claim to the honour.

Seventhly.—It is ordained, that the Decoration may be conferred on the spot where the act to be rewarded by the grant of such Decoration has been performed, under the following circumstances:—

I. When the Fleet or Army, in which such act has been performed, is under the eye and command of an Admiral or General Officer commanding the Forces.

II. Where the Naval or Military forces under the eye and command of an Admiral or Commodore commanding a squadron or detached naval force, or of a General commanding a corps, or division or brigade on a distant expedition, when such Admiral, Commodore, or General Officer shall have the power of conferring the Decoration on the spot, subject to confirmation by Us.

Eighthly.—It is ordained, where such act shall not have been performed in sight of a Commanding Officer as aforesaid, then the claimant for the honour shall prove the act to the satisfaction of the Captain or Officer commanding his ship, or to the Officer commanding the regiment to which the claimant belongs, and such Captain or such Commanding Officer shall report the same through the usual channel to the Admiral or Commodore commanding the force employed on the service, or to the Officer commanding the forces in the field, who shall call for such description and attestation of the act

as he may think requisite, and on approval shall recommend the grant of the Decoration.

Ninthly.—It is ordained, that every person selected for the Cross, under rule seven, shall be publicly decorated before the Naval or Military force or body to which he belongs, and with which the act of bravery for which he is to be rewarded shall have been performed, and his name shall be recorded in a General Order, together with the cause of his special distinction.

Tenthly.—It is ordained that every person selected under rule eight shall receive his Decoration as soon as possible, and his name shall likewise appear in a General Order as above required, such General Order to be issued by the Naval or Military Commander of the Forces employed on the service.

Eleventhly.—It is ordained that the General Orders above referred to shall from time to time be transmitted to Our Secretary of State for War, to be laid before Us, and shall be by him registered.

Twelfthly.—It is ordained that as cases may arise not falling within the rules above specified, or in which a claim, though well founded, may not have been established on the spot, We will, on the joint submission of Our Secretary of State for War and of Our Commander-in-Chief of Our Army, or on that of Our Lord High Admiral or Lords Commissioners of the Admiralty in the case of the Navy, confer the Decoration, but never without conclusive proof of the performance of the act of bravery for which the claim is made.

Thirteenthly.—It is ordained that, in the event of a gallant and daring act having been performed by a squadron, ship's company, a detached body of Seamen and Marines not under fifty in number, or by a brigade, regiment, troop, or company, in which the Admiral, General, or other Officer commanding such force, may deem that all are equally brave and distinguished, and that no special selection can be made by them; then, in such case, the Admiral, General, or other Officer commanding, may direct, that for any such body of Seamen or Marines, or for every troop or company of Soldiers, one Officer shall be selected by the Officers engaged for the Decoration; and in like manner one Petty Officer or Non-commissioned Officer shall be selected by the Petty Officers and Non-commissioned Officers engaged; and two Seamen or Private Soldiers, or Marines, shall be selected by the Seamen, or Private Soldiers, or Marines, engaged respectively, for the Decoration; and the names of those selected shall be transmitted by the Senior Officer in command of the Naval force, brigade, regiment, troop, or company, to the Admiral or General Officer commanding, who shall in due manner confer the Decoration as if the acts were done under his own eye.

Fourteenthly.—It is ordained that every Warrant Officer, Petty Officer, Seaman, or Marine, or Non-commissioned Officer or Soldier, who shall have received the Cross shall, from the date of the act by which the Decoration has been gained, be entitled to a Special Pension of Ten Pounds a year, and each additional Bar conferred under rule four of our Warrant or Petty Officers, or Non-commissioned Officers or Men, shall carry with it an Additional Pension of Five Pounds per annum.

Fifteenthly.—In order to make such additional provision shall effectually preserve pure this most honourable distinction, it is ordained that if any person on whom such distinction shall be conferred, be convicted of treason, cowardice, felony, or of any infamous crime, or if he be accused of any such offence and doth not after a reasonable time surrender himself to be tried for the same, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and the Pension conferred under rule fourteen shall cease and determine from the date of such Warrant. It is hereby further declared that We, Our Heirs and Successors, shall be the sole judges of the circumstance demanding such expulsion; moreover, We shall at all times have power to restore such persons as may at any time have been expelled, both to the enjoyment of the Decoration and Pension.

Given at our Court at Buckingham Palace, this twentieth of January, in the nineteenth year of Our reign and in the year of our Lord one thousand eight hundred and fifty-six.

By Her Majesty's Command,

PARNELL.

QUALIFICATIONS FOR THE VICTORIA CROSS.

Whereas doubts have arisen as to the qualification required for the decoration of the Victoria Cross: And whereas the description of such qualification in our warrant of 29th January 1856 is not uniform:

Our will and pleasure is that the qualification shall be "conspicuous bravery or devotion to the country in the presence of the enemy," and that our warrant of 29th January 1856 shall be read and interpreted accordingly.

It is Our further will and pleasure that officers and men of our auxiliary and reserve forces (Naval and Military) shall be eligible for the decoration of the Victoria Cross under the conditions of Our said warrant, as amended by this Our warrant.

Given at Our Court at Osborne, this 23rd day of April 1881, in the 44th year of Our Reign.

By Her Majesty's command,
HUGH C. E. CHILDESS.

THE ROYAL RED CROSS.

VICTORIA R.

WHEREAS We have been pleased to take into Our consideration the services rendered by certain persons in nursing the sick and wounded of Our Army and Navy, and have resolved specially to recognise individual instances of special devotion in such service: Now, for the purpose of attaining this end, We have instituted, constituted, and created, and by these presents for Us, Our Heirs, and Successors, do institute, constitute, and create a decoration, to be designated as hereinafter prescribed; and We are pleased to make, ordain, and establish the following rules and ordinances for the government of the same, which shall from henceforth be inviolably observed and kept:

First.—The decoration shall be styled and designated "The Royal Red Cross," and shall consist of a Cross, enamelled crimson, edged with gold, having on the Arms thereof the words Faith, Hope, Charity, with the date of the institution of the decoration; the centre having thereon Our Effigy.

On the reverse side Our Royal and Imperial Cipher and Crown shall be shown in relief on the centre.

Secondly.—The cross shall be attached to a dark blue riband edged red, of one inch in width, tied in a bow and worn on the left shoulder.

Thirdly.—The decoration may be worn by the Queen Regnant, the Queen Consort, or the Queen Dowager of the United Kingdom of Great Britain and Ireland; and it shall be competent for Us, Our Heirs and Successors, to confer the decoration upon any of the Princesses of the Royal Family of Great Britain and Ireland.

Fourthly.—It shall be competent for Us, Our Heirs and Successors, to confer the decoration upon any ladies, whether subjects or foreign persons, who may be recommended to Our notice by Our Secretary of State for War for special exertions in providing for the

nursing, or for attending to, sick and wounded soldiers and sailors.

Fifthly.—It shall be competent for Us, Our Heirs and Successors, to confer this decoration upon any Nursing Sisters, whether subjects or foreign persons, who may be recommended to Our notice by Our Secretary of State for War, or, as the case may be, by the First Lord of the Admiralty through Our said Secretary of State, for special devotion and competency which they may have displayed in their nursing duties with Our Army in the Field, or in Our Naval and Military Hospitals.

Sixthly.—The names of those upon whom we may be pleased to confer the decoration shall be published in the London Gazette, and a registry thereof kept in the office of Our Secretary of State for War.

Lastly.—In order to make such additional provision as shall effectually preserve pure this honourable distinction, it is ordained that if any person on whom such distinction shall be conferred shall by her conduct become unworthy of it, her name shall be erased, by an order under Our Sign Manual, from the register of those upon whom the said decoration shall have been conferred.

And it is hereby declared that We, Our Heirs and Successors, shall be the sole judge of the conduct which may require the erasure from the register of the name of the offending person, and that it shall at all times be competent for Us, Our Heirs and Successors, to restore the name if such restoration should be justified by the circumstances of the case.

Given at Our Court at Osborne, this twenty-third day of April, one thousand eight hundred and eighty-three, in the forty-sixth year of Our Reign.

By Her Majesty's Command,
HARTINGTON.

THE ALBERT MEDAL.

WARRANT extending the two Decorations styled respectively "THE ALBERT MEDAL OF THE FIRST CLASS" and "THE ALBERT MEDAL OF THE SECOND CLASS" to cases of Gallantry in saving life on land.

VICTORIA R.

"Victoria, by the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, &c., to all to whom these presents shall come, greeting:

Whereas a Warrant was given under Our Royal Sign Manual, bearing date the 7th March 1860, in the 29th year of Our reign, "instituting a new decoration to be styled 'The Albert Medal,'" and such Warrant was in the terms following, that is to say:—

"VICTORIA R.

"Victoria, by the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, &c., to all to whom these presents shall come, greeting:

"Whereas We, taking into Our Royal consideration that great loss of life is sustained by reason of shipwrecks and other perils of the sea; and taking also into consideration the many daring and heroic actions performed by mariners and others to prevent such loss and to save the lives of those who are in danger of perishing by reason of wrecks and perils of the sea; and taking also into consideration the expediency of distinguishing such efforts by some mark of Our Royal favour:

"Now for the purpose of attaining an end so desirable as that of rewarding such actions as aforesaid, We have instituted and created, and by these presents for Us, our heirs and successors, institute and create, a new Decoration, which We are desirous should be highly prized and eagerly sought after, and are graciously pleased to make, ordain, and establish the following rules and ordinances for the government of the same, which shall from henceforth be inviolably observed and kept.

"First.—It is ordained that the distinction shall be styled 'The Albert Medal,' and shall consist of a gold oval-shaped badge or decoration enamelled in dark blue, with a Monogram composed of the letters V. and A., interlaced with an Anchor erect in gold, surrounded with a Garter in bronze, inscribed in raised letters of gold by 'For Gallantry in Saving Life at Sea,' and surmounted by a representation of the Crown of His Royal Highness the lamented Prince Consort, and suspended from a dark blue riband of five-eighths of an inch in width with two white longitudinal stripes.

"Secondly.—It is ordained, that the Medal shall be suspended from the left breast.

"Thirdly.—It is ordained, that the names of those upon whom We may be pleased to confer the Decoration shall be published in the 'London Gazette,' and a registry thereof kept in the Office of the Board of Trade.

"Fourthly.—It is ordained, that anyone who, after having received the Medal, again performs an act which, if he had not received such Medal, would have entitled him to it, such further act shall be recorded by a bar attached to the riband by which the Medal is suspended; and for every such additional act an additional bar may be added.

"Fifthly.—It is ordained, that the Medal shall only be awarded to those who, after the date of this instrument, have, in saving or endeavouring to save the lives of others from shipwreck or other peril of the sea, endangered their own lives, and that such award shall be made only on a recommendation to Us by the President of the Board of Trade.

"Sixthly.—In order to make such additional provision as shall effectually preserve pure this most honourable Distinction, it is ordained, that if any person to whom such Distinction is conferred be guilty of any crime or disgraceful conduct which in Our judgment disqualifies him for the said Decoration, his name shall on whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and his Medal shall be forfeited. And every person to whom the said Medal is given, shall, before receiving the same, enter into an engagement to return the same if his name shall be so erased as aforesaid under this regulation. It is hereby further declared,

that We, Our heirs and successors, shall be the sole judges of the circumstance demanding such expulsion. Moreover, We shall at all times have power to restore such persons as may at any time have been expelled to the enjoyment of the Decoration."

And whereas a Warrant was given under Our Royal Sign Manual, bearing date the 13th day of April 1867, in the 30th year of Our reign, intituled a Warrant revoking a Warrant dated the 7th day of March 1860, instituting a new Decoration to be styled 'The Albert Medal,' and instituting in lieu thereof two new Decorations, to be styled respectively 'The Albert Medal of the First Class,' and 'The Albert Medal of the Second Class.'"

And whereas the Warrant of the 13th day of April 1867, after reciting the said Warrant of the 7th day of March 1860, proceeded as follows:

"And whereas it has been represented to Us, that mariners and others perform many acts in preventing loss of life from shipwreck and other perils of the sea, that are not of a character sufficiently daring and heroic to bring them under Our warrant above cited, and are yet worthy of some distinguishing mark of Our Royal favour. And whereas We, taking into our consideration that it is expedient to reward such mariners and others who perform heroic actions to prevent loss of life from shipwreck and other perils of the sea, are pleased, in 17th March 1866, to institute and create two Decorations, which We are desirous should be highly prized and eagerly sought after, and are graciously pleased to Ordinance for the government of the same, which shall from henceforth be inviolably observed and kept.

"First.—It is ordained, that one of the said two Decorations shall be styled 'The Albert Medal of the First Class,' and shall consist of a gold oval-shaped badge or decoration, enamelled in dark blue, with a Monogram composed of the letters V. and A., interlaced with an Anchor erect in gold, surrounded with a Garter in bronze, inscribed in raised letters of gold, 'For Gallantry in Saving Life at Sea,' and surmounted by a representation of the Crown of His Royal Highness the lamented Prince Consort, and suspended from a dark blue riband of an inch and three-eighths in width, with four white longitudinal stripes.

"Secondly.—It is ordained, that the other of the two Distinctions shall be styled 'The Albert Medal of the Second Class,' and shall consist of the like shaped enamelled badge, save and except in this class it shall be entirely worked in bronze, instead of gold and bronze, and suspended from a dark blue riband of five-eighths of an inch in width, with two white longitudinal stripes.

"It is ordained, that each Medal shall be suspended from the left breast.

"Thirdly.—It is ordained that the names of those upon whom We may be pleased to confer either of these Decorations shall be published in the 'London Gazette,' and a registry thereof kept in the Office of the Board of Trade.

"Fourthly.—It is ordained, that anyone who, after having received either of the Medals, again performs an act which, if he had not received such Medal, would have entitled him to it, such further act shall be recorded by a bar attached to the riband by which the Medal is suspended; and for every such additional act an additional bar may be added.

"Fifthly.—It is ordained, that the Medals shall only be awarded to those who, after the date of the said Warrant of the 7th March 1866, have in saving or endeavouring to save the lives of others from shipwreck or other peril of the sea, endangered their own lives, and that such award shall be made only on a recommendation to Us by the President of the Board of Trade.

"Sixthly.—It is ordained, that the Albert Medal of the First Class shall be confined to cases of extreme and heroic daring, and that the Albert Medal of the Second Class should be given in cases which, though falling within the cases contemplated by this Warrant, are not sufficiently distinguished to deserve the Albert Medal of the First Class."

"Seventhly.—In order to make such additional provision as shall effectually preserve pure this most honourable Distinction, it is ordained, that if any person on whom such Distinction is conferred be guilty of any crime or disgraceful conduct which in Our judgment disqualifies him for the said Decorations, his

name shall forthwith by erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and his Medal shall be forfeited. And every person to whom the said Medal is given shall, before receiving the same, enter into an engagement to return the same if his name shall be so erased as aforesaid under this regulation. It is hereby further declared, that We, Our heirs and successors, shall be the sole Judges of the circumstance demanding such expulsion. Moreover, We shall at all times have power to restore such persons as may at any time have been expelled to the enjoyment of the Decoration."

And whereas it has been represented to Us, that many heroic acts are performed on land within Our dominions in preventing loss of life from accidents in mines, on railways, and at fires, and other perils on shore:

"And whereas, We, taking into Our consideration that it is expedient to reward such of Our faithful subjects and others who perform such heroic acts as graciously pleased to extend the two Decorations styled respectively *"The Albert Medal of the First Class"* and *"The Albert Medal of the Second Class"* to cases of Gallantry in saving life on land; and for the exclusive government of the same, when conferred in such cases, but not otherwise, We are pleased to make, ordain, and establish the following Rules and Ordinances which shall from henceforth be invariably observed and kept.

First.—It is ordained that *"The Albert Medal of the First Class,"* when conferred for Gallantry in saving life on land, shall consist of a gold oval-shaped Badge or Decoration, enamelled in crimson, with a Monogram composed of the letter V. and A., erect in gold, surmounted with a Garter in bronze, inscribed in raised letters of gold, *"For Gallantry in Saving Life on Land,"* Royal Highness the lamented Prince Consort, and suspended from a crimson riband of an inch and three-eighths in width, with four white longitudinal stripes.

Secondly.—It is ordained, that *"The Albert Medal of the Second Class,"* when conferred for Gallantry in saving life on land shall consist of the like badge, save that of gold and bronze, and shall be suspended from a crimson riband of five-eighths of an inch in width, with two white longitudinal stripes.

Thirdly.—It is ordained, that each Medal shall be suspended from the left breast.

Fourthly.—It is ordained, that the names of those decorations shall be published to confer either of these and a register thereof kept in the *"London Gazette,"* and a register thereof kept in the Office of one of Our Principal Secretaries of State.

Fifthly.—It is ordained, that anyone who, after having received either of the Medals, again performs an act which, if he had not received such Medal, would have entitled him to it, such further act shall be recorded by a bar attached to the riband by which the Medal is suspended; and for every such additional act an additional bar may be added.

Sixthly.—It is ordained that the Medals shall only be awarded to those who, in saving or endeavouring to save the lives of others from accidents in mines, on railways, at fires, or other peril within Our dominions, on other than perils of the sea, have endangered their own lives, and that such award shall be made only on a recommendation to Us by the First Lord of Our Treasury.

Seventhly.—It is ordained that *The Albert Medal of the First Class* for Gallantry in Saving Life on Land shall be confined to cases of extreme and heroic daring, and that *The Albert Medal of the Second Class* for Gallantry in Saving Life on Land shall be given in cases which, though falling within the cases contemplated by this Warrant, are not sufficiently distinguished to deserve *The Albert Medal of the First Class*.

Eighthly.—In order to make such additional provision as shall effectually preserve pure these most honourable Decorations, it is ordained that, if any person on whom either of such Decorations is conferred be guilty of any crime or disgraceful conduct which in Our judgment disqualifies him for the same, his name shall, by an especial Warrant under Our Royal Sign Manual, be forthwith erased from the register of those upon whom the said Decoration shall have been conferred, and his said Medal be forfeited. And every person to whom the said Medal is given shall, before receiving the name, enter into an engagement to return the same if his

name shall be so erased as aforesaid under this regulation. It is hereby further declared that We, Our heirs and successors, shall be the sole Judges of the circumstance demanding such expulsion. Moreover, We shall at all times have power to order that any person who may at any time have been expelled shall be restored to the enjoyment of the Decoration.

Given at Our Court at St. James, this Thirtieth day of April, One thousand eight hundred and seventy-seven, in the Fortieth year of Our reign.

By Her Majesty's Command,
(Signed) RICHD. ASKEWTON CROSS.

THE QUEEN has been pleased to issue the following Warrant, under Her Majesty's Royal Sign Manual amending Warrants regulating the award of the two Decorations styled respectively *"THE ALBERT MEDAL OF THE FIRST CLASS"* and *"THE ALBERT MEDAL OF THE SECOND CLASS,"* for Gallantry in saving, or endeavouring to save, life at sea and on land.

VICTORIA R.
VICTORIA, by the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, &c., to all to whom these presents shall come, greeting:

WHEREAS a Warrant was given under Our Royal Sign Manual, bearing date the 7th of March 1866, in the 29th year of Our reign, intitled a "Warrant instituting a new Decoration to be styled 'The Albert Medal';"

And whereas a Warrant was given under Our Royal Sign Manual, bearing date the 12th day of April 1867, in the 30th year of Our reign, intitled a "Warrant revoking a Warrant dated the 7th day of March 1866 instituting a new Decoration to be styled 'The Albert Medal,' and instituting in lieu thereof two new Decorations, to be styled respectively 'The Albert Medal of the First Class,' and 'The Albert Medal of the Second Class,'"

And whereas, a Warrant was given under Our Royal Sign Manual, bearing date the 30th day of April 1871, in the 40th year of Our reign, intitled a "Warrant extending the two Decorations styled respectively 'The Albert Medal of the First Class' and 'The Albert Medal of the Second Class' to cases of Gallantry in saving life on land;"

And whereas in the said Warrant dated the 12th April 1867, it is ordained that the award of *"The Albert Medal of the First Class"* and *"The Albert Medal of the Second Class,"* severally inscribed *"For Gallantry in Saving Life at Sea,"* shall be made only on a recommendation to Us by the President of the Board of Trade; and in the said Warrant dated the 30th April 1871, it is ordained that the award of *"The Albert Medal of the First Class"* and *"The Albert Medal of the Second Class,"* severally inscribed *"For Gallantry in Saving Life on Land,"* shall be made only on a recommendation to Us by the First Lord of Our Treasury;

And whereas it seems to Us expedient to amend the said Warrants, dated respectively the 12th April 1867 and 30th April 1871, in so far as relates to the Rules therein established respecting the recommendations that shall be made to Us for the award of the said Medals; We are hereby graciously pleased to make, ordain, and establish the following Rule and Ordinance, respecting such recommendations, which shall, from henceforth, be invariably observed and kept:

It is ordained that the Award of either of the Medals, styled respectively *"The Albert Medal of the First Class,"* and *"The Albert Medal of the Second Class,"* shall be made only on a recommendation to Us by Our Principal Secretary of State for the Home Department; Provided always, that the preliminary steps and severally inscribed *"For Gallantry in Saving Life at Sea,"* shall be heretofore with the President of the Board of Trade.

Given at Our Court at St. James's, the thirteenth day of September, one thousand eight hundred and eighty-one, in the forty-fifth year of Our reign.

By Her Majesty's Command.
W. V. HARCOURT.

FLEET CIRCULAR No. 12.—C.
Admiralty, 22nd April 1880.

GOOD CONDUCT MEDALS AND GRATUITIES.
With reference to Articles 676 and 1,137 of the Queen's Regulations and Admiralty Instructions defining the

qualifications for which the character of Exemplary should be awarded, my Lords have received various representations from Captains of Her Majesty's ships relative to the difficulty they experience in awarding this character, which by the present regulations is to be confined to men whose "conduct, smartness, and general manner of deporting themselves and conducting their various duties have been such as to fully warrant their being held up as examples worthy of imitation."

2. My Lords, having given the subject much careful consideration, do not see any sufficient reason for discontinuing the use of the word Exemplary for the purpose of describing the conduct of men who, in addition to having earned the character of Very Good, have so deported themselves as to be considered, both on account of their conduct and the manner in which they have performed their duties, as examples worthy of imitation.

3. My Lords have, however, determined that for the future the grant of the Good Conduct Medal and Gratuity shall no longer be conditional on the award of the character of Exemplary, and that a continuous character of Very Good shall henceforth be considered as rendering a man eligible for Medal and Gratuity. The character of Very Good must therefore be awarded with greater care and discrimination than has often hitherto been the case.

4. On a man being sentenced to punishment by Court Martial, or summarily awarded—
Corporal Punishment.
Imprisonment; if by Civil Power see Article 30, Addenda 1880.

Disrating or reduction to a lower rating or rank.
Deprivation of Good Conduct Medal or Badge.
Confinement in Cells, or
Reduction to below the Privilege Leave List,

his character will, under the accompanying regulations, be necessarily recorded below Very Good, and therefore the required continuity of Very Good for Medal or Gratuity purposes will always in such cases be broken.
5. Ten years of continuous Very Good character will render a man eligible for a Medal, and fifteen years of continuous Very Good character for a Gratuity, provided in each case he has been recommended for the last three years, subject to the provisions of the enclosed amended Articles 676, 723, and 1,137, of the Queen's Regulations, 1870.

6. To entitle a Man to the Medal:—

(a.) He must have been recommended for it on his Certificate for three consecutive years;

(b.) He must be recommended for it by the Captain under whom he is serving, when he becomes eligible and has fulfilled the required conditions of service.

7. To entitle a Man to the Gratuity:—

(a.) He must have been awarded the Medal and have never forfeited it;

(b.) He must have been recommended for it on his Certificate for three last consecutive years;

(c.) He must, subsequently to his receiving the medal and until pensioned, have always been awarded a character of "Very Good" or "Exemplary."

(d.) He must be recommended for it by the Captain under whom he is serving when his Pension is applied for.

8. In order to carry out this arrangement it will be necessary that the additional words "Medal recommended" or "Gratuity recommended," should be entered on the men's certificates accordingly, whenever the characters are required to be recorded on them; the additional words are also to be noted in the Register and in the Service and Conduct Book.

9. In noting recommendations for Medals and Gratitudes on the Certificates, it is to be understood that the fact of men being eligible by previous notations on their certificates does not make it imperative for the Admiralty to recommend them. Invariable Very Good duty is performed and the satisfactory manner in which their duty is performed are to be the only guide.

10. Exemplary will for Medal and Gratuity purposes be equivalent to Very Good.

11. No change is made in the Regulations reserving the Admiralty the right of dealing exceptionally in the cases of men who have distinguished themselves in action or otherwise, or of men who have years of continuous Very Good character.

12. The changes indicated above are applicable to the

Coast Guard and also to the Royal Marines Ashore and Afloat.

13. The enclosed amended Articles 676, 723, and 1,137 are to be substituted for the present Articles which are so numbered in the Queen's Regulations, 1870, and which are to be considered as cancelled when these rules come into operation, as is also clause 9 of Article 609.

14. Time served by men who, after completing time for pension, re-engage under the provisions of Article 14 of the Addenda, 1880, will reckon for the Medal and Gratuity, but the award of the Medal after the completion of such time will not count towards increase of Pension.

TEMPORARY PROVISION.

15. Awards of character under the existing Regulations are to be made to the 30th June next, inclusive, and no character of Very Good awarded between 1st July 1870 and that date is to be considered as valid for Medal and Gratuity purposes.

By Command of their Lordships,
ROBERT HALL,
To the respective Commanders-in-Chief, &c.

GOOD CONDUCT MEDALS AND GRATUITIES.—SEAMEN.

676. Men holding any of the ratings specified in Column G. of Appendix VI., page 680, of the Queen's Regulations, 1870, may, under the following rules and until they are pensioned, be recommended, if of Very Good character, for the Good Conduct Medal and Service within five years of their being pensioned, but for the Medal only. The awards will be made irrespective of the complement, it being intended that nothing but a man's own misconduct shall be a bar to his obtaining these distinguishing marks of the approbation of the Admiralty, should he serve sufficiently long.

2. If recommended by the Captain under whom he is serving at the time, 10 years of continuous Very Good character, under Art. 723 as amended, will entitle a man to the Medal, and if recommended by the Captain under whom he is serving when his pension is applied for, 15 years of continuous Very Good character will entitle him to a Gratuity, subject, however, to all the following provisions, and provided the man had never been awarded a character below Very Good, except for a period not exceeding one year in his first five years of time reckoning for Pension.

3. After a man has been awarded seven years of such continuous Very Good character as will under these Regulations count towards the Medal, the Captain will, if the man continues to be Very Good, and he considers him deserving thereof from his invariable Very Good Conduct and Exemplary manner of performing his duties, add to the character of Very Good given on his certificate, whenever he is required to record it, the words "Medal recommended," and after 12 years of such Very Good character, the Captain will in like manner add the words "Gratuity recommended."

4. No man is entitled to the Medal unless

(a.) he has been recommended for it on his certificate for three consecutive years,

(b.) he is recommended for it by the Captain under whom he is serving when he becomes eligible.

5. No man is entitled to a gratuity unless

(a.) he has been awarded the Medal and has never forfeited it.

(b.) he has been recommended for the Gratuity for three consecutive years,

(c.) he has been continuously awarded a character above Good since he received the Medal until he is pensioned,

(d.) he is recommended for it by the Captain under whom he is serving when his pension is applied for.

6. Exemplary is in all cases to be considered as equivalent to Very Good for Medal and Gratuity purposes.

7. Whenever the Captain sees fit to withhold the required recommendations he will record fully his reasons in the Service and Conduct Book.

8. Time only which reckons for Pension under Art. 2,006 is to be allowed for Medal, that is, from the age of 18 for continuous service men, and from the age of 30 for non-continuous service men, and the character given before attaining such ages respectively has no effect on a claim to Medal and Gratuity.

9. A break in service caused by a man being invalided will not be considered as breaking the continuity of his Very Good character, or of recommendations for Medal or Gratuity, provided he rejoins as soon as the state of his health will admit and completes the required service.

10. Desertion, reduction to the second class for conduct, imprisonment, or the award of character less than Good after attaining the age of 18 if a C.S. man or of 20, if a non C.S. man, shall render a man absolutely ineligible for Medal or Gratuity, except as provided for in clauses 11, 12, and 13.

11. Imprisonment by the Civil Power shall not prejudice a man's claim to the Medal or Gratuity, unless it shall have been so directed by the Admiralty, if the man was serving at home at the time, or, if abroad, by the Commander-in-Chief.

12. In order not entirely to exclude from the honour of a Medal a man who may have committed himself in the early years of his service reckoning for pension, but who may have since become a Very Good character, the Admiralty will consider (with reference to the grant of a Medal without Gratuity) the case of any man who can show 15 years of continuous Very Good character, notwithstanding anything he may have done, or any character which may have been awarded to him, except Bad or Indifferent, in his previous service.

13. The Admiralty will also consider the case of any man who would be excluded under the foregoing Regulations, but who may be specially recommended on account of his having shown highly Exemplary conduct in action, or otherwise; but in such case no Gratuity will be awarded.

14. The scale for Gratuities shall be as follows:—
 Chief Petty Officers, having served as Chief and First Class Petty Officers for not less than 10 years - 2
 First Class Petty Officers, having served as such for not less than 10 years - 15
 Second Class Petty Officers, having served as such for not less than seven years - 10
 Leading Seamen, having served as such for not less than five years - 7
 Able Seamen, and others - 5
 Gratuities will not be given to men who serve after being pensioned.

15. In cases where the man recommended may not have served the full period to entitle him to the Gratuity applicable to his rating, he shall receive such lower rate, with reference to his combined service in several capacities, as may, in the opinion of the Admiralty, be proper to award to him.

16. Lists of men recommended for Medals and Gratuities are to be transmitted to the Admiralty, in the form prescribed for the purpose, by the Commanders-in-Chief and Senior Officers at Home and Abroad, and the District Captains of Coast Guard, as soon as the men become eligible for them, and when the approval of the Admiralty has been received, the Medals and Gratuities are, when possible, to be presented before the Ship's Company by the Captain of the ship. A complete history of badges, showing the dates of award, deprivation, and restoration, must be given on the copies of Certificate sent into Office.

17. If, pending the presentation of the Medal, the man's conduct has not been satisfactory, it is to be withheld, and the particulars of the case reported to the Admiralty.

18. It must be distinctly understood that Medals are only granted on the condition that the recipients continue to serve for Long-Service Pension, unless Invalidated; and that, in the event of a man who has been granted a Medal declining to go on serving to complete such time, he shall surrender the Medal on his discharge, unless he has completed fifteen years of man's service, in which case he may retain it.

19. If it is desired that men who have received Medals should also be given Gratuities, separate application must be made for the latter on the men being recommended for Pension.

20. In the case of a man who has joined from the Army, the general character given to him on his discharge will be taken as his character throughout the whole of his Army service, subject, however to the rules as to 10 consecutive years of Very Good or Exemplary character.

21. The Good Conduct Medal of a Petty Officer or Seaman which has been forfeited for misconduct may, with the sanction of the Admiralty, be restored on the

completion of his time for pension, provided his character during the last five years of his service has been Very Good.

22. In regard to men in the Service before the 1st of July 1876, previous Very Good character will be allowed to reckon for Medal and Gratuity, provided their conduct had been such as to render them deserving thereof under the foregoing Regulations.

23. Between the 1st of July 1876 and 30th June 1880 inclusive, Exemplary character only will reckon towards Medals and Gratuities and not Very Good.

24. These Regulations apply to the Coast Guard Afloat and on Shore.

XVII. CERTIFICATES.—SHIPS' COMPANY.

723. A Parchment Certificate in the established form is to be prepared for every man and boy on first entry. Special inquiry is always to be made on a volunteer offering himself for entry, as to whether he had ever been in the Service; and if so, and he fails to produce his Certificate, on no account is a fresh one to be prepared for him until application has been made to the Accountant-General on the established Form, and the Form, with the required particulars, returned to the Captain.

2. On first entry the religious denomination of every man or boy is to be noted on his Parchment Certificate, and it is also to be recorded in the Service and Conduct Book of each ship in which he may serve; in the event of any man of good character representing himself as having become a member of a religious denomination other than that under which he had been entered, and is anxious to have the record altered accordingly, the Captain may permit the change to be made.

3. The Parchment Certificates are from time to time to be very carefully filled up and signed as required by Clause 7 and by the Form. When awarding the character of a man, the Captain will take to his assistance the Executive Officer and the Officer of the man's division, or the Marine Officer, as the case may be, and fully consider all the entries against him in the Service and Conduct Book, so that his duty, so important both to the man and to the Service, may be performed justly and with proper deliberation.

4. Characters are to be recorded as—

- Exemplary;
- Very good;
- Good;
- Fair, or passable;
- Indifferent;
- Bad.

5. "Exemplary" is to be entirely exceptional, and is only to be awarded to men who have during the period, but without regard to their former history, so deported themselves as to be considered, both on account of their excellent conduct and the manner in which they have performed their duties, as examples worthy of imitation, and to be held up as a pattern to the Service.

6. "Very good" must be awarded with great care and discrimination, and it is not to be given merely because a man has kept clear of the defaulters' book and escaped punishment. As it is now to take the place of "Exemplary" for the award of Medals and Gratuities, the greatest care must be taken in apportioning the character.

7. On a man being punished by sentence of Court-martial or summarily awarded—

- Corporal punishment;
- Imprisonment;
- Disrating or reduction;
- Deprivation of Good Conduct Medal or Badge;
- Reduction to the Second Class for Conduct;
- Reduction to a lower class for leave than the privilege leave list; or if he commits any offence for which he was otherwise punished and which reduces his character below Very Good, his actual character since it was last recorded to the date of the offence for which he is punished was committed is to be recorded on his Certificate and in the Ledger and the Service and Conduct Book; for the intervening period to the date when the punishment took place or commenced his character is to be awarded as his offence may have deserved, but it is never to be above Good for that period, and from thenceforward his actual character is to be again recorded at the proper periods.

8. Special mention is to be made of any particularly meritorious conduct, both in the Certificate and in the Service and Conduct Book and Ledger.

9. The character of every man and boy is

judice a Marine's claim to the Medal or Gratuity unless it shall have been so directed by the Admiralty. If the Marine was serving at home, or, if abroad, by the Commander-in-Chief.

14. A Marine to whom a Medal has been awarded will be liable to be deprived of it summarily by warrant, under the hand of his Captain, for subsequent misconduct, subject to the ultimate approval of the Commander-in-Chief, or Officer in command of the Station, or by the Commandant of Royal Marines; the deprivation is always to take place publicly, and to carry with it the forfeiture of any claim to Good Conduct Gratuity on discharge. The Medal is to be returned to the Accountant-General.

15. If a Non-commissioned Officer holding a Good Conduct Medal is reduced for misconduct he is to be absolutely deprived of his Medal.

16. The Good Conduct Medal of a Marine who had been deprived of it may, with the sanction of the Admiralty, be restored on the completion of his time for Pension, provided his character during the last five years of his service has been Very Good.

17. The infliction of any of the punishments specified in Clause 7, Article 723, page 7, a to f, after a Medal has been awarded, entails forfeiture of the Medal, except as provided for in the following Clause (18).

18. A Marine may be deprived of his Medal without being deprived of any Good Conduct Badge; and it is left to the discretion of the Captain or the Commandant to take away one Badge without depriving a Marine of his Medal.

If a Badge is taken away without loss of Medal, the Medal is not to be worn until the Badge is regained.

If the Badge is not regained within 12 months from the date of deprivation the Medal is absolutely forfeited.

If two or more Badges are taken away, and not one only, or if a Marine loses a second Badge, his Medal is absolutely forfeited.

19. Notations on Parchment Certificates are to be made in all cases of suspension and restoration of Medal in consequence of the loss of a Badge; and also in all cases of absolute forfeiture.

20. The scale for Gratuities shall be as follows:—

Non-commissioned Officers of Royal Marines in Class I, Art. 1,147, having served as Staff-Sergeants and Sergeants of Royal Marines for not less than 10 years, and Marine Schoolmaster	£
Sergeants of Royal Marines in Classes II, III, and IV., Art. 1,147, having served as such for not less than ten years	20
Corporals and Bombardiers of Royal Marines, having served as such for not less than seven years	15
Gunners, Privates, Musicians, and Buglers of Royal Marines	10
	5

Gratuities will not be given to Marines who serve after being pensioned.

21. In case where the Marine recommended may not have served the full period to entitle him to the Gratuity applicable to his rank, he shall receive such lower rate, with reference to his combined service in several capacities, as may, in the opinion of the Admiralty, be proper to award him.

22. Lists of Marines recommended for Medals and Gratuities are to be transmitted to the Admiralty, in the established form, by the Commander-in-Chief and Senior Officers at Home and Abroad, and the Commandants of Royal Marines, as soon as the Marines become eligible for them; and when the approval of the Admiralty has been received, the Medals and Gratuities are to be presented before the Ship's company by the Captain of the Ship, and in the case of Marines on shore, by the Commandants on parade. A complete history of Badges, showing the dates of award, deprivation, and restoration, must be given on the Copies of Certificates sent into office.

23. It must be distinctly understood that Medals are only granted on the condition that the recipients continue to serve for Long-Service Pension, unless invalided; and that, in the event of a Marine who has been granted a Medal declining to go on serving to complete such time, he shall surrender the Medal on his discharge, unless he has completed 15 years of service reckoning for Pension, in which case he may retain it.

24. If it is desired that Marines who have received Medals should also be given Gratuities, separate application must be made for the latter on their being recommended for Pension.

25. In the case of a man who has joined the Marines from the Army, the general character given to him on his discharge will be taken as his character throughout the whole of his Army service, subject, however, to the rules as to 10 consecutive years of Very Good or Exemplary character.

26. If, pending the presentation of the Medal, the Marine's conduct has not been satisfactory, it is to be withheld, and the particulars of the case reported to the Admiralty.

27. In the case of Marines in the Service on the 1st July 1876, time served before that date, with Very Good character, will be allowed to reckon for the Medal and Gratuity, provided their conduct has been such as to render them deserving of being considered Very Good under these Regulations.

28. Between the 1st July 1876 and 30th June 1880 inclusive, Exemplary Character only will reckon towards Medal and Gratuity and not Very Good.

MARINES' CERTIFICATES.

With reference to Art. 1,125, Marines' Certificates are to be filled up in accordance with the amended Art. 723, in so far as its provisions can be made applicable to them.

MEMORANDUM.

Admiralty, 5th May 1870.

(REGULATIONS RESPECTING MEDALS GRANTED FOR ACTS OF BRAVERY IN SAVING LIFE.)

The Lords Commissioners of the Admiralty having sanctioned Medals granted for acts of bravery in saving life being worn by officers and men of the Royal Navy in Uniform, subject to their Lordships' approval;

the decoration, together with a statement of the act of bravery performed, should be sent to the Secretary of the Admiralty, in order that the recipient's name may be registered, and the necessary authority issued, should their Lordships think proper, for the distinction to be worn.

By Command of their Lordships,
Vernon Lushington.

HUMANE SOCIETY'S MEDALS.

Circular No. 11.—C.

Admiralty, 10th March 1890.

HUMANE SOCIETY'S MEDALS.

The Royal Humane Society having made arrangements for reducing the size of their Medals, in future,—in order to admit of their being worn,—and for granting Clasp and Bars for subsequent acts of bravery, in cases

where a medal has been already granted,—my Lords Commissioners of the Admiralty are hereby pleased to notify to the Officers and Men of Her Majesty's Navy and Marines their permission to Officers and Men to wear such Medals and Clasp when awarded by the Humane Society.

By Command of their Lordships,
W. G. ROMANE.

To all Commanders-in-chief, &c.

LAND PRIVILEGES IN THE COLONIES TO NAVAL AND MILITARY OFFICERS.

This notice is issued by the Secretary of State for the Colonies, for the information of Officers wishing to retire from Her Majesty's naval or military service, for the purpose of settling in those colonies, which offer privileges to that class of settlers in the acquisition of Crown lands.

1. Colonies which offer Privileges.

The only Colonies which now offer land privileges to Naval and Military Officers are British Columbia (Mainland) and Honduras.

2. Officers entitled to Privileges.

The Officers to whom such privileges are offered are (a) Naval Officers of the Military Branch, of all grades not lower than that of Sub-Lieutenants; Military Officers of all grades not lower than that of Subalterns of seven years' standing; (c) Regimental staff Officers; and (d) Medical Officers of both Services, of not less than five years' standing.

3. Officers not entitled to Privileges.

The Officers not entitled to land privileges are, Naval and Military Chaplains; Commissariat Officers; Subalterns under seven years' standing; Medical Officers of less than five years' standing; Mid-shipmen; Cadets; Warrant Officers of every description; Officers of any of the Civil Branches of the Navy or Army; and, lastly, Officers who have ceased for the space of three calendar months to belong to Her Majesty's Service, and have not obtained the Memorandum of Rank and Service hereinafter mentioned.

4. Nature and Extent of Privileges.

In British Columbia (Mainland) a certain quantity of land is granted in lieu of remission of purchase money. In the other above-named Colonies, land must be purchased under the land regulations for the time being in force in the Colony, and a certain amount of the purchase money is then remitted. These allowances are regulated by the rank and length of service of the Officer as shown in the following scales, viz.:—

	Acres.
Field Officers of 25 years' service, in the whole	600
Field Officers of 20 " " "	500
Field Officers of 15 " " "	400
Captains of 20 years' service and upwards, in the whole	400
Captains of 15 years' service or less in the whole	300
Subalterns of 20 years' service, and upwards in the whole	300
Subalterns of 7 years' service and upwards, in the whole	200

In Honduras a remission of purchase money is allowed in the acquisition of lands according to the following scale, viz.:—

	£
Field Officers of 25 years service and upwards, in the whole	600
Field Officers of 20 " " "	500
Field Officers of 15 " " "	400
Captains of 20 years' service and upwards, in the whole	400
Captains of 15 years' service or less, in the whole	300
Subalterns of 20 years' service and upwards, in the whole	300
Subalterns of 7 years' service and upwards, in the whole	200

Naval Officers receive allowances corresponding with their relative rank to Officers in the army as prescribed in Her Majesty's Order in Council of 11th June, 1893.

5. Memorandum of Rank and Service.

Any Officer desirous of availing himself of these privileges must obtain a Memorandum, if a Naval man,

from the Lords Commissioners of the Admiralty, and if a Military man, from the Office of the General Commanding-in-Chief specifying his rank, length of service, and date of retirement. This document will not be issued more than once to the same officer; and it must, within one year from the date of the Officer's retirement, be presented to the Governor of one of the above-named Colonies, otherwise the Officer will not be entitled to any land privileges in the Colony.

No document from the Office of the Secretary of State is necessary.

6. Location Ticket.

As the sole object of the Regulations is to encourage *bona fide* settlement of Naval and Military Officers in the Colony, an Officer, on presentation of his Memorandum of Rank and Service to the Governor, will receive in the first instance a Location Ticket only, for the land which in British Columbia he may obtain, or which in either of the other Colonies he may have purchased to the extent of his remission money.

7. Crown Grant.

At the expiration of two years from the date of such Location Ticket, the Officer, on paying the customary survey and other fees, will receive in exchange for it a Crown Grant, provided he can show to the satisfaction of the Governor, but not otherwise, that he is a *bona fide* settler in the Colony, and has not only continuously resided therein since the receipt of his Location Ticket, but that he has resided on the land described in it for such length of time, and made substantial and permanent improvements thereon of such description and value as the Governor may have prescribed in any general notice published by his authority in the Government Gazette of the Colony.

N.B.—The term of residence and the extent of improvements at present required are as follows:—

In British Columbia, that the Officer or his family shall reside continuously on the land for two years, and build a house and make improvements.

8. Lapse of Claim of Crown Grant not applied for in time.

If application should not be made for a Crown Grant in exchange for the Location Ticket within a twelve-month from the expiration of the two years for which it was issued, the Officer's claim will be considered as extinguished, and the land will absolutely revert to the Crown.

9. Land not transferable until Grant issued.

No transfer of the land will be allowed or be valid until a Crown Grant thereof has been obtained.

10. Provision in case of Death.

But if an Officer has obtained a Memorandum of Rank and Service and dies before he can obtain a Location Ticket the Governor of the Colony is authorised to make the Memorandum available, as he may think proper, in favour of a child or children or other nearest representative of the deceased, who will then become entitled to the same rights and be subject to the same conditions as attached to the deceased. In case an Officer dies after the Location Ticket has been obtained, the land to which it refers will be granted to his legal representative.

11. Permanence of the Regulations cannot be guaranteed.

As the land regulations in the above named Colonies are liable at any time to be altered, Her Majesty's Government cannot guarantee the permanence of these regulations—nor can the amount of remission in purchase money made to Officers be increased on account of any increased value which may at any time be set up upon the Crown lands in the Colony.

THE ALBERT MEDAL.

WARRANT extending the two Decorations styled respectively "THE ALBERT MEDAL OF THE FIRST CLASS" and "THE ALBERT MEDAL OF THE SECOND CLASS" to cases of Gallantry in saving life on land.

VICTORIA R.

VICTORIA by the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, &c., to all to whom these presents shall come, greeting:

Whereas a Warrant was given under Our Royal Sign Manual, bearing date the 7th March 1860, in the 20th year of Our reign, "instituting a new decoration to be styled 'The Albert Medal,'" and such Warrant was in the terms following, that is to say:—

"VICTORIA R.

"Victoria, by the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, &c., to all to whom these presents shall come, greeting:

"Whereas We, taking into Our Royal consideration that great loss of life is sustained by reason of shipwrecks and other perils of the sea; and taking also into consideration the many daring and heroic actions performed by mariners and others to prevent such loss and to save the lives of those who are in danger of perishing by reason of wrecks and perils of the sea; and taking also into consideration the expediency of distinguishing such efforts by some mark of Our Royal favour:

"Now for the purpose of attaining an end so desirable as that of rewarding such actions as aforesaid, We have instituted and created, and by these presents for Us, our heirs and successors, institute and create, a new Decoration, which We are desirous should be highly prized and eagerly sought after, and are graciously pleased to make, ordain, and establish the following rules and ordinances for the government of the same, which shall from henceforth be inviolably observed and kept.

"First.—It is ordained that the distinction shall be styled 'The Albert Medal,' and shall consist of a gold oval-shaped badge or decoration enamelled in dark blue, with a Monogram composed of the letters V. and A., interlaced with an Anchor erect in gold, surrounded with a Garter in bronze, inscribed in raised letters of gold, 'For Gallantry in Saving Life at Sea,' and surmounted by a representation of the Crown of His Royal Highness the lamented Prince Consort, and suspended from a dark blue riband of five-eighths of an inch in width with two white longitudinal stripes.

"Secondly.—It is ordained, that the Medal shall be suspended from the left breast.

"Thirdly.—It is ordained, that the names of those upon whom We may be pleased to confer the Decoration shall be published in the 'London Gazette,' and a registry thereof kept in the Office of the Board of Trade.

"Fourthly.—It is ordained, that anyone who, after having received the Medal, again performs an act which, if he had not received such Medal, would have entitled him to it, such further act shall be recorded by a bar attached to the riband by which the Medal is suspended; and for every such additional act an additional bar may be added.

"Fifthly.—It is ordained, that the Medal shall only be awarded to those, who, after the date of this instrument, have, in saving or endeavouring to save the lives of others from shipwreck or other peril of the sea, endangered their own lives, and that such award shall be made only on a recommendation to Us by the President of the Board of Trade.

"Sixthly.—In order to make such additional provision as shall effectually preserve pure this most honourable Distinction, it is ordained, that if any person on whom such Distinction is conferred be guilty of any crime or disgraceful conduct which in Our judgment disqualifies him for the said Decoration, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and his Medal shall be forfeited. And every person to whom the said Medal is given, shall, before receiving the same, enter into an engagement to return the same if his name shall be so erased as aforesaid under this regulation. It is hereby further declared,

that We, Our heirs and successors, shall be the sole judges of the circumstance demanding such expulsion. Moreover, We shall at all times have power to restore such persons as may at any time have been expelled to the enjoyment of the Decoration."

And whereas a Warrant was given under Our Royal Sign Manual, bearing date the 12th day of April 1867, in the 30th year of Our reign, intitled a Warrant revoking a Warrant dated the 7th day of March 1860, instituting a new Decoration to be styled "The Albert Medal," and instituting in lieu thereof two new Decorations, to be styled respectively "The Albert Medal of the First Class," and "The Albert Medal of the Second Class."

And whereas the Warrant of the 12th day of April 1867, after revoking the said Warrant of the 7th day of March 1860, proceeded as follows:

"And whereas it has been represented to Us, that mariners and others perform many acts in preventing loss of life from shipwreck and other perils of the sea, that are not of a character sufficiently daring and heroic to bring them under Our warrant above cited, and are yet worthy of some distinguishing mark of Our Royal favour. And whereas We, taking into our consideration that it is expedient to reward such mariners and others who perform heroic actions to prevent loss of life from shipwreck and other perils of the sea, are pleased, in place of the Decoration created by Our Warrant of the 7th March 1860, to institute and create two Decorations, which We are desirous should be highly prized and eagerly sought after, and are graciously pleased to make, ordain, and establish the following Rules and Ordinances for the government of the same, which shall from henceforth be inviolably observed and kept.

"First.—It is ordained, that one of the said two Decorations shall be styled 'The Albert Medal of the First Class,' and shall consist of a gold oval-shaped badge or Decoration, enamelled in dark blue, with a Monogram composed of the letters V. and A., interlaced with an Anchor erect in gold, surrounded with a Garter in bronze, inscribed in raised letters of gold, 'For Gallantry in Saving Life at Sea,' and surmounted by a representation of the Crown of His Royal Highness the lamented Prince Consort, and suspended from a dark blue riband of an inch and three-eighths in width, with four white longitudinal stripes.

"Secondly.—It is ordained, that the other of the two Distinctions shall be styled 'The Albert Medal of the Second Class,' and shall consist of the like shaped enamelled badge, save and except in this class it shall be entirely worked in bronze, instead of gold and bronze, and suspended from a dark blue riband of five-eighths of an inch in width, with two white longitudinal stripes.

"It is ordained, that each Medal shall be suspended from the left breast.

"Thirdly.—It is ordained that the names of those upon whom We may be pleased to confer either of these Decorations shall be published in the 'London Gazette,' and a registry thereof kept in the Office of the Board of Trade.

"Fourthly.—It is ordained, that anyone who, after having received either of the Medals, again performs an act which, if he had not received such Medal, would have entitled him to it, such further act shall be recorded by a bar attached to the riband by which the Medal is suspended; and for every such additional act an additional bar may be added.

"Fifthly.—It is ordained, that the Medals shall only be awarded to those who, after the date of the said Warrant of the 7th March 1866, have in saving or endeavouring to save the lives of others from shipwreck or other peril of the sea, endangered their own lives, and that such award shall be made only on a recommendation to Us by the President of the Board of Trade.

"Sixthly.—It is ordained, that the *Albert Medal of the First Class* shall be confined to cases of extreme and heroic daring, and that the *Albert Medal of the Second Class* should be given in cases which, though falling within the class contemplated by this Warrant, are not sufficiently distinguished to deserve the *Albert Medal of the First Class*."

"Seventhly.—In order to make such additional provision as shall effectually preserve pure this most honourable Distinction, it is ordained, that if any person on whom such Distinction is conferred be guilty of any crime or disgraceful conduct which in Our judgment disqualifies him for the said Decorations, his

qualifications for which the character of Exemplary should be awarded, my Lords have received various representations from Captains of Her Majesty's ships relative to the difficulty they experience in awarding this character, which by the present regulations is to be confined to men whose "conduct, smartness, and general manner of deporting themselves and conducting their various duties have been such as to fully warrant their being held up as examples worthy of imitation."

2. My Lords, having given the subject much careful consideration, do not see any sufficient reason for discontinuing the use of the word Exemplary for the purpose of describing the conduct of men who, in addition to having earned the character of Very Good, have so deported themselves as to be considered, both on account of their conduct and the manner in which they have performed their duties, as examples worthy of imitation.

3. My Lords have, however, determined that for the future the grant of the Good Conduct Medal and Gratuity shall no longer be conditional on the award of the character of Exemplary, and that a continuous character of Very Good shall henceforth be considered as rendering a man eligible for Medal and Gratuity. The character of Very Good must therefore be awarded with greater care and discrimination than has often hitherto been the case.

4. On a man being sentenced to punishment by Court Martial, or summarily awarded—
Corporal Punishment.

Imprisonment; if by Civil Power see Article 30, Addenda 1880.

Disrating or reduction to a lower rating or rank.
Deprivation of Good Conduct Medal or Badge.
Confinement in Cells, or

Reduction to below the Privilege Leave List, his character will, under the accompanying regulations, be necessarily recorded below Very Good, and therefore the required continuity of Very Good for Medal or Gratuity purposes will always in such cases be broken.

5. Ten years of continuous Very Good character will render a man eligible for a Medal, and fifteen years of continuous Very Good character for a Gratuity, provided in each case he has been recommended for the last three years, subject to the provisions of the enclosed amended Articles 076, 723, and 1,137, of the Queen's Regulations, 1879.

6. To entitle a Man to the Medal:—

(a.) He must have been recommended for it on his Certificate for three consecutive years;

(b.) He must be recommended for it by the Captain under whom he is serving, when he becomes eligible and has fulfilled the required conditions of service.

7. To entitle a Man to the Gratuity:—

(a.) He must have been awarded the Medal and have never forfeited it;

(b.) He must have been recommended for it on his Certificate for three last consecutive years;

(c.) He must, subsequently to his receiving the medal and until pensioned, have always been awarded a character of "Very Good" or "Exemplary";

(d.) He must be recommended for it by the Captain under whom he is serving when his Pension is applied for.

8. In order to carry out this arrangement it will be necessary that the additional words "Medal recommended," or "Gratuity recommended," should be entered on the men's certificates accordingly, whenever the characters are required to be recorded on them; the additional words are also to be noted in the Ledger and in the Service and Conduct Book.

9. In noting recommendations for Medals and Gratuities on the Certificates, it is to be understood that the fact of men being eligible by previous notations on their certificates does not make it imperative for Captains to recommend them. Invariable Very Good Conduct and the satisfactory manner in which their duty is performed are to be the only guide.

10. Exemplary will for Medal and Gratuity purposes be equivalent to Very Good.

11. No change is made in the Regulations reserving to the Admiralty the right of denying exceptionally with the cases of men who have distinguished themselves in action or otherwise, or of men who have 15 years of continuous Very Good character.

12. The changes indicated above are applicable to the

Coast Guard and also to the Royal Marines Ashore and Afloat.

13. The enclosed amended Articles 076, 723, and 1,137 are to be substituted for the present Articles which are so numbered in the Queen's Regulations, 1879, and which are to be considered as cancelled when these rules come into operation, as is also clause 9 of Article 080.

14. Time served by men who, after completing time for pension, re-engage under the provisions of Article 18 of the Addenda 1880, will reckon for the Medal and Gratuity, but the award of the Medal after the completion of such time will not count towards increase of Pension.

TEMPORARY PROVISION.

15. Awards of character under the existing Regulations are to be made to the 30th June next, inclusive, and no character of Very Good awarded between 1st July 1879 and that date is to be considered as valid for Medal and Gratuity purposes.

By Command of their Lordships,
ROBERT HALL,
To the respective Commanders-in-Chief, &c.

GOOD CONDUCT MEDALS AND GRATUITIES.—SEAMEN.

076. Men holding any of the ratings specified in Column (1), of Appendix VI., page 680, of the Queen's Regulations, 1879, may, under the following rules and until they are pensioned, be recommended, if of Very Good character, for the Good Conduct Medal and Gratuity, as also may Pensioners who return to the Service within five years of their being pensioned, but for the Medal only. The awards will be made irrespective of the complement, it being intended that nothing but a man's own misconduct shall be a bar to his obtaining these distinguishing marks of the approbation of the Admiralty, should he serve sufficiently long.

2. If recommended by the Captain under whom he is serving at the time, 10 years of continuous Very Good character, under Art. 723 as amended, will entitle a man to the Medal, and if recommended by the Captain under whom he is serving when his pension is applied for, 15 years of continuous Very Good character will entitle him to a Gratuity, subject, however, to all the following provisions, and provided the man had never been awarded a character below Very Good, except for a period not exceeding one year in his first five years of time reckoning for Pension.

3. After a man has been awarded seven years of such continuous Very Good character as will under these Regulations count towards the Medal, the Captain will, if the man continues to be Very Good, and he considers him deserving thereof from his inviolable Very Good Conduct and Exemplary manner of performing his duties, add to the character of Very Good given on his certificate, whenever he is required to record it, the words "Medal recommended," and after 12 years of such Very Good character, the Captain will in like manner add the words "Gratuity recommended."

4. No man is entitled to the Medal unless

(a.) he has been recommended for it on his certificate for three consecutive years.

(b.) he is recommended for it by the Captain under whom he is serving when he becomes eligible.

5. No man is entitled to a gratuity unless

(a.) he has been awarded the Medal and has never forfeited it,

(b.) he has been recommended for the Gratuity for three consecutive years,

(c.) he has been continuously awarded a character above Good since he received the Medal until he is pensioned,

(d.) he is recommended for it by the Captain under whom he is serving when his pension is applied for.

6. Exemplary is in all cases to be considered as equivalent to Very Good for Medal and Gratuity purposes.

7. Whenever the Captain sees fit to withhold the required recommendations he will record fully his reasons in the Service and Conduct Book.

8. Time only which reckons for Pension under Art. 2400 is to be allowed for Medal, that is, from the age of 18 for continuous service men, and from the age of 30 for non-continuous service men, and the character given before attaining such ages respectively has no effect on a claim to Medal and Gratuity.

9. A break in service caused by a man being invalided will not be considered as breaking the continuity of his Very Good character, or of recommendations for Medal or Gratuity, provided he rejoins as soon as the state of his health will admit and completes the required service.

10. Desertion, reduction to the second class for conduct, imprisonment, or the award of character less than Good after attaining the age of 15 if a U.S. man or of 20, if a non U.S. man, shall render a man absolutely ineligible for Medal or Gratuity, except as provided for in classes 11, 12, and 13.

11. Imprisonment by the Civil Power shall not prejudice a man's claim to the Medal or Gratuity, unless it shall have been so directed by the Admiralty, if the man was serving at home at the time, or, if abroad, by the Commander-in-Chief.

12. In order not entirely to exclude from the honour of a Medal a man who may have committed himself in the early years of his service reckoning for pension, but who may have since become a Very Good character, the Admiralty will consider (with reference to the grant of a Medal without Gratuity) the case of any man who can show 15 years of continuous Very Good character, notwithstanding anything he may have done, or any character which may have been awarded to him, except Bad or Indifferent, in his previous service.

13. The Admiralty will also consider the case of any man who would be excluded under the foregoing Regulations, but who may be specially recommended on account of his having shown highly Exemplary conduct in action, or otherwise; but in such case no Gratuity will be awarded.

14. The scale for Gratuities shall be as follows:—
Chief Petty Officers, having served as Chief 2
and First Class Petty Officers for not less than 10 years

First Class Petty Officers, having served as

such for not less than 10 years 15

Second Class Petty Officers, having served

as such for not less than seven years 10

Leading Seamen, having served as such

for not less than five years 7

Able Seamen, and others 5

Gratuities will not be given to men who serve after being pensioned.

15. In cases where the man recommended may not have served the full period to entitle him to the Gratuity applicable to his rating, he shall receive such lower rate, with reference to his combined service in several capacities, as may, in the opinion of the Admiralty, be proper to award to him.

16. Lists of men recommended for Medals and Gratuities are to be transmitted to the Admiralty, in the form prescribed for the purpose, by the Commanders-in-Chief and Senior Officers at Home and Abroad, and the District Captains of Coast Guard, as soon as the men become eligible for them, and when the approval of the Admiralty has been received, the Medals and Gratuities are, when possible, to be presented before the Ship's Company by the Captain of the ship. A complete history of Badges, showing the dates of award, deprivation, and restoration, must be given on the copies of Certificate sent into Office.

17. If, pending the presentation of the Medal, the man's conduct has not been satisfactory, it is to be withheld, and the particulars of the case reported to the Admiralty.

18. It must be distinctly understood that Medals are only granted on the condition that the recipients continue to serve for Long-Service Pension, unless invalided; and that, in the event of a man who has been granted a Medal declining to go on serving to complete such time, he shall surrender the Medal on his discharge, unless he has completed fifteen years of man's service, in which case he may retain it.

19. If it is desired that men who have received Medals should also be given Gratuities, separate application must be made for the latter on the men being recommended for Pension.

20. In the case of a man who has joined from the Army, the general character given to him on his discharge will be taken as his character throughout the whole of his Army service, subject, however to the rules as to 10 consecutive years of Very Good or Exemplary character.

21. The Good Conduct Medal of a Petty Officer or Seaman which has been forfeited for misconduct may, with the sanction of the Admiralty, be restored on the

completion of his time for pension, provided his character during the last five years of his service has been Very Good.

22. In regard to men in the Service before the 1st of July 1876, previous Very Good character will be allowed to reckon for Medal and Gratuity, provided their conduct had been such as to render them deserving thereof under the foregoing Regulations.

23. Between the 1st of July 1876 and 30th June 1880 inclusive, Exemplary character only will reckon towards Medals and Gratuities and not Very Good.

24. These Regulations apply to the Coast Guard Afloat and on Shore.

XVII. CERTIFICATES.—SHIPS' COMPANY.

723. A Parchment Certificate in the established form is to be prepared for every man and boy on first entry. Special inquiry is always to be made on a volunteer offering himself for entry, as to whether he had ever been in the Service; and if so, and he fails to produce his Certificate, on no account is a fresh one to be prepared for him until application has been made to the Accountant-General on the established Form, and the Form, with the required particulars, returned to the Captain.

2. On first entry the religious denomination of every man or boy is to be noted on his Parchment Certificate, and it is also to be recorded in the Service and Conduct Book of each ship in which he may serve; in the event of any man of good character representing himself as having become a member of a religious denomination other than that under which he had been entered, and is anxious to have the record altered accordingly, the Captain may permit the change to be made.

3. The Parchment Certificates are from time to time to be very carefully filled up and signed as required by Clause 7 and by the Form. When awarding the character of a man, the Captain will take to his assistance the Executive Officer and the Officer of the man's division, or the Marine Officer, as the case may be, and fully consider all the entries against him in the Service and Conduct Book, so that this duty, so important both to the man and to the Service, may be performed justly and with proper deliberation.

4. Characters are to be recorded as—

- a. Exemplary;
- b. Very good;
- c. Good;
- d. Fair, or passable;
- e. Indifferent;
- f. Bad.

5. "Exemplary" is to be entirely exceptional, and is only to be awarded to men who have during the period, but without regard to their former history, so deported themselves as to be considered, both on account of their excellent conduct and the manner in which they have performed their duties, as examples worthy of imitation, and to be held up as a pattern to the Service. 6. "Very good" must be awarded with great care and discrimination, and it is not to be given merely because a man has kept clear of the defaulters' book and escaped punishment. As it is now to take the place of "Exemplary" for the award of Medals and Gratuities, the greatest care must be taken in apportioning the character.

7. On a man being punished by sentence of Court-martial or summarily awarded—

- a. Corporal punishment;
- b. Imprisonment;
- c. Disrating or reduction;
- d. Deprivation of Good Conduct Medal or Badge;
- e. Reduction to the Second Class for Conduct;
- f. Reduction to a lower class for leave than the privilege leave list; or if he commits any offence for which he was otherwise punished and which reduces his character below Very Good, his actual character since it was last recorded to the date of the offence for which he is punished was committed is to be recorded on his Certificate and in the Ledger and the Service and Conduct Book; for the intervening period to the date when the punishment took place or commenced his character is to be awarded as his offence may have deserved, but it is never to be above Good for that period, and from thenceforward his actual character is to be again recorded at the proper periods.

8. Special mention is to be made of any particularly meritorious conduct, both in the Certificate and in the Service and Conduct Book and Ledger.

9. The character of every man and boy is to be r

corded upon his Certificate by the Captain in his own handwriting, with his initials, on the 31st December of each year, and under his signature on the final discharge of the man or boy from the ship, as well as on all other occasions when specially required. Whenever from the length of time the ship is in commission, or from other causes, the form requires it, a fresh line is to be commenced on the certificate, and the necessary additions made.

10. The conduct of each man or boy borne as a Supernumerary for more than three months is to be noted in red ink on his certificate, but if so borne for less than three months his conduct is to be noted on the Transfer List, as a guide to the award of character on Certificate at the proper time.

11. When men borne for less than three months are on passage, or when Supernumeraries are absent on leave, or for other valid causes, notations, such as Passage only and Time only, are to be made on their Certificates when the character is not required to be recorded thereon, and if it follows Very Good or Exemplary, such time will be considered as Very Good or Exemplary accordingly, as the case may be, in the absence of any notation to the contrary, and recommendations for Medal or Gratuity will in like manner be regarded as continuous in such cases. The same principle will also apply in all other cases of men borne for time only as to their previous character being regarded as continuous in the absence of notations to the contrary.

12. In the event of a man misconducting himself while in hospital, a report is to be made by the Principal Medical Officer to the Captain of the ship or the Commandant of the division to which the man belongs.

13. All time during which a Supernumerary is borne for passage home, if entitled to pay, is to be shown on his Certificate, as well as his character.

14. The characters so recorded are, on these several occasions, to be read to the men by the Divisional or the Marine Officer, as the case may be.

15. Should the Captain give up command at a broken period of the Commission, exceeding three months from the commencement of the year, he is invariably to fill up and initial the men's Certificates; if within the three months, he is only to fill up and initial the Certificates of the men whose characters have undergone a change since the last record on their Certificates.

16. Whenever a Good Conduct Medal is awarded, suspended, forfeited, or restored, or any Decoration or other Medal granted, or a Good Conduct Badge is awarded or forfeited, the particulars are to be noted on the Certificate, as well as in the Ledger and Service and Conduct Book.

17. The corner of the Certificate is only to be cut off on discharge and when the man's character has been so bad as to render his re-entry into the Navy undesirable; whenever the corner is cut off the fact is to be noted in the Ledger and in the Service and Conduct Book and a report is to be immediately made to the Commander-in-Chief in the form established for discharge with disgrace, which is to be adapted to the case.

18. On no account is any erasure or any alteration relative to the past to be made on the Certificate except with the sanction of the Admiralty; if any error is committed which requires immediate correction, the correction is to be made, without erasure, under the authority of the Captain, and attested by his signature.

19. Certificates will be retained in the offices of the several ships in which the men may be borne or serving, until they are finally discharged the Service; but whenever a man may require it, he is, on application to the Officer of his Division, to be furnished with a copy from the Officer in the established form.

20. On the death or desertion of any person, a notation to that effect is to be made on the Certificate, which will be transmitted into Office with the Monthly Return.

21. In all questions relative to a man's character the notations made upon his Parchment Certificate are to be considered as conclusive, unless the Certificate shall appear to have been tampered with; in such a case it would be the duty of the Captain, on noticing it, to report immediately the particulars to the Admiralty that reference might be made to the Service and Conduct Book, or to other Records in Office, to clear up the matter, and, on the result being communicated, the Captain will note it upon the Certificate and attest it with his signature, and also make notations to the same effect in the Service and Conduct Book.

IV. GOOD CONDUCT MEDALS AND GRATUITIES, MARINES.

1,137. Royal Marines, as particularized in column G. of the Table in the Appendix VI., page 690, and whether afloat or ashore, may be recommended for the Good Conduct Medal and Gratuity, as well as Pensioners from the Corps, but for Medal only, provided they return to the Service within five years of being pensioned. The awards are made irrespective of the strength of the Divisions of the Royal Marines, it being intended that nothing but a Marine's own misconduct shall be a bar to his obtaining these distinguishing marks of the approbation of the Admiralty, should he serve sufficiently long.

2. Ten years of continuous Very Good character shall render a Marine eligible for a Good Conduct Medal, and 15 years of continuous Very Good character shall render him eligible for a Gratuity, provided he had never been awarded a character below Very Good, except for a period not exceeding one year in his first five years reckoning for Pension.

3. After a Marine has been awarded seven years of such continuous Very Good character as will, under these Regulations, count towards the Medal, the Captain or the Commandant will, if the Marine continues to be Very Good, and he considers him deserving thereof from his invariable Very Good Conduct and Exemplary manner of performing his duties, add to the Very Good given on his Certificate, whenever he is required to record the Marine's character, the words "Medal recommended," and after 12 years of such Very Good character, the Captain or the Commandant will, in like manner, add the words "Gratuity recommended."

4. To entitle a Marine to the Medal—

a. He must have been recommended for it by his Captain or Commandant on his Certificate for three consecutive years;

b. He must be recommended for it by the Captain or Commandant under whom he is serving when he becomes eligible and has fulfilled the required conditions of service.

5. To entitle a Marine to the Gratuity—

a. He must have been awarded the Medal and have never forfeited it;

b. He must have been recommended for it on his Certificate for three consecutive years;

c. He must, until pensioned, have been always awarded a character above Good;

d. He must be recommended for it by the Captain or Commandant under whom he is serving when his Pension is applied for.

6. Whenever Exemplary is awarded it shall in all cases be understood as being equivalent to Very Good for Medal and Gratuity purposes.

7. Whenever the Captain sees fit to withhold the required recommendation, he will record fully his reasons in the Service and Conduct Book. In the case of Marines on shore, the Commandant will do so in the corresponding record at the Divisional Head Quarters.

8. The character given to a Marine in such portion of under-age service as does not reckon for Pension has no effect on his claim to a Medal and Gratuity.

9. A break in service caused by a Marine being invalided will not be considered as breaking the continuity of his Very Good character, provided he rejoins as soon as the state of his health will admit, and completes the required service.

10. Desertion, reduction to the Second Class for conduct, imprisonment, or the award of character less than Good during any portion of the time which reckons for Pension, shall render a Marine absolutely ineligible for the Medal or Gratuity, except as provided for in the following paragraphs 11 and 12.

11. In order not entirely to exclude from the honour of a Medal a Marine who may have committed himself in the early part of his service reckoning for Pension, but who may have since become a Very Good character, the Admiralty will consider (with reference to the grant of a Medal without Gratuity) the case of any Marine who can show 15 years of continuous Very Good character, notwithstanding anything he may have done or any character which may have been awarded to him, except Bad or Indifferent, in his previous service.

12. The Admiralty will also consider the case of any Marine who would be excluded under the foregoing Regulations, but who may be specially recommended on account of his having shown highly Exemplary conduct in action, or otherwise; in such cases, however, no Gratuity will be awarded.

13. Imprisonment by the Civil Power shall not pre-

Justice a Marine's claim to the Medal or Gratuity unless it shall have been so directed by the Admiralty, if the Marine was serving at home, or, if abroad, by the Commander-in-Chief.

14. A Marine to whom a Medal has been awarded will be liable to be deprived of it summarily by warrant, under the hand of his Captain, for subsequent misconduct, subject to the ultimate approval of the Commander-in-Chief, or Officer in command of the Station, or by the Commandant of Royal Marines; the deprivation is always to take place publicly, and to carry with it the forfeiture of any claim to Good Conduct Gratuity on discharge. The Medal is to be returned to the Accountant-General.

15. If a Non-commissioned Officer holding a Good Conduct Medal is reduced for misconduct he is to be absolutely deprived of his Medal.

16. The Good Conduct Medal of a Marine who had been deprived of it may, with the sanction of the Admiralty, be restored on the completion of his time for Pension, provided his character during the last five years of his service has been Very Good.

17. The infliction of any of the punishments specified in Clause 7, Article 723, page 7, a to f, after a Medal has been awarded, entails forfeiture of the Medal, except as provided for in the following Clause (18).

18. A Marine may be deprived of his Medal without being deprived of any Good Conduct Badge; and it is left to the discretion of the Captain or the Commandant to take away one Badge without depriving a Marine of his Medal.

If a Badge is taken away without loss of Medal, the Medal is not to be worn until the Badge is regained.

If the Badge is not regained within 12 months from the date of deprivation the Medal is absolutely forfeited.

If two or more Badges are taken away, and not one only, or if a Marine loses a second Badge, his Medal is absolutely forfeited.

19. Notations on Parchment Certificates are to be made in all cases of suspension and restoration of Medal in consequence of the loss of a Badge; and also in all cases of absolute forfeiture.

20. The scale for Gratuities shall be as follows:—

Non-commissioned Officers of Royal Marines in Class I, Art. 1,147, having served as Staff-Sergeants and Sergeants of Royal Marines for not less than 10 years, and Marine Schoolmaster	2
Sergeants of Royal Marines in Classes II, III, and IV, Art. 1,147, having served as such for not less than ten years	20
Corporals and Bombardiers of Royal Marines, having served as such for not less than seven years	15
Grunners, Privates, Musicians, and Buglers of Royal Marines	10
	5

Gratuities will not be given to Marines who serve after being pensioned.

21. In case where the Marine recommended may not have served the full period to entitle him to the Gratuity applicable to his rank, he shall receive such lower rate, with reference to his combined service in several capacities, as may, in the opinion of the Admiralty, be proper to award him.

22. Lists of Marines recommended for Medals and Gratuities are to be transmitted to the Admiralty, in the established form, by the Commander-in-Chief and Senior Officers at Home and Abroad, and the Commandants of Royal Marines, as soon as the Marines become eligible for them; and when the approval of the Admiralty has been received, the Medals and Gratuities are to be presented before the Ship's company by the Captain of the Ship, and in the case of Marines on shore, by the Commandants on parade. A complete history of Badges, showing the dates of award, deprivation, and restoration, must be given on the Copies of Certificates sent into office.

23. It must be distinctly understood that Medals are only granted on the condition that the recipients continue to serve for Long-Service Pension, unless invalided; and that, in the event of a Marine who has been granted a Medal declining to go on serving to complete such time, he shall surrender the Medal on his discharge, unless he has completed 15 years of service reckoning for Pension, in which case he may retain it.

24. If it is desired that Marines who have received Medals should also be given Gratuities, separate application must be made for the latter on their being recommended for Pension.

25. In the case of a man who has joined the Marines from the Army, the general character given to him on his discharge will be taken as his character throughout the whole of his Army service, subject, however, to the rules as to 10 consecutive years of Very Good or Exemplary character.

26. If, pending the presentation of the Medal, the Marine's conduct has not been satisfactory, it is to be withheld, and the particulars of the case reported to the Admiralty.

27. In the case of Marines in the Service on the 1st July 1870, time served before that date, with Very Good character, will be allowed to reckon for the Medal and Gratuity, provided their conduct has been such as to render them deserving of being considered Very Good under these Regulations.

28. Between the 1st July 1870 and 30th June 1880 inclusive, Exemplary Character only will reckon towards Medal and Gratuity and not Very Good.

MARINES' CERTIFICATES.

With reference to Art. 1,125, Marines' Certificates are to be filled up in accordance with the amended Art. 723, in so far as its provisions can be made applicable to them.

MEMORANDUM.

Admiralty, 5th May 1870.

(REGULATIONS RESPECTING MEDALS GRANTED FOR ACTS OF BRAVERY IN SAVING LIFE.)

The Lords Commissioners of the Admiralty having sanctioned Medals granted for acts of bravery in saving life being worn by officers and men of the Royal Navy in Uniform, subject to their Lordships' approval;

the decoration, together with a statement of the act of bravery performed, should be sent to the Secretary of the Admiralty, in order that the recipient's name may be registered, and the necessary authority issued, should their Lordships think proper, for the distinction to be worn.

Circular No. 11.—C.

Admiralty, 10th March 1880.

HUMANE SOCIETY'S MEDALS.

The Royal Humane Society having made arrangements for reducing the size of their Medals, in future, in order to admit of their being worn,—and for granting Clasps and Bars for subsequent acts of bravery, in cases

where a medal has been already granted,—my Lords Commissioners of the Admiralty are hereby pleased to notify to the Officers and Men of Her Majesty's Navy and Marines their permission to Officers and Men to wear such Medals and Clasps when awarded by the Humane Society.

By Command of their Lordships,
W. G. ROMAINE.

To all Commanders-in-chief, &c.

LAND PRIVILEGES IN THE COLONIES TO NAVAL AND MILITARY OFFICERS.

This notice is issued by the Secretary of State for the Colonies, for the information of Officers wishing to retire from Her Majesty's naval or military service, for the purpose of settling in those colonies, which offer privileges to that class of settlers in the acquisition of Crown lands.

1. Colonies which offer Privileges.

The only Colonies which now offer land privileges to Naval and Military Officers are British Columbia (Mainland) and Honduras.

2. Officers entitled to Privileges.

The Officers to whom such privileges are offered are (a) Naval Officers of the Military Branch, of all grades not lower than that of Sub-Lieutenants; Military Officers of all grades not lower than that of Subalterns of seven years' standing; (c) Regimental staff Officers; and (d) Medical Officers of both Services, of not less than five years' standing.

3. Officers not entitled to Privileges.

The Officers not entitled to land privileges are, Naval and Military Chaplains; Commissariat Officers; Subalterns under seven years' standing; Medical Officers of less than five years' standing; Midshipmen; Cadets; Warrant Officers of every description; Officers of any of the Civil Branches of the Navy or Army; and, lastly, Officers who have ceased for the space of three calendar months to belong to Her Majesty's Service, and have not obtained the Memorandum of Rank and Service hereinafter mentioned.

4. Nature and Extent of Privileges.

In British Columbia (Mainland) a certain quantity of land is granted in lieu of remission of purchase money. In the other above-named Colonies, land must be purchased under the land regulations for the time being in force in the Colony, and a certain amount of the purchase money is then remitted. These allowances are regulated by the rank and length of service of the Officer as shown in the following scales, viz.:—

	Acres.
Field Officers of 25 years' service, in the whole	600
Field Officers of 20 " " " "	500
Field Officers of 15 " " " "	400
Captains of 20 years' service and upwards, in the whole	400
Captains of 15 years' service or less in the whole	300
Subalterns of 20 years' service, and upwards in the whole	300
Subalterns of 7 years' service and upwards, in the whole	200

In Honduras a remission of purchase money is allowed in the acquisition of lands according to the following scale, viz.:—

	£
Field Officers of 25 years service and upwards, in the whole	600
Field Officers of 20 " " " "	500
Field Officers of 15 " " " "	400
Captains of 20 years' service and upwards, in the whole	400
Captains of 15 years' service or less, in the whole	300
Subalterns of 20 years' service and upwards, in the whole	300
Subalterns of 7 years' service and upwards, in the whole	200

Naval Officers receive allowances corresponding with their relative rank to Officers in the Army as prescribed in Her Majesty's Order in Council of 11th June, 1893.

5. Memorandum of Rank and Service.

Any Officer desirous of availing himself of these privileges must obtain a Memorandum, if a Naval man,

from the Lords Commissioners of the Admiralty, and if a Military man, from the Office of the General Commanding-in-Chief specifying his rank, length of service, and date of retirement. This document will not be issued more than once to the same officer; and it must, within one year from the date of the Officer's retirement, be presented to the Governor of one of the above-named Colonies, otherwise the Officer will not be entitled to any land privileges in the Colony.

No document from the Office of the Secretary of State is necessary.

6. Location Ticket.

As the sole object of the Regulations is to encourage *bond fide* settlement of Naval and Military Officers in the Colony, an Officer, on presentation of his Memorandum of Rank and Service to the Governor, will receive in the first instance a Location Ticket only, for the land which in British Columbia he may obtain, or which in either of the other Colonies he may have purchased to the extent of his remission money.

7. Crown Grant.

At the expiration of two years from the date of such Location Ticket, the Officer, on paying the customary survey and other fees, will receive in exchange for it a Crown Grant, provided he can show to the satisfaction of the Governor, but not otherwise, that he is a *bond fide* settler in the Colony, and has not only continuously resided therein since the receipt of his Location Ticket, but that he has resided on the land described in it for such length of time, and made substantial and permanent improvements thereon of such description and per-value as the Governor may have prescribed in any general notice published by his authority in the Government Gazette of the Colony.

N.B.—The term of residence and the extent of improvements at present required are as follows:—

In British Columbia, that the Officer or his family shall reside continuously on the land for two years, and build a house and make improvements.

8. Lapse of Claim of Crown Grant not applied for in time.

If application should not be made for a Crown Grant in exchange for the Location Ticket within a twelve-month from the expiration of the two years for which it was issued, the Officer's claim will be considered as extinguished, and the land will absolutely revert to the Crown.

9. Land not transferable until Grant issued.

No transfer of the land will be allowed or be valid until a Crown Grant thereof has been obtained.

10. Provision in case of Death.

But if an Officer has obtained a Memorandum of Rank and Service and dies before he can obtain a Location Ticket the Governor of the Colony is authorised to make the Memorandum available, as he may think proper, in favour of a child or children or other nearest representative of the deceased, who will then become entitled to the same rights and be subject to the same conditions as attached to the deceased. In case an Officer dies after the Location Ticket has been obtained, the land to which it refers will be granted to his legal representative.

11. Permanence of the Regulations cannot be guaranteed.

As the land regulations in the above named Colonies are liable at any time to be altered, Her Majesty's Government cannot guarantee the permanence of these regulations—nor can the amount of remission in purchase money made to Officers be increased on account of any increased value which may at any time be set up upon the Crown lands in the Colony.
